Abstracts of Principles

1. We believe in one true and livng God, and that there are three persons in the God-Head: the Father, the Son and the Holy Ghost, and these three are One.

2. We believe that the Bible, the Old and New Testament, is the Word of God and the only rule of faith and practice.

3. We believe in the impotency of man and the sovereignty of God.

4. We believe that Salvation is by Grace through Faith in our Lord Jesus Christ.

5. We believe that Baptism and the Lord's Supper are ordinances instituted by Jesus to be practiced only by believers in their spiritual order.

6. We believe that Baptism is the immersion of a believer in water by a qualified administrator, and that those who are thus baptized and are in fellowship with the church in feeling and doctrine should take the Lord's Supper.

7. We believe in the final perseverance of the Saints in Grace and Glory.

8. We believe in the resurrection of the dead and general judgement.

9. We believe that the existence of the righteous and the wicked will both be of eternal duration, and that the happiness of the righteous and the punishment of the wicked will both be eternal.

Rules Of Order

1. Every session shall be opened and closed by prayer.

2. When the Moderator calls the house to order, every member shall at once take his seat.

3. When a member wishes to speak, he shall rise and address the Moderator, and not proceed until he is recognized.

4. No member shall speak more than twice on any subject except by permission of the body.

5. It shall be counted disorder for any member to stand up, leave the house or hold private conversation while any person is speaking.

Church Covenant

Having been led as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on profession of our faith, having been baptied in the name of the Father, and of the Son, and of the Holy Ghost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into this covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church and the relief of the poor; and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealing, faithful in our engagements, and exemplary in our department; to avoid all tattling, back biting and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense but always ready for reconciliation, and mindful of the rule of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's Word.

PROCEEDINGS OF
THE ASHE BAPTIST ASSOCIATIONAL MEETING
NINETIETH ANNUAL SESSION

Held Friday, August 6, 1976
AT ORION BAPTIST CHURCH

The Ninetieth Annual Session of the Ashe Baptist Association met for the first session on August 6, 1976 at 2 o'clock p. m. with Orion Baptist Church being the host. Preceeding the call to order those in attendance were led by Rev. Bill Ballou, with Tammy Shatley accompanying on the piano in the singing of "Amazing Grace".

In the absence of Moderator, George West, who was called away due to a death in the family, Rev. Guy T. Shatley, Vice-Moderator, called the meeting to order and asked Rev. Bill Burchette, host pastor, to lead in the devotion and welcome. Rev. Burchette read from the first Chapter of Ephesians, 1 through 16 verses and offered the opening prayer. He also stated that the Association had met at this church fifty years ago and twenty-one years ago and asked for a show of hands of those present today that were present at those meetings.

The Vice-Moderator then asked that the representatives from the churches stand and then seated them as delegates. He then asked for a motion to adopt the order of business, with Rev. Bill Burchette making such a motion, seconded by Rev. Earl Hartzog, voted on and carried.

Rev. Shatley then recognized the visitors, which included Ralph Cannon who is in charge of raising funds for the Baptist Homes for the Aging; Woodrow Hill, Assistant Editor of the "Biblical Recorder"; Bobby Wicker, representative of Campbell College and Mrs. Wicker; and Mr. Vestel of the Methodist Church in West Jefferson.

New Pastors were then recognized and this included Rev. Orie Sullivan of Sabbath Home; Rev. Herb Parunak of Healing Springs; Dupre Gowan of Friendly Grove; Rev. Garrett Mahaffey of Pine Swamp.

Rev. Shatley then announced the Committee Appointments.

Next came the roll call of the churches by Jeanie McNeill. There were delegates from 42 different churches present.

Bill Ballou announced that even though we had no new churches enter the Association during the past year, that Trinity had come under the watch-care of the churches and the year would be up in November, and he asked for a motion to allow the Executive Committee to vote on the acceptance of this church in November. Mr. Sanford Howell made such a motion, seconded by Russell Phillips, voted on and carried.

During the business session was held the election of Officers. Guy Shatley asked Mr. A. D. Goodman to come and chair the election of Moderator, Vice-Moderator and Clerk-Treasurer, which Mr. Goodman did. Rev. Earl Sheets moved that the present persons holding these positions be retained, seconded by Leslie Jones. There being no other nominations Kermit Goodman moved they be elected by acclamation, seconded by Ward Ballou, voted on and carried.

Next came the reports on our institutions, agencies and colleges. First came Mr. Ralph Davis' report on the "Biblical Recorder". Mr. Davis was not present to give his report but a motion to adopt his report as set out in the program was made by Rev. Fred Troutman, seconded by W. H. Caldwell, voted on and carried.

Mr. Woodrow Hill, Assistant Editor of the "Biblical Recorder" spoke to the Association. He stated that "informed, involved and influential are three peculiarties of the Baptist people". He also stated that the "Biblical Recorder" was established almost 144 years ago by Thomas Meredith who felt that if North Carolina Baptist "ever amount to a hill of beans, they are going to have to be informed regarding their denomination". There are 116,000 homes in North Carolina receiving the "Biblical Recorder" each week.

Next came the report of The Homes for the Aging of our local representative, Bob Calhoun who moved for the adoption of this report, seconded by Earl Hartzog, voted on and carried.

Mr. Ralph Cannon of The Baptist Homes for the Aging then addressed the Association. He asked that we remember the wife of Cecil Ray who is ill. Mr. Ray is General Secretary-Treasurer of the Baptist State Convention. Mr. Cannon recognized Bill Ballou as Chairman of the drive to raise funds for the new home for the aging to be established in Asheville on 21 1/2 acres. He further stated that 31 associations in North Carolina are in this drive to raise one million dollars for this home, and that there are one million, nine hundred ten thousand Baptists in North Carolina.

Rev. Fred Troutman, local representative, gave his report on the Baptist Hospital and moved for its adoption, seconded by Don Goodman, voted on and carried.

Mr. Calvin Knight, head of Denominational Relations at the Baptist Hospital, reported that the hospital first opened in 1923, and now has approximately 700 beds and last year admitted better than 23,000 patients besides out-patients. The annual budget for operating expenses at the hospital is approximately $480 million. Mr. Knight also stated that "the best expression of Christian commitment is shown best in the day to day lives of the Christian". He also reported that one patient said "the difference between the Baptist Hospital and other hospitals which she was familiar with, was that in the Baptist Hospital one can sense the spirit of Jesus Christ".

Fred Troutman expressed appreciation to the Baptist Hospital staff for often going the second mile in order to help patients and cooperating with other hospitals.

Those in attendance then stood and sang "Glory To His Name".

Next came the report on the Baptist Children's Home and Kermit Goodman moved that this report be adopted as printed in the program, seconded by Eugene Adams, voted on and carried.

Mr. Parker McLendon of the Children's Homes discussed the Children's Homes and their beginning as the Thomasville Baptist Orphanage, but now, of course, it has changed. He reported five or six per cent of the children now in our care have at least one parent living and about 70 per cent have both parents living. He stated the homes are now family centered in that they try not only to help the children but also to help the parents in the hope of restoring the child to the parents and help them be a family and provide a home for the child. The average stay of children in our care is two and one-half years. The basic philosophy is Christ oriented. Any help given can be seen as an investment in the lives of the children, and they believe that the future is with our children.

Christian Education report by Bill Ballou who moved for its adoption, seconded by Sanford Howell, voted on and carried.

Mr. Bobby Wicker of Campbell College then addressed the meeting and stated, among other things, that the aim of Campbell College is "higher Christian Education".

Mr. Alex Booth, Director of Fruitland Baptist Bible Institute, asked who had had any part of their training at Fruitland to please raise their hand. There were several among us who had. Rev. W. H. Caldwell said he went to Fruitland when it first began at Boone. Mr. Booth stated that those attending learn while they are there to keep on learning. Fruitland has a limitation of no more than 35 new students during any quarter. The school is now operating year round, having just recently started the fourth quarter. The cost of tuition is $55 per quarter. The rooms are $65 to $100 per quarter, meals $165, and a set of books lasting two quarters, about $50. He said the support of the school comes directly through the Cooperative Program and State Mission Offerings. Mr. Booth further stated "the freedom is in the flow", meaning "the freedom of God's blessing is in the flow. God is looking for people through whom he can do things and if we will only open up to him, through us eternal life can flow".

Mr. Edd Wooten a representative of Chowan College gave a report to the meeting on Chowan College.

During the Miscellaneous Business Session — Rev. Ken Morris expressed for Mr. W. B. Oliver, who is in the hospital in Winston-Salem, the feelings for Miss Mary Jordan and the very special work she is doing in Vacation Bible Schools, and asked that we take a live gift for Miss Jordan. Blanch Oliver moved

that we do this, seconded by Russell Phillips, voted on and carried. This offering was received while the congregation stood and sang "Stand Up For Jesus". "Miss Mary" received approximately $119.

Bill Ballou recognized Tammy Shatley who is playing the piano for us and expressed our appreciation to her for doing this.

Bill Ballou also asked to call to our attention that there is a young man in our association who has written a history of the Negro or Black churches in our area, Mr. Mark Sexton, and wanted us to consider the possibility of getting this young man or someone else to write a history of our Ashe Baptist Association which is ninety years old this year.

Rev. Johnny Goodman delivered the association message. His scripture included Titus 1, v. 5. Rev. Goodman stated this was written unto Titus but applies to us today, and . . . "the things that are lacking in our churches, as well as in our homes, causes us to look at what we are doing for the Lord". He suggested we make an inventory of ourselves and our churches. We often forget about what is best for the church and for other people and he encouraged us not to be self-willed and proud of ourselves but to be proud of the Lord. We should also encourage our young people in the way of the Lord.

We adjourned for the evening meal with Rev. Kermit Goodman pronouncing the benediction and asking the blessing upon the food.

The EVENING SESSION commenced at 6:30 with the singing of "Take the Name of Jesus With You".

Brother Guy Shatley called the meeting back to order and called on Rev. Herbert Parunak to read scripture and offer the opening prayer. Rev. Parunak read the entire twelfth chapter of Romans.

Director of Missions report was given by Rev. Bill Ballou who moved for the adoption of this report, seconded by Ward Ballou, voted on and carried.

During the discussion Rev. Ballou discussed the WIN school and encouraged the churches to have one. He stated that if he can ever be of help to any church then please let him.

Guy Shatley then recognized the oldest preacher here, being Rev. E. Z. Sexton, aged 91 years.

Treasurer's Report was given by Jeanie McNeill, who reported there was on hand $197.00 at the end of the Associational year. Rev. Eugene Adams moved for the adoption of this report, seconded by Rev. Carson Staley, voted on and carried.

Mr. A. D. Goodman presented the proposed budget for the coming Associational year. This is to be discussed and voted on at tomorrow's session.

Mr. Edwin Coates, Executive Secretary of the North Carolina Baptist Foundation, spoke to those in attendance and discussed being prepared, number one, in our salvation. He also discussed the need of each person to have a will and

the possibility of giving something to a Baptist cause through a will or through a trust fund.

Report on the Summer Camp was made by David Blackburn who invited and encouraged each church and each person in the Association to make use of this Summer Camp as it belongs to us and should be used. A motion to adopt this report was made by Sanford Howell, seconded by Jack Miller, voted on and carried. Discussion by Tommy Johnson who encouraged those churches that do not have any thing for the Summer Camp in the budget to consider making a contribution, no matter how small. Bill Ballou asked for a show of hands of those present who had not seen the Summer Camp. Several hands were raised.

The Sunday School Report of J. C. Ashley was given by Bill Ballou who moved for its adoption. Seconded by Mary Hardin, voted on and carried.

WMU Report of Mrs. Bonnie Troutman read by Bill Ballou who moved for its adoption, seconded by Tommy Johnson, voted on and carried.

The Brotherhood Report was given by Don Goodman, who moved for the adoption of the same, seconded by Jack Miller, voted on and carried.

The Church Music Report of Gerald Denny not yet received and Bill Ballou moved that this report be incorporated when received, seconded by Tommy Johnson, voted on and carried.

Vacation Bible School Report by Miss Mary Jordan was moved for adoption by Tam Arnold, seconded by Mary Hardin, voted on and carried. Bill Ballou encouraged churches to have their Bible School during the period of time public school is out instead of waiting until after school starts again, and when the Bible school is over to make a report promptly.

The Executive Committee report was made by Jimmy Griffin who moved for its adoption, seconded by Jack Miller, voted on and carried.

The hymn "What A Friend We Have In Jesus" was then sung and Rev. Ken Morris was asked to deliver the evening sermon. Rev. Morris read for his scripture the last three verses of Chapter 40 of Isaiah. He talked of the three kinds of people who are followers of God, but not in the same way. "There are those who come to Christ on wings of eagles, but they also know there are dark valleys. Some run faithfully but do not grow weary. Then there are those who walk, they cannot fly nor run, but keep on going". All three, he stated, can be Christians. He also discussed the person who will not accept a position in the church but when something goes wrong they are right there to criticize.

Guy Shatley thanked our friends at the Orion Church for hosting the first session of this year's meeting and especially the ladies for the wonderful meal.

Garrett Mahaffey offered the benediction.

Jeanie McNeill conducted the roll call of the churches with there being representatives from 34 churches present.

Rev. William Rice gave the report on Evangelism and moved for its adoption, seconded by Rev. Earl Sheets, voted on and carried.

Pastor's Conference Report was then given by Rev. Earl Sheets. Rev. Sheets urged all pastors to come and take part in these conferences. He also moved for the adoption of this report, seconded by Guy Neaves, voted on and carried.

Temperance and Public Morals Report was made by Rev. Paul Phipps, seconded by Carson Staley, voted on and carried.

Guy Shatley received a resounding "Amen" when he asked everyone who was against the evils of the world today and were willing to speak out against these things to say a loud Amen.

The Cooperative Program Report of Mr. W. B. Oliver, who was unable to be present due to illness, was read by Rev. Bill Ballou who moved for its adoption, seconded by Gene Adams, voted on and carried.

Those in attendance were then led in the singing of "More About Jesus".

Christian Education Reports were then commenced with Miss Sue Fitzgerald of Mars Hill College leading off. She thanked the Association for its support in all different ways, including prayers, financially and by sending our young people to a Baptist College or University. She stated that Mars Hill is seeking to help all those who come to the school. She also discussed the various types of Baptist materials available upon request.

Harry Sherwood, representative of Wingate College, was scheduled to speak but was at the last minute unable to attend. Rev. Bill Ballou talked briefly on Wingate College.

Bill Ballou discussed the WMU Program and the establishment of WMU in three additional churches during the past year. He also asked for a show of hands of the ladies present who do not have a WMU Program and encouraged these ladies to go back to their respective churches and see if possibly one could be established.

Since the meeting was running ahead of schedule Rev. Larry Lefler moved that we cover as much of the business session as possible, seconded by Rev. Ken Morris, voted on and carried. It was discussed that this might possibly give everyone a little more time to fellowship while waiting for the noon meal to be served.

Report on The Southern Baptist Annuity Program by Rev. Oren Bradley was next. Rev. Bradley encouraged the young preachers to get into the annuity program early as that increased the benefits should they be needed by the widow or family should something happen to the pastor or by him upon retirement. He said this is one way the churches can look after those who serve the Lord and give their lives to the ministry.

The Annuity Program Report was read by Bill Ballou who moved for its adoption, seconded by David Testerman, voted on and carried. There was also discussion by Revs. W. H. Caldwell and Ken Morris.

Pastor Retirement and Salary Report was made by Mrs. Zola Massey, who moved for the adoption of her report, seconded by W. H. Caldwell, voted on and carried.

The Proposed Budget was again presented by Mr. A. D. Goodman. After some discussion Mr. Goodman moved that this budget be adopted for the coming year, seconded by Kermit Goodman, voted on and carried.

The gathering then sang "When the Redeemed Are Gathering In".

Rev. Larry Lefler of Fletcher Memorial Church brought the morning sermon. He used John, chapter 19, verse 17 as his scripture. He spoke on those who followed Jesus as he was going to the cross, and how Jesus fulfilled every purpose for which he came. He stated "the cross was the altar of Jesus". "It is holy ground when we talk about calvary's cross".

Rev. W. H. Caldwell was called upon to give the benediction and ask the blessing on the food which was served by the ladies of the church in the Nathans Creek Elementary School cafeteria.

The AFTERNOON SESSION commenced with the singing of "At Calvary". Rev. Dupre Gowan read I John, chapter 1 for scripture and offered prayer.

Report on the American Bible Society of Rev. Bruce South, who had to leave due to an illness in the family, was given by Rev. Bill Ballou, who moved for its adoption, seconded by Russell Phillips, voted on and carried.

Again the gathering came to their feet and were led in the singing of "I Love to Tell the Story".

Rev. Earl Sheets, Sr., pastor of Clifton, brought the afternoon message. Rev. Sheets read Luke, chapter 2, commencing with the 41st verse. He spoke on Mary and Josph losing Jesus and first looking among relatives and friends and compared this to unsaved people looking to us, their relatives and friends, to show them the way. He also spoke on how we too can lose Jesus by not being in the house of God, by being cold and indifferent toward God in our prayer life, and by not witnessing. He stated "there is joy in serving the Lord but He did not say it would all be a bed of roses — there will be some thorns along the way".

During the business session the Time, Place and Preacher committee made their report. Rev. Earl Hartzog, chairman of this committee, reported that Friendship Church had asked for the Association to meet with them the first day next year, and Clifton Church had asked for the second day; which meetings will be the first Friday and Saturday in August. They selected Rev. Gene Adams to be the preacher the first day and Rev. Garrett Mahaffey to be his alternate.

The Resolutions Committee Report was made by Jimmy Griffin, who moved for the adoption of this report, seconded by Gene Adams, voted on and carried.

The election of organizational officers was next with Jack Miller making a motion that we elect all officers as listed in the program, seconded by Joe Blevins, voted on and carried.

A motion was made by Mr. A. D. Goodman to dispense with the reading of the minutes, seconded by Jack Miller, voted on and carried.

Guy Shatley thanked our friends at Welcome Home Church for hosting the second day of our meeting and a special thanks to the ladies of the church for the wonderful meal.

Rev. W. T. Brackett discused the ADAP Program in this county, and reported that we now have 86 mentally retarded adults. He asked that all pastors help to raise enough money in our home county to make it possible to obtain Federal Funds. He also reported that more financial support has come from the Catholic Church than any other denomination. He asked that we as Baptists show the love we talk and preach about by helping these people.

Rev. Tommy Johnson conducted the Memorial Service which was also the benediction. Rev. Johnson read the 63rd Psalm. He also offered the closing prayer.

BOOK OF REPORTS

REPORT OF THE DIRECTOR OF MISSIONS

The associational year of 1975-76 has been a most rewarding one for me as I have tried to serve our sixty churches. One outstanding trait of our people that has made serving such a joy for me has been the wonderful spirit of co-operation among our churches. Someone has described an association as "A Group of Churches On Mission Together" and I am made to see this borne out every day.

I feel that great progress has been made in our association this past year. Your support of Associational Missions has improved. The Lord has blessed us to be able to reduce the indebtedness on the parsonage from $5,000.00 to $1,800.00. Our people have been given opportunity to attend Workshops and Training Schools which have been of great value. A World Mission Conference has been planned for September 1977. We have been offering at least two Seminary Extension courses each year and hope to increase this. Our people are becoming better informed through these efforts.

During the past year I have driven more than 20,000 miles in my work; preached more than one-hundred sermons; assisted in 8 revivals; assisted in forty funeral services; visited local hospitals most every day; assisted in 3 World Mission Conferences across the state; attended a week-long seminar in Nashville; attended the Southern Baptist Convention in Norfolk, Virginia; prepared 300 copies of the Associational Calendar; prepared and mailed more than 8,000 Newsletters; prepared 300 copies of this Book of Reports; attended Pastor's Conference and Executive Committee meetings. Each Saturday morning I conduct the Associational News Program over our local radio station and also prepare a weekly column for our local paper.

It is a joy and a blessing to serve with you here in the Ashe Association. The purpose of the Association and your Director of Missions is to serve the churches. Help me to do that. Please call on me any time you feel I can be of assistance. Thank you for your support and cooperation this past year and let us continue to do together what we cannot do by ourselves.

Respectfully submitted,
William C. (Bill) Ballou

SCHOOL OF CHRISTIAN STUDIES (Seminary Extension)

In our School of Christian Studies this year, we offered two courses of study. The courses were: "Principles Of Preaching" taught by our Area Missionary, James Lambert; and "The Life Of Christ" taught by Bill Ballou.

It is our desire to offer at least two courses this coming associational year. The description and date of these courses will be announced soon.

It is also our desire to keep in mind and offer continuing education courses for pastors who have not had the privilege of college and Seminary training.

1976 BIBLICAL RECORDER REPORT

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge". Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment — how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continues to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great".

Louie D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life."

If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

SUNDAY SCHOOL REPORT

As we celebrate the two-hundreth birthday of our great nation this year, we need to pause and think of our Christian heritage. Let us give thanks to God for the privilege of living in this great land and for the freedom we have to worship as we choose.

It is not by fate that we enjoy the heritage of this nation and our religious heritage. Our forefathers gave their time and talents, many were persecuted and even put to death that we might enjoy the freedoms we have today. One such freedom is our Sunday School work. The Sunday Schools in our churches today are the results of prayerful, dedicated Christians giving their time and energies in teaching God's word.

We have had Teacher Improvement classes in our association this year, enabling us to expand our knowledge in the work of our Sunday Schools. We have, at our fingertips, almost any resource material needed in Sunday School work from the Sunday School Department.

Perhaps our greatest need is to have more people working with greater determination and living lives of willing service for the work of our Lord here on earth. May we, as God's people, cry out as the ancient prophet Isaiah did years ago, "Here am I, send me", so we might do a greater work for the Master.

Respectfully submitted,

J. C. Ashley

ASSOCIATIONAL PASTOR'S CONFERENCE

Pastors and ministers of our association have met each month in the past year. The conference was held in a different church each month. One of the greatest blessings we have enjoyed is the fellowship. Another great blessing that has come out of our meetings is the fact that on many occasions, prayer requests have been shared and we have seen those prayers answered.

Pastor's Conference attendance has not been what we would like it to be. Please let me urge every pastor to meet with us each month on the fourth Sunday at 11:00 a. m.

One of the highlights of our associational year was the "County-Wide Crusade" held at Ashe Central High School. Rev. Ridings did an outstanding job and we praise God for him and his ministry.

Rev. Earl Sheets, Sr.

1976 EVANGELISM REPORT

All churches have already received the booklet: Growth Evangelism: An Evangelism Planning Calendar for Pastors of Churches — 1976-77. It contains suggestions for various evangelism emphases for the local church for the coming year, including C.A.R.E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th State-wide Evangelism Conference at the Civic Center Auditorium, Asheville — Feb. 2-4, 1976. The theme was "Freedom in Christ". The response from many persons indicated that this conference was one of the best in several years.

Lay persons and pastors continue to respond to the emphasis on lay witness training through Lay Evangelism Schools. During the past 4½ years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations. During the last evenings of the 62 weeks of schools there have been 896 professions of faith made by youth and adults in their homes.

About 525 youth and adults attended the Youth Ministry Week — June 14-18 — at the North Carolina Baptist Assembly with the emphasis on youth evangelism, vocational guidance, and recreation. Fifty-three different types of decisions for Christ were made by youth.

12,000 youth, pastors, and adult leaders are expected to attend the 6th State-wide Youth Evangelism Night — Aug. 13 — at the Greensboro Coliseum. Barry Wood of Lubbock, Texas is the guest preacher, and Larry McFadden of Gainesville, Florida is the guest soloist. Follow-up work by pastors and adults is always done with youth who make decisions from communities across our state.

Two summer youth evangelism teams are directing youth revivals and youth witness training in eighteen churches across the state for a one week period in each church. Already there has been an excellent response and youth are making decisions for Christ.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family, Touch Ministry, Discipleship Groups, and Joy Explosion. W.O.W. — Win Our World — is included in this strategy and involves specific witness training for youth.

Good reports have been received on evangelism clinics in associations, revival meetings and city-wide crusades during the past months.

The 31st State-wide Evangelism Conference will be February 7 - 9, 1977 at the War Memorial Auditorium in Greensboro.

The churches of the association baptized 218 new converts during the 1975-76 associational year. We say, "To God be the glory."

Rev. William Rice

EXECUTIVE COMMITTEE REPORT

The Executive Committee has met on a regular schedule during the past year and has taken action on all business brought to its attention.

We feel progress has been made in some areas. The contributions from the churches, individual donations and the assistance from the Baptist State Convention have been sufficient in paying our expenses as well as reducing our note to $1,900.00. It is our prayer that this indebtedness can be eliminated in the near future. If each church in the association would prayerfully consider paying off this note it would only amount to $31.66 per church.

We wish to express our appreciation to the churches for the cooperation they have shown during the past year, to the individuals who made contributions, to our Director of Missions Rev. Bill Ballou, and to each one who has had a part in the associational work. The committee asks your continued support that we might have a debt free association in the coming year.

The executive committee has regularly scheduled meetings every two months on the third Thursday at 7:30 at designated churches. We invite any suggestions as to how we can do a better job for the association, or if you know of any business that needs the attention of the committee call any member or meet with us during these meetings.

In conclusion, we challenge each member of the Ashe Baptist Association to consider the needs of our association prayerfully and give it your full support. We know God will bless you for it.

Respectfully submitted,
Jimmy Griffin, Chairman
Executive Committee

BROTHERHOOD REPORT

This has been a good year for Men and Boy's work in the Ashe Baptist Association. Only a few of our churches have an organized program for men and boys, but those who do are accomplishing much for our Lord.

One of the highlights of the past year was the "See Wake Forest Day" in November. Brotherhood men and Royal Ambassador boys from all over North Carolina met at Wake Forest University. A special program was held in Wait Chapel and then a lunch was served at the fairgrounds. Then everyone went to Groves Stadium to see the football game between Wake Forest and Clemson. This event was sponsored by the Brotherhood Department.

A Central Training School was held at the West Jefferson Baptist Church March 1 and 2. Rev. Edwin Bullock was in charge of the Brotherhood Division of the school. This proved to be a very helpful and informative meeting for all concerned. Those attending enjoyed a very frank and open discussion on the problems of Church Brotherhood.

An active group of Men and Boys can be a tremendous asset to a church by promoting fellowship, lay witnessing, visitation, sponsoring youth activities and projects for church improvement. It is each Christian's duty to find a place to serve God through his church.

Respectfully submitted,
Don Goodman

ASSOCIATIONAL WMU REPORT

Our 1975-76 year has been a rewarding one with three additions to our WMU Association. The churches organizing were Round Knob, Clifton and Trinity. We were very thankful to receive these new members into our fellowship.

In September several of our Associational Directors attended a two-day Workshop at Mundo Vista Camp at Asheboro. Among the many activities some of our churches participated in this year was a Training Workshop held at Midway Baptist Church in October. The Workshop was led by our Associational WMU officers with all giving an informative training program.

The WMU of Friendship Baptist Church hosted our annual Spring meeting with several of our WMU groups attending. All those attending enjoyed the program and fellowship. The Directors of each WMU gave a report on what they had done this past year for missions in community and church as well as State, Home and Foreign missions.

The WMU's purpose is to serve our fellow men and promote missions around the world, so everyone will have the chance of hearing the Gospel of Jesus Christ.

Respectfully submitted,
Mrs. Bonnie Troutman

CHRISTIAN HIGHER EDUCATION REPORT

BAPTIST COLLEGES and BAPTIST HISTORY

A careful reading of North Carolina Baptist history reveals that the Baptist State Convention was organized primarily for the purpose of establishing a Baptist college. When the Convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptists wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in this state have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of Baptists embraces six other colleges in addition to Wake Forest; Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith,and Wingate. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

COOPERATION BETWEEN COLLEGES ad CHURCHES

It is not enough that N. C. Baptists have begun and now support six solleges and one university. As important as history and tradition are, they cannot substitute for warm, vital relationships in the present. The need for colleges and churches to give fresh attention to their partnership and their mutual dependence is always present. Listed below are some of the ways this partnership finds tangible expression year after year:

1. N. C. Baptists continue to support their colleges through the Cooperative Program and the Baptist College Day Offering on Father's Day.

2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist churches.

3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.

4. The colleges pledge to N. C. Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grants, loans and work scholarships are available.

5. Churches, pastors' conferences and associations invite the colleges to send students and faculty to speak and lead programs.

6. Baptist colleges are anxious to receive invitations to serve the churches and associations. Each of the colleges is prepared to send speakers upon request.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March of 1951, to five Homes and an excellent Nursing facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund Raising Effort to raise $1,000,000 for the construction of the Western N. C. Baptist Home in Asheville. In Sept., 1975, Brother Ralph Cannon, beloved pastor and Trustee of the Homes, was called by the Trustees to serve as Director of Development & Denominational Relations and has been leading the fund raising program for the Western N. C. Baptist Home in a remarkable way. He reports that the response from our Baptist pastors and people in Western N. C. has been most encouraging, and that there is every indication that we will reach the goal. We are grateful not only to those in Western N. C., but throughout the state, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

When completed, the Western N. C. Home in Asheville, will accommodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton, N. C.; the Yanceyville Home in Yanceyville to 280.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of N. C. Baptists make this Christian care and concern possible through two very vital sources — The Cooperative Program and the Special Offering for the Homes, received on the third Sunday of February each year. Through these sources more than 35% of the Homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every N. C. Baptist who makes them possible! Gifts this year, through these sources, are greater than ever before, and if we are to meet the overwhelming needs of older people in our midst, we must double and triple our efforts, both in numbers ministered to, and in support of them.

Close at hand is another venture in the development of the Homes which we're excited about — the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the Fall of 1977. Those interested in this phase of the ministry of Baptist Homes may contact Bill Poole, the Executive Director of the Homes, for information.

Respectfully submitted,
William A. Poole,
Executive Director

TEMPERANCE AND PUBLIC MORALS

After having read past reports in our Minutes on this subject, we realize that each report gives us more concern because we see a definite decline in the moral structure of our community and nation. We view today with much alarm; the wholesale murder and riots which are taking place on the streets of the major cities across our country. We often hear the question, "Why don't they do something about it?" The Lord's Day is becoming Pleasure Day all across our land and we hear the same question again, "Why don't they do something about it?"

Our news stands, radios, movie theaters and televisions display lewd pictures and stories that a short while ago would have been outlawed and the public would have rose up in unity to fight these things. And the same question is voiced again, "Why don't they do something about it?"

We believe that a general attitude of apathy and unwillingness to become involved on the part of our people leads to the often repeated question, "Why don't they do something about it?" We believe also that it is time Christians, with God's help, to start doing what we teach and preach

We suggest that we pledge our full support to our local law enforcement agencies in fighting the liquor traffic and to help in every way possible to put an end to the liquor traffic in our county and elsewhere. May we as Baptists, lead the way in being an example by leaving the bottle alone.

Respectfully submitted,
Rev. Paul Phipps

ANNUITY BOARD REPORT

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church related vocations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contriutions, taken together, are considered as funds held in trust by the ANNUITY BOARD. They now amount to $401,135,261. While this appears to be a great deal of money, this must be divided among the 40,000 annuitants and serve their lifetime, post retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,003. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A 13th Check issued in December, 1975 provided 8,221 annuitants with an extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to $733,585. It is called the 13th Check because it is over and above the 12 regular monthly payments.

The Annuity Board helps churches and SBC agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

ASHE BAPTIST SUMMER CAMP REPORT

Our Ashe Baptist Summer Camp has progressed successfully during the past year. It has been used by hundreds of Baptists throughout the county. It is being used for church meetings as well as for recreation and leisure. We thank God for the exposure it is getting and the glory God is receiving from it.

The "Mattie Parsons Memorial Building" is under construction at this time. The land has been cleared, footing dug and the walls have been laid up for the first floor. The first phase is nearing completion. The work has been done by Bobby Day Construction Company. Brother Day is a member of the Phoenix Baptist Church. We thank God and Ashe County Baptists for their support in project.

The Care-Taker for the grounds for this year is Mr. Micky Pugh, son of Mr. and Mrs. Bob Pugh, who are all members of the Healing Springs Baptist Church.

Mr. Ronnie Hopkins is our treasurer and is a member of the Bald Mountain Baptist Church. At the present time we have $2,479.56 in the general fund. A total of $8,000.00 will be needed to complete the first phase of the building. We are trusting God and stepping out on faith that we will meet this challenge.

Your Camp Committee desires your prayers as we strive to do God's will in this area. Pray that God will bless us in the coming year as He has in the past year.

David Blackburn, Director

PASTOR'S SALARY and RETIREMENT

The very title of this report is eye-catching! For those who receive and for those who pay. Perhaps the first thought the pastor has is, "I certainly could use more pay," and for most church members, "I wish we could do better by our pastor financially."

It is easy to see the needs of the pastor now and in the future, but it is quite another thing to do something constructive about it.

After talking with a number of pastors and laymen in our association, we found that much progress has been made in increases in salary for a few pastors, but there is still a long way to go for a great many. Every pastor that is already enrolled in the retirement plan with the Annuity Board of the Southern Baptist Convention assured us that they were very satisfied with the plans they had to offer. Only one pastor has been added to the retirement program in our association this past year bringing the total to 21.

Now for those who are looking for a better way financially for their church, we have heard preachers, teachers, and students of the Bible recommend tithing —and we surely believe this to be the teaching of the Bible. We also believe that after the individual has responded and brought his tithes and offerings into the store house of the Lord, that those in charge of the business affairs of our churches should carefully use these tithes and offerings wisely. First, the very heart beat of the church should be MISSIONS as commanded in Matt. 28:19-20. A budget worked out somewhat on the past year's finances and no matter how great or how small this total figure turns out to be, at least 10% of the total should first go to MISSIONS and in our case, since we are a part of the Southern Baptist Convention, this means the COOPERATIVE PROGRAM.

You may now be asking, "How do you know that this will improve my pastor's salary and retirement?" By the same authority that the Christian has been asked to tithe. The Bible says, "and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing". (Mal. 3:10) There are a number of churches that I know of who have followed this plan and today their pastors are the best paid and are in the retirement plan. I am sure our Director of Missions will be glad to help you work out a budget suitable for the needs of your church.

Perhaps we should be reminded that in I Timothy 5:8 we find these words, "But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel."

Let us then seek pastors who have been called of God into His service and worthy of a part of our tithes and offerings and each of us share the responsibility financially and spiritually by telling the Sweetest Story Ever Told of Jesus and His Love.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, on-going health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff, and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52, compared to a total of $390,000 for the preceeding fiscal year.

REPORT OF THE AMERICAN BIBLE SOCIETY

The Bicentennial of the American Revolution is here, and churches across the country are planning how they will participate in this great celebration.

The American Bible Society can help them, as it has in the past. The ABS (born in 1816) grew up with the new nation and made sure that its citizens had copies of God's Word to guide them.

Today the goal of the ABS is the same—the translation, publication, and distribution of the Scriptures in the language of the people, without doctrinal note or comment and without profit. As a vital resource agency to the churches, the ABS works with the United Bible Societies to provide the Scriptures to people throughout the world. The number of Scriptures distributed annually runs into the hundreds of millions of copies and continues to increase.

Here are the highlights of what the ABS and its partners did in 1975:

Translation and Publication Update

A milestone in the development of the common language translation will be reached late in 1976, when THE GOOD NEWS BIBLE, the entire Bible in today's English version, is published. To be released during the 160th anniversary year of the American Bible Society, this translation will be the Society's Bicentennial gift to the people of the United States.

Good News for New Readers — Two Years and Growing

The dilemma of the new reader unable to improve his reading skills for lack of materials is a problem familiar to the Bible Societies .The Societies feel that if "bridge materials" such as Goods News For New Readers Scripture Literacy Selections are not available, most new readers will return to illiteracy and never again have the opportunity to read God's Word.

New Reader Scripture Selections take a new reader from the primer level to a reading skill that will enable him to understand Scriptures in his or her own language.

Although Good News for New Readers is only two years old, it has already made its mark and attracted the interest of churches and governments. In North America and Europe, Scripture Literacy Selections are being brought to new readers in the first three levels of English and Spanish, as well as in French and Portuguese. In Africa, Good News for New Readers projects are underway in 53 languages spoken in almost half of the African countries.

A Way To The Word

In September of 1975, the ABS released a 16mm color film entitled *A Way To The Word.* Photographed on location in Brazil, Bolivia, Guatemala and Mexico, this film shows how the Scripture Literacy Selections are changing the lives of new readers in South America and around the world.

Scripture Distribution

Scripture distribution in the United States during 1975 reached a total of 109,469,781 copies, an increase of 11,181,000 over 1974.

An unusual opportunity for distribution of Scripture arose with the start of America's Freedom Train on a 21 month, 17,000 mile journey around the U. S. At stops along the way friends of the Bible Society presented copies of Scripture to the city's leading citizens as well as to visitors.

As the tenth anniversary of the publication of *Good News for Modern Man* approaches, distribution of this New Testament in Today's English Version has passed the fifty million mark. This is an achievement unmatched in (paperback) publishing history.

Scripture Imprints

Custom and imprinted Scriptures constitute a significant part of the Society's national distribution program. Requested especially by individuals and church organizations, these Scriptures are circulated in a variety of life situations, including sports events, state and county fairs and programs of evangelistic outreach. Of the 8.5 million Scripture Imprints produced by the ABS in 1975, 2,259,000 copies were imprinted for Southern Baptist churches and agencies.

Vietnamese Refugees

Answering requests of church groups working in the Vietnamese refugee centers, the ABS printed two Scripture Selections in Vietnamese on the theme of hope. Copies of Today's English Version of the New Testament were also distributed as an aid in teaching the refugees English.

ABS Service to the Southern Baptist Convention

The Bible Society is assisting the missionary activities of the Southern Baptist Convention in a variety of ways. Brazil's literacy organization, MOBRAL, considers the Good News for New Readers Selections to be the best available material for its students. In Hong Kong, churches launched a campaign to place a copy of Scripture in each home; the Bible Society aided this effort by publishing copies of Mark in Today's Chinese Version. In Kenya, The Kimeru people and the Ekegusii people among others, received up-to-date translations of the New Testament.

Eastern Europe Update

Eastern Europe poses special problems for the United Bible Societies, but the work of getting the Word into eager hands there is going on with encouraging results. In the last decade, almost 4.5 million copies of Scripture have been distributed throughout the Eastern European countries.

In Poland a vigorous program of distribution has developed, and the new Polish *Millenium* Bible, a long needed supplement to the less easily understood *Gdansk Bible*, has been published. The first edition of this Bible was printed on paper supplied by the Bible Societies.

Financial Support

For the American Bible Society, 1975 was a year of outstanding developments, but inflation continues to hamper progress. United Bible Societies projects in many countries have had to be postponed.

The Executive Committee of the United Bible Societies pledged $11.2 million for the support of its world-wide program in 1976, but more funds are needed for the continuation of the Societies' vital work. The ABS, therefore, must ask for increased support from the churches.

Contributions from churches in 1975 increased 9.4 per cent over last year to a total of $1,453,920. For this the American Bible Society is very grateful. Nearly 16.5 per cent of the total contributions is represented by the support of the Southern Baptist Convenion, a slight decrease from the previous year, as shown below:

1970	$233,185	1973	$253,857
1971	240,249	1974	254,802
1972	233,752	1975	238,554

The Southern Baptist Convention can help the Bible cause by raising its level of support to $ .03 per member per year. This increase of just $ .01 over the present level would provide $350,000 helping the Society significantly in pursuing today's expanded opportunities for sharing the Word, and fostering growth in ABS programs, particularly in the Good News For New Readers program.

We ask for your continued prayers, that the Bible Society, in partnership with the Southern Baptist Convention and other willing Christians, may perform even more effectively its task of bringing the Word of God to those who ask for it and need it.

STEWARDSHIP and COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style. One man said that as he turned his life over to the lordship of Christ and discovered the demands of discipleship, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and that they were to be used in trust to accomplish Christ's mission.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15% increase suggested by the state convention for the Cooperative Program and the increase suggested by the association for associational ministries.

During the past year the churches of our association gave $17,670.29 through the Cooperative Program, and our churches gave $14,948.25 for associational missions. Last year, 1126 churches increased their gifts through the Cooperative Program by 15% or more, and 4 associations in our state had 100% of their churches giving through the Cooperative Program.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association.

2. That a stewardship conference or Stewardship Decision Night be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.

3. That every church conduct a stewardship emphasis this year.

4. Every church in the association giving something through the Cooperative Program for world mission support, EVERY month.

5. Every church in the assocation increasing the percentage of the total budget income given through the Cooperative Program.

6. Every church in the association giving the suggested amount for the support of associational missions, EVERY month.

7. Have a special prayer for some Cooperative Program ministries during every service in each church during the month of October.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

In a tract that came across the Foundation desk during the past year was a note about the will of the famous financier J. Pierpoint Morgan. It is reported to have contained 10,000 words and incorporated 37 different articles of instruction, all of which were necessary because a vast fortune has to be properly dispersed. What Morgan valued most, however, was indicated by the opening statement of that legal document. It read, "I commit my soul to the hands of my Savior, full of confidence that, having redeemed it and washed it with His most precious blood, He will present it faultless before the throne of my Heavenly Father. I entreat my children to defend, at all hazard . . . the blessed doctrine of complete atonement for sin through the blood of Jesus Christ once offered, and through that alone."

What a testimony! This wealthy man recognized that of everything he owned, his most valued "possession" was the priceless gift of salvation. Paul, in II Corinthians 12:4, says "I seek not *yours* but you." As we think of Christian stewardship, we are accustomed to thinking first about giving or raising money. Christian stewardship is not primarily a *means* for raising money, but a plan for making the right kind of men.

During the 1975-1976 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who had received financial assistance years ago from our Baptist Hospital, a $29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

The children of one family, upon the settlement of the estate of their father, placed all the residence of the estate with the Foundation to establish a trust in memory of their parents for Foreign Mission support. Their Mother and Dad had long been interested in this area of our Christian ministry.

A widow tithed the estate of her recently deceased husband to provide an educational scholarship for a student in Christian education in one of our Baptist Colleges. Another husband and wife began a trust "To the Glory of God and in Honor of our Pastor." This was but the beginning of a *Book of Honor for North Carolina Pastors and Missionaries* with income to go toward all mission efforts of our denomination through the Cooperative Program. The value of the principal has increased sixty times already since the first gift and several pastors and missionaries have been remembered in this expression of love.

A widow has established a living trust turning over all of her property and financial assets for the remainder of her life, reserving the right to income, and upon her death it will then be divided among several institutions and mission causes, one of which will be mission ministries in the local association.

New additions during the 1975-1976 year to the North Carolina Baptist Foundation assets held for our institutions and missions totaled $210,147.17. This amount combined with the market value of real estate (including the Yanceyville unit of the N. C. Baptist Homes, Inc.), annuity trusts, and the Foundation Common Trust Fund brings the total market value of assets, as of June 30, 1976, to $2,946,044.49.

The income from Foundation trust funds paid to beneficiaries during 1975-1976 was $157,069.28. In previous years the Foundation had paid to beneficiaries $1,018,414.76. The total paid through June 30, 1976 now has reached $1,175,484.04.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise $480,270.73 of the total value of the Foundation assets.

Edwin S. Coates, Executive Sec.

THE STATE OF STATE MISSIONS

1976 has been a year of cooperation. The celebration of the American Bicentennial emphasized the cooperative spirit of this nation. What Americans share in common outweighs their diversity. We are a United States because we are cooperative states.

Cooperation and diversity are cherished principles among Baptists. One hundred forty years before the nation's beginning a Baptist leader, Roger Williams, opposed coercion in matters of religion. The broad principles of religious liberty, later guaranteed to all Americans, led to the founding of Rhode Island. Three years later, in 1639, the First Baptist Church in America was established there.

Cooperation and diversity are also basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together ". . . to promote missions, evangelism, education, social services." (Constitution, Article II). The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign missions. Mission programs in distant areas depend upon the strength of the "sending churches" back home. Overseas and national missions look to the churches for prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past several years State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support. The Church Program departments—Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood—are wholly committed to these tasks.

A second major program of State Missions are the "direct mission" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Inter-racial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, are usually a joint project of area churches, Associational Missions, State Missions, and Home Missions. In fact, the vast majority of Home Mission projects in North Carolina are financed 64 per cent by State Missions.

State Missions are supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is $400,000. The offering distribution, approved by the 1975 Baptist State Convention, is as follows:

$175,000	Basic State Mission Budget
43,000	Fruitland Classroom Building
72,000	Caraway Conference Center
10,000	Special Mission Projects
100,000	Baptist Assembly (Caswell)

RESOLUTIONS COMMITTEE REPORT

Whereas, the churches of the Ashe Baptist Association, having had the opportunity to use the facilities of Orion Baptist Church on August 6, 1976 and Welcome Home Baptist Church on August 7, 1976 to hold its Ninetieth Annual Session — be it therefore resolved that . . .

1. We express our appreciation to these churches for being such wonderful hosts in providing for our every need, also to the pastors Rev. Bill Burchett and Frank Tucker.

2. We express our appreciation for the planning and the presentation of the program; for the inspiration from the speakers, and for all the information we have received.

3. We express our appreciation to Pastors, the Associational Officers, and to each one who has had a part in the Associational work this past year.

4. That we give special recognition to our Director of Missions, Rev. Bill Ballou, for the wonderful work he has performed.

5. That we extend our appreciation to Pastors and Delegates for the fine spirit of cooperation they have shown during this Associational Meeting.

6. That we give thanks to our Lord for His marvelous love and for the many blessings we have received in the past year. As we are already in a new Associational year, let us be more dedicated and be better witnesses in advancing the Kingdom of our Lord and Savior.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Piedmont Area

As our nation enters its third century, we are reminded that its future is in its children. We have no greater national need than strength of character and wholeness of persons in our citizens. Yet, too many children, through family tragedy or breakdown or weakness, are deprived of the growing experiences so essential to wholeness of life.

The purpose of the Baptist Children's Homes of North Carolina is to help make up this loss through a Christian ministry of quality child care. Emergency Care is offered the child who needs immediate short-term care to provide time for a more permanent plan. Group Care is offered the child who needs the multiple relationships which a group of his peers and a staff of Christian professionals can provide.

Foster Care is offered the pre-schooler and the older child who needs the closer relationships of a family setting. Maternity Care is offered the unwed Mother and her child. Pre-school care and education are offered a select group of younger children. Consultation in child development and family life education is offered to churches concerned for families and children in their communities. Varied planning and counseling services are offered to families in stress.

In each of these services, the focus is on the whole family; the motivation is Christian love; the aim is wholeness and health for the persons served.

To make these varied services available to families and children, a statewide network of facilities and programs has emerged. Indian Beach, Kinston, Pembroke, Fayetteville, Raleigh, Burlington, Wallburg, Thomasville, Charlotte, Forest City, Asheville, Waynesville — each site is a base of operations from which families in need can secure assistance. Furthermore, the staff is prepared to call on the additional resources of religious, educational, medical, psychological, recreational, and social service personnel in the communities to help persons grow to their full potential.

No greater investment can be made in the future of God's Kingdom or in the future of America than to invest in children. Your support of missions through the Cooperative Program is the lifeline of the Baptist Children's Homes. Your special gift at Thanksgiving further guarantees the continuance of Christian child care. The staff and children of the Baptist Children's Homes pledge ourselves to make the most of the opportunity your investment provides.

NORTH CAROLINA CHRISTIAN ACTION LEAGUE

This past year the North Carolina Christian Action League has been involved with the problem of hard core pornography, massage parlors, and beer and wine sales. An anti-obscenity and pornography ordinance has been drafted by our attorney, Mr. Allen Bailey, in cooperation with lawyers from Citizens For Decency Through Law. This ordinance covers hard core pornography as it has been defined by the Supreme Court. The Supreme Court has also ruled that such matters are not covered by the First Amendment guarantees. The ordinance has been adopted in several N. C. cities and counties and is under serious consideration in other places in the state. Since this ordinance covers only a city, town, or county where it is adopted, we are seeking the passage of a state-wide ordinance that would regulate the material that comes under the preview of the Supreme Court ruling. We recommend that you contact the candidates for the General Assembly in your district and ask for their support for a stronger obscenity regulating statute. It is essential that all candidates make their position clear on issues affecting public morality. Christian men and women are running for office. We must let them know that the people of North Carolina want something better. Our legislators can give us a better law. They must do it. They will respond to our efforts. Let's let them know.

We regret to report that in spite of strong opposition by state and local Christian Action League leaders, Miller Brewing Company has purchased 1,600 acres and is in the process of building a $130,000,000.00 brewery in Eden, N. C. The company has promised to put the name "Eden" on every can and bottle produced at the plant. Just think of "beer from Eden". In line with this increased production, efforts are being made to open up more outlets for retail sales in the state which will increase the number of permits from the present 29,899. Is this an example of the need for more united action against the evils of alcohol?

We are grateful for the victories that have been won. Some failures are acknowledged because people have been deceived by the so-called fantastic profits from the sale of beverage alcohol and have voted for legalizing it.

The Christian Action League is your voice on the state-wide level. We speak for you as we seek to deliver God's message of condemnation on the beverage alcohol industry. We are grateful for your support and we need your continuing support. The work of the League can be put on a firm foundation by budget suport from the churches across the state. You are urged to support the League in this way and with your prayers for God's guidance in the work we seek to do. It is God's work that we are doing. We work for Him as we speak for you.

Again we thank you for your cooperation and support and prayers.

Respectfully submitted,

Christian Action League of N. C.

1976 REPORT OF THE CHRISTIAN LIFE COUNCIL

The emphasis of the Christian Life Council in 1976 has been twofold: citizenship and family relationships.

In January a bicentennial packet was mailed to every North Carolina Baptist pastor. In addition, a number of sermons and conferences have dealt with Christian Citizenship. Six tracts on citizenship were written and printed and are available for local church use.

A major concern for the Christian home has prompted the Council to distribute over 150,000 pieces of literature relative to the family. Over a hundred sermons on the home were preached and a number of conferencse were conducted.

A Workshop for Youth Ministers was co-sponsored with the Youth Ministries Section.

A Single Adult Conference is scheduled for October 29 - 31 in Charlotte.

One of the most exciting deveiopments is the creation of the Department of Christian Family Life. W. Douglas Cole will head this department which will be a part of the Christian Life Council.

The Council continues to serve as a research, resource and referral agency for North Carolina Baptists regarding applied Christianity. Dozens of requests are received and answered from Baptists pertaining to every day life situations.

The Christian Life Council's reason for existence centers on the concept of helping those who call Him "Lord, Lord" to know and do His commandments.

Abstracts of Principles

1. We believe in one true and living God, and that there are three persons in the God-Head: the Father, the Son and the Holy Gost, and these three are One.

2. We believe that the Bible, the Old and New Testament, is the Word of God and the only rule of faith and practice.

3. We believe in the impotency of man and the soverignty of God.

4. We believe that Salvation is by Grace through Faith in our Lord Jesus Christ.

5. We believe that Baptism and the Lord's Supper are ordinances instituted by Jesus to be practiced only by believers in their spiritual order.

6. We believe that Baptism is the immersion of a believer in water by a qualified administrator, and that those who are thus bapitzed and are in fellowship with the church in feeling and doctrine should take the Lord's Supper.

7. We believe in the final perseverance of the Saints in Grace and Glory.

8. We believe in the resurrection of the dead and general judgement.

9. We believe that the existence of the righteous and the wicked will both be of eternal duration, and that the happiness of the righteous and the punishment of the wicked will both be eternal.

Rules Of Order

1. Every session shall be opened and closed by prayer.

2. When the Moderator calls the house to order, every member shall at once shall take his seat.

3. When a member wishes to speak, he shall rise and address the Moderator, and not proceed until he is recognized.

4. No member shall speak more than twice on any subject except by permission of the body.

5. It shall be counted disorder for any member to stand up, leave the house or hold private conversation while any person is speaking.

Church Covenant

Having been led as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Gost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into this covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church and the relief of the poor; and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealing, faithful in our engagements, and exemplary in our department; to avoid all tattling, back biting and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense but always ready for reconciliation, and mindful of the rule of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's Word.

PROCEEDINGS OF

THE ASHE BAPTIST ASSOCIATIONAL MEETING

NINETY-FIRST ANNUAL SESSION

Held Friday, August 5, 1977

AT FRIENDSHIP BAPTIST CHURCH

The Ashe Baptist Association met for the first day of its ninety-first annual session on 5 August 1977 and was hosted for the afternoon session, evening meal and night session by Friendship Baptist Church. The meeting was commenced by the singing of "Praise Him, Praise Him" led by Rev. Guy Shatley and his daughter, Tammy. The theme for this year's session is "Let The Church Reach Out".

The devotion and welcome was given by host pastor, Rev. Tommy Johnson. He read First Corinthians, Chapter 13, dealing with "faith, hope and charity", and Rev. Johnson also offered the opening prayer.

Moderator, George West called the meeting to order and expressed appreciation to Friendship and its pastor for being so kind as to take care of the associational meetings so often. Brother West then declared the ninety-first session of the association open for business.

The delegates were recognized and seated and the alternates were also recognized.

The order of business as set out in the program was adopted.

Visitors were then recognized and this indluded: Rev. Tom Greene of the Cooperative Program, Rev. Woodrow Hill, Assistant Editor of the "Biblical Recorder", Dr. Cecil Ray, General Secretary and Treasurer from Raleigh, Clyde Morris, a member in the South Fork Association, Rev. Calvin Knight from the N. C. Baptist Hospital, Rev. Sam O'Neal of the Retirement Planning Department of the Annuity Board.

All pastors were then asked to stand and be recognized and the following new pastors were recognized: Ray Minton of Midway Baptist Church, Charlie McCoy, Jerry Burleson of Warrensville Church, Joe R. Blevins of Chestnut Hill, and Rex Foster of Trinity.

Retired pastors were recognized with Rev. John Goodman and Rev. E. Z. Sexton were present. Rev. Sexton will be 92 years of age in February.

Brother Ed Witherspoon was present and recognized, he being 84 years old.

Rev. Guy Shatley, Vice-Moderator was asked to stand and be recognized.

Rev. Herbert Caldwell made a motion that the Committee Appointments as announced be adopted, seconed by Rev. Guy Shatley, voted on and carried.

Roll call of the churches was then conducted by the Associational Clerk and 42 churches had delegates present.

The congregation was then led in the singing of "Send the Light".

Moderator West announced it was time for the election of officers and asked that Brother W. B. Oliver come and conduct this election.

Rev. Willie Sexton made the motion that we retain George West as Moderator and Guy Shatley as Vice-Moderator. This motion was seconed by Herbert Caldwell and there being no other nominations, was approved.

Rev. Ray Minton moved that Jeanie McNeill be retained as Clerk-Treasurer, seconed by Frank Tucker, voted on and carried.

Rev. John Goodman gave a report of the Baptist Hospital and moved for the adoption of this report, seconed by Bill Burchette, voted on and carried.

Rev. Calvin Knight of the North Carolina Baptist Hospital reminded us that "the Lord commissioned us to help the sick as well as preach the gosple". He also discussed briefly the Nursery Intensive Care Unit, Cardiac Department, Kidney Dialysis Department, the new field of patient education, and others.

Report on Cooperative Program was given by Mr. W. B. Oliver who moved for the adoption of the same, seconed by Robert Blevins, voted on and carried.

Rev. Tom Greene of the Cooperative Program discussed the Cooperative Program and reported that this will be the last annual associational meeting he will attend in his present position. He will be going to the business office and asked that we do three things: (1) "That you will try to lead the church of which you are a member to adequately support your pastor", (2) that the first check the church writes each month be for ten per cent to 50 per cent of the offering to go through the cooperative program, and (3) that the second check the church writes each month be for the suggested amount to the Ashe Baptist Association. "Let us not ask what will be in it for us if we do this - Jesus said ' if you love me, you will do what I say'." This is one way to say to God, "Lord, I love you".

Report on the Biblical Recorder of Ralph Davis, who was absent, was moved for adoption, as set out in the program, by Bill Burchette, Seconed by W. H. Caldwell, voted on and carried.

Rev. Woodrow Hill, Assistant Editor of the Biblical Recorder, discussed "Bold Missions" and our future. He said we ought to recognize "That Southern Baptist have six seminaries which are bursting at the seams and we do not have Baptist churches to send these people to". He encouraged the churches to send the Biblical Recorder to all its resident members so that Baptists might be better informed.

Rev. Alex Booth, Director of the Fruitland Baptist Bible Institute, discussed with the gathering the Institute and stated the purpose of the school is unique. "It is so unique that few people comprehend it. It is not a college and not a seminary and it never hopes to be. We do not need another college or seminary. Fruitland is provided for men who have been in a vocation for several years and then yielded to the call of a church related vocation." He invited everyone to come to Fruitland for a visit and see first hand what it really is. He also stated that twenty-four different courses are offered. He further stated "you can support Fruitland best by supporting the total Mission Program through the Cooperative Program".

Those in attendance were asked to stand and join in the singing of "Glory to His Name".

Bob Calhoun, local representative to N. C. Baptist Homes for the Aging, moved that his report as printed in the program be adopted without his reading in order to save time. Seconed by Guy Shatley, voted on and carried. Bob recognized Mrs. Gertrude Waddell, former local representative, and talked briefly about the appreciation and concern we should have for our aging people, especially those who do not have anyone to care for them.

Rev. Bill Poole, Executive Director of the Baptist Homes for the Aging was present and spoke briefly. He asked for our prayers in this time of great need of care of these homes. He stated "two hundred thirty people are now being helped in these homes. Approximately ten per cent of these can pay their way and ninety per cent depend on love offerings".

Raymond Riddle was not present to give his report on the Children's Homes and Rev. Bill Burchette moved for the adoption of his report as printed in the program, seconed by W. B. Oliver, voted on and carried.

Mr. Clyde J. Morris of the Baptist Children's Homes of North Carolina, Inc. spoke on child care in North Carolina. He stated that "child care is certainly not the physical, ... it is not the rooms, not the meals, not the growth in social graces, . . . it is not the education, but they are offered oportunities for development of the mind God has given these children. It is love and affection where emotional stability is established through Christian discipline. Love and affection is the emotional key to these young boys and girls". We now have four campuses plus two outward bound centers for emergency programs. The average stay of a boy or girl is about twenty-seven months.

Mr. A. D. Goodman gave his report on the Annuity and Retirement. He encouraged the churches who do not have their pastor in the annuity program to please consider doing this. Rev. W. H. Caldwell moved for the adoption of his report, seconded by Rev. Guy Shatley, voted on and carried.

Rev. Sam O'Neal of the Retirement Planning Department of the Annuity Board discussed this further. He asked, "what are we going to be doing for that minister who has spent his life for the church"? He said we have allowed many of our pastors to serve the Lord and serve us all these years and then go out with nothing to live on, without the dignity they rightly deserve.

The hymn "Higher Ground" was then sung by those in attendance.

Dr. Cecil Ray, General Secretary and Treasurer of the Baptist State Convention, brought the afternoon message. This was Dr. Ray's first visit with our association. He stated some of our commitments to be (1) "by the year 2000 to tell the whole world about Jesus. (2) We will place at the reach of every person in these 50 states of our nation a church. There is one Baptist church for every 1500 people who live in this state. In our nation one Baptist church for every 6500 people, and in the New England section one Baptist church for every 250,000 people". Dr. Ray said "let us pray for another miracle that we may be able to do all the things we have promised God and that the spirit of awaking might be really fulfilled". He stated further, "Bold Missions depends upon the miracle of spiritual awaking". He also reported that fewer people were won to the Lord in North Carolina last year than in any year in the past 30 years. Dr. Ray asked that we also pray for the miracle of greater giving. "Giving to a Christian is the same thing as breathing to the body. A church is not a church without giving and Christian living is not living without giving".

Rev. Tommy Johnson gave the benediction and asked the blessing on the evening meal.

The ladies of Friendship Church Served a delicious and abundant meal to those in attendance for the Association.

The evening session commenced with Rev. Bill Ballou and Tammy Davis leading in the singing of "The Light Of The World Is Jesus".

He stated there are 120 representatives in the House in Raleigh and this district has three representing it. He also reported that the 1977 General Assembly passed a tough pornography bill. He suggested that each church in this association send a resolution signed by the church body opposing the liquor by the drink bill to be brought out in the General Assembly again and urging our representatives to vote against this bill.

Everyone then joined in the singing of "Heaven Came Down and Glory Filled My Soul".

Rev. Eugene Adams, Pastor of Old Fields Church, brought the evening message, using scripture from Acts 17:19-33. He spoke on Paul witnessing to the people in Athens and being taken before the counsel. "They thought Paul was bringing them some new type demon. They were interested, most interested, in his doctrine - what he believed in and why." Rev. Adams explained further, "Paul knew God and wanted these people to know God as well. At one time in Athens there was said to have been approximately 30,000 different objects of worship." Rev. Adams added, "There is not a more blessed feeling in the world than to see someone get on their knees and accept Christ". He asked, "When was the last time you knocked on someone's door and said 'let me tell you about Jesus'." His closing remarks were, "my prayer is that you not be ashamed of God, and that you tell people about the word of God".

Rev. Adams offered prayer.

George West thanked the ladies of Friendship Church for the fine meal and called on Guy Shatley to give the closing prayer.

BOOK OF REPORTS

REPORT OF THE DIRECTOR OF MISSIONS

I am happy to report that it was a good year for our association which ended on June 30, 1977.

The fellowship within the churches is good and our churches have worked well together in the various associational efforts which called for a joint effort on the part of all churches. During the year we conducted several Workshops and Training Programs to better prepare leaders for their work in the churches.

Local church support of Associational Missions has improved during the past year. There were 13 churches who made no contribution at all during the year, but we are hopeful that these churches will prayerfully consider joining their sister churches in this local missions effort. We are happy and thankful that our association is debt free and that several improvements have been made on the associational parsonage.

September 11-18 marks the date for our World Missions Conference with 21 churches participating. Foreign; Home; State and associational missionaries will be coming to share with our people what God is doing on their field of work.

During the past year I have driven more than 23,000 miles in my work. During the year I assisted in 5 "Win Schools"; 9 revivals; 50 funeral services; 5 Vacation Bible Schools; 6 ordination services and 6 weddings. I assisted in 3 World Mission Conferences across the state; State VBS Clinic at Ridgecrest; and state Brotherhood & Church Training meetings. I attended the Southern Baptist Convention in Kansas City and the Director Of Missions Summer Conference at Wingate College.

I have prepared a weekly news report for the local newspaper; conducted a weekly program on our local radio station; prepared and mailed 600 Newsletters; published an Associational Calendar in December; served as chaplain at local hospital; conducted radio meditations and attended Baptist Pastor's Conference as well as Ashe County Ministerial Conferences. Also, I attended the Baptist State Convention and Evangelism Conference.

God has chosen to use me in this particular type ministery. I seek to serve God through His church. To that end am I dedicated.

"O magnify the Lord with me, and let us exalt His name together" Psalms 34:3

1977 BIBLICAL RECORDER REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptist is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust", and the success of the venture is yet to be determined. Without adequate communication channels, the program cannot succeed. The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Savior, and then leading them to understand His Lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N. C. receive the BIBLICAL RECORDER weekly. If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by N. C. Baptist. No investment pays greater dividends.

SUNDAY SCHOOL REPORT

Our Sunday School work began the decade of the 70's with the objective to reach and teach every individual on an individual basis. With the decade almost two-thirds gone, and seeing the changes that time has made, we are being made more aware of the great need for Christian education. The Sunday Schools of our churches play a great part in this need, but teaching must be done in a fraction of the time required for scholastic education. This is the reason our Sunday Schools of today must be more efficient than in times past if we are to meet the challenge at hand.

The training school for Sunday School leaders and teachers proved to be very helpful this year. We also have the latest resource and teaching materials available to us from the Sunday School Department. Yet' to meet the demand placed upon it, our Sunday School, as with all other church organizations, must have dedicated teachers and leaders who will work with greater determination to make the dreams of our Sunday School work become a reality.

J. C. Ashley

ASSOCIATIONAL PASTOR'S CONFERENCE

Pastors and ministers of our association have met each month during this past associational year. Attendance has improved but we would like to see each pastor present each month. We enjoy a wonderful fellowship as we meet with one of our churches on the fourth Saturday in each month.

In addition to our monthly meeting, each quarter we have a Fellowship Supper usually in a local resturant. This always proves to be a blessing to those present, especially to the ladies since this gets them out of the kitchen.

Please let me urge all pastors to meet with us each month. Your associational calendar carries the date, place and speaker.

Respectfully submitted,
Rev. Earl Sheets, Sr.

1977 EVANGELISM REPORT

The Pastor's Evangelism Planbook 1977-79: EVANGELIZING AND CONGREGATIONALIZING has already been sent to all churches. It ncludes various emphasis on the Evangelistic Church On Bold Mission. Additional information on this theme will be shared with pastors and church leaders.

"Bold In Creative Witness" was the theme of the 31st. Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week - June 13-17, and many different types of discussions for Christ were made public by youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors, and adult leaders are planning to attend the 7th. Statewide Youth Evangelism Night - August 19 - at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida were the guest preacher and soloist. All youth who made decisions for Christ are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state. Good reports on revival meetings and city-wide crusades have been received.

The 32nd. Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

The churches of the Ashe Baptist Association baptised 168 new converts during the 1976-77 associational year.

Respectfully submitted,
Rev. Tommy Johnson
Chairman of Evangelism

EXECUTIVE COMMITTEE REPORT

The Executive Committee has met on a regular schedule during the past year with one exception due to severe winter weather. The Committee has taken action on all business brought to its attention.

We feel God has blessed us in many ways in the past Associational year. Contributions from the churches and assistance from the Baptist State Convention have been sufficient in meeting our expenses. Also our prayers have been answered in that we were able to pay off our indebtedness, and have become a debt free Association again.

We are not saying that it has been smooth sailing all year. In fact, it has been very difficult at times. Once we had to make a special plea to the churches for financial help. If contributions could be paid monthly it would help our Treasurer in meeting bills when they become due.

We wish to express appreciation to the churches for the co-operation they have shown during the past year and to each one who has had a part in associational work. We also wish to give special recognition to our Director of Missions, Rev. Bill Ballou for the wonderful work he has performed and for his co-operation the times we have been unable to pay his salary when it was due.

The Executive Committee has regularly scheduled meetings every two months on the 3rd Thursday at 7:30 p.m. at designated churches. The Committee consists of Pastors, one lay member from each church, and the chairman or director of each committee or organization in the Association. If your church has not elected a committee member as yet, would you prayerfully consider this. It is very important all churches be represented at the committee meetings.

In conclusion, we challenge each member of the Ashe Baptist Association to consider the needs of our Association prayerfully and give it our best support for an even more successful year. God has many blessings in store for those who are willing to carry out his work.

Respectfully submitted,
Jimmy Griffin, Chairman
Executive Committee

BROTHERHOOD REPORT

This has not been a very good year for Brotherhood and Royal Ambassadors in our association because of the small number of churches involved in this work. For those who are involved in Baptist Men and Royal Ambassador work, who can measure the impact made on the lives of young boys or the good accomplished by Baptist men, meeting together, working together and studying together.

Bro. Edwin Bullock of the State Brotherhood Department met with the Brotherhood of our association at West Jefferson during the Central Training School. He led the group in a discussion of ways to promote God's work through Baptist Men and Boys, working together.

Brotherhood and Royal Ambassador membership and active participation ar. on the upswing in North Carolina. It is our prayer that this upswing will spread into the Ashe Association beginning with this meeting. Baptist men in North Carolina are doing things to promote Christ's Kingdom at home and overseas. During this summer, Baptist Men have built two churches with volunteer labor. If Baptist Men can build church buildings on oversea islands, think what a group of dedicated, organized men could do in your church.

At the Baptist Men's board meeting at Camp Caraway in February of this year, I listened to the leaders of Baptist Men's Groups tell of their experiences in Lay Witmessing, Prison Ministery, Campground Ministery and many other fields. This was an inspiring experience to hear of the great work being done by our men.

In Matthew; chapter nine, verses 37-38 we read: The harvest is truly plenteous but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

Respectfully submitted,
Don. M. Goodman

ASSOCIATIONAL WMU REPORT

Our 1976-77 WMU year has been a goon one.

We started out by several of our directors attending the workshop for Associational leaders at Mundo Vista.

In September there was a State sponsored workshop at the First Baptist Church in Wilkesboro. Several of our churches had WMU members to attend.

The G. A. Day Camp was held in October and was well attended by our G. A. Girls.

Also in October our Leadership Training was at the Warrensville Church. Our Associational Directors led in this conference.

In March a Central Training School was held at West Jefferson Baptist Church. Mrs. Oran Bradley from Mt. Airy led in this conference.

Then in April, our Annual WMU Meeting was at West Jefferson First Baptist Church. Mrs. Peggy Pinkerton was our speaker. She is with the Home Mission Board and works in Winston-Salem in Christian Social Ministeries. We had good reports from all the WMU Directors that let us know that our ladies have been busy this past year.

All our meetings were well attended. We were encouraged all through the year to make "Know Bodies" out of all our members by making them aware of what our WMU ladies are doing.

May we as a WMU continue to serve our fellow men and promote Missions at home and around the world.

Respectfully submitted,
Mrs. Virginia Gowan

CHRISTIAN HIGHER EDUCATION REPORT

Baptist of N. C. are deeply involved in the ministry of Christian Higher Education through the support of 6 colleges and 1 university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist Colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist College.

Most of the students attending a N. C. Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian College. An offering is received on Father's Day each year to provide aid for N. C. Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

N. C. Baptist Colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptist a vital and successful ministry.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in your N. C. Baptist Homes for the Aging has been one of the fullest and most exciting in the 26 years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than 1,000 people from our Western North Carolina Baptist Churches, as well as many others throughout the State, were present.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accomodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will be ready for occupancy in the fall of 1977. Sixty-six more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the 3rd Sunday of February offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The future of our North Carolina Baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older oeople in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

TEMPERANCE AND PUBLIC MORALS

From one year to another in this decade of the 70's, we see building, at an unprecedented pace, a society that condones and even glamorizes that which God has condemned. Anita Bryant, in her recent campaign against homosexuality, made the comment, "Vice is becoming virtuous while God is being degraded". We need to pray for Anita and others who are willing to lay down life-long careers to make a stand for morality in our country. Homosexuality is infiltrating every city as 17 million now claim this form of life-style, and homosexuals are being ordained as ministers while God's word clearly states they shall not inherit the kingdom of God.

The pornographic capital of the world is no longer Denmark, but America. It has been said that God will have to apologize to Sodom and Gomorrah if he does not punish America.

Drug addiction is a major problem. Drug addicts total 10 million and 17 billion dollars was invested in narcotics last year. There are also 9 million alcoholics in the land and one-half million of these are teenagers.

Modern television pampers, promotes, and indeed seems to encourage the trend of wickedness that is flooding America today. At 18 one has watched 18,000 hours of executions, floggings, hangings, beheadings, burnings and chain saw murders. Research has proven that a definite relationship exists between television and violence.

People are afraid to walk on the streets at night; older people are afraid to leave their homes in our larger cities as teenage gangs are robbing, beating and murdering in large numbers.

We, in the past, would hear of these happenings in distant cities and comfortably say "That will never happen here". We can no longer make this comment. In Proverbs 14:34 we read "Rightenousness exalteth a nation, but sin is a reproach to any people". Christians have the biggest battle ever. We must take on the whole armor of God in these days and speak out against the corruption around us.

Rev. Paul Phipps

ANNUITY BOARD REPORT

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the State Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Donald H. Morgan, president of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than $158 million in retirement and protection benefits.

A 13th. check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to $830,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,-218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

In North Carolina as of March 31, 1977, 2787 staff members of 2196 churches and associations are participating in the Southern Baptist Retirement Program; 2491 in the Family Benefit Section; 1275 in the Age Security Section and 240 in the Variable Benefit Section.

Your church can provide for your pastor's retirement on a $4,000.00 salary basis for as little as $33.33 per month or on a lesser salary basis.

The following local churches are providing this coverage for their pastors.

ASHE BAPTIST SUMMER CAMP REPORT

We thank God for our caom and the success we have had during the past year. It has been quiet a lot this spring and summer.

The Mattie Parsons Memorial Building is of now under roof and dried out. It is locked for your protection. The keys can be received from Brother Bill and the building can now be used as an emergency sleeping area. It is hoped by next year that it willbe completed. This is up to you as Ashe Baptists. We are out of money and need your help.

On August 19, The Singing Echos will be presenting a gospel concert at Northwest Ashe Gym at 8:00 P.M. We have the potential of making $9,000 but only if you begin to push tickets to Ashe County Christians and others who enjoy gospel music. Please help us in this area.

We have $1,119 in our general fund for operating expenses. Mr. Ronnie Hopkins is our treasurer and is a member of the Bald Mountain Church.

Brothers Melville and Junior Greer are doing the carpentry work on the Mattie Parsons building. As Christian men we appreciate their work in this area.

The caretaker for the grounds this year is Tom Miller of West Jefferson.

Together with your help and God's, we work as a team for the cause of Jesus Christ in this area of His work. Please pray for this phase of the work that God will continue to bless as He did last year.

PASTOR'S SALARY and RETIREMENT

When we choose our vocation, we are pretty much aware of what we are in for — work, pleasure, worry, rewards, etc. Should we choose to be a farmer, we know the work is hard, the hours are long, and there are many risks such as too dry, toowet, storms, bad seed, insects, and the many things that can prevent an abundant crop. We also know the joy of seeing things grow and the good and necessary food that comes from our labours — the good feeling that we are doing something useful for ourselves and mankind.

So is it with the minister — when he chooses this as his life work he knows what is involved. One thing he should know if he is aquainted with his Bible that he has not been promised riches (money) — that his rewards will have to be what the Bible has promised. Just as the Bible has set forth the qualifications for the minister, it has also said that those who would preach should go into a place and names very little that he should take with him. It also says that where he goes the people should receive him and take care of his needs and if this does not happen for him not to tarry but to move on to a place where they would hear him. Our Association has 59 churches with approximately 6,000 members. Serving these people, we have 9 full time pastors. We have around 50 licensed or ordained Baptist Ministers and of these we have one with Seminary. We have 4 Fruitland graduates, one or two with one or two years college and the rest with high school or less education. In this rural area, with our population and our sister denominations, there is a very small chance that these 40 or more preachers can ever be supported by one of these churches. So perhaps we should re-read the story of Abraham, also how we should "study to show ourselves approved workmen" for there are places that workmen are needed.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Meeting the physical needs of the people was one of the principal concerns of Jesus during his ministry here on earth, and he commanded his followers to do the same. The Baptist Hospital is evidence that the Baptist people have taken this commandment and responsibility seriously, and the improvements and up-dating of the hospital and the equipment is evidence that their desire is to give the best healing service possible. The hospital is prepared to meet the spiritual needs of the patients through the chaplain service. The school of Pastoral Care is also a part of the service offered, preparing ministers for this service. The co-operative program supported this school last year to the amount of $293,924.00.

The purpose of the "Mother's Day Offering" is to pay the hospital bill for those who cannot pay for the services offered, and who otherwise would not be able to receive needed hospitalization. This also gives an opportunity to each one to contribute to this need, and to have a part in this healing need. This is the service the Apostle Paul was speaking to the Ephesian Elders about in Acts 20:35 "I have showed you all things, how that so laboring ye ought to support the weak, and to remember the words of the Lord Jesus, how He said, 'It is more blessed to give than to receive'."

The strong can take care of themselves, the weak are the ones we are to support. Matt. 25:40,45.

STEWARDSHIP and COOPERATIVE PROGRAM REPORT

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions". "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support. The Christian people of the earth have been slow in carrying out this command of Jesus.

In 1 Corinthians 3:9, the apostle Paul says," . . .we are labourers together with God". We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association, and through the Cooperative Program in bold support of missions at home and around the world. I know of no other way that I can make a gift that would help carry out all the parts of the "great Commission". This program has served our people well for 52 years.

Anyone or any church can make a designated gift, or instruct that no part of their gift be used for some purpose to which the giver objects.

WE RECOMMEND THESE GOALS:

1. Every church in the Association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for World Mission Support, and giving the suggested amount to Associational Missions. For the year ending June 30, 1976 23 churches gave nothing to the Cooperative Program.

2. Every church in the association participate in the Cooperative Program and that all churches now contributing increase their percentage of the total budget.

3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.

4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers In Giving Through A Growing Commitment".

5. That an Associational Stewardship Conference be held in order to assist churches in planning and conducting their Stewardship Programs.

6. That every church of the association support Associational Missions on a monthly basis. Our giving to local missions needs to be increased.

My prayer is that each Christian in our churches of the Ashe Baptist Association might contribute to World Missions and thus have a part in carrying the Gospel to all the world.

W. B. Oliver, Chairman
Stewardship & Coop-Program Comm.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

I. Statement of Purpose

The establishment of the North Carolina Baptist Foundation as an agency of the Baptist State Convention of North Carolina was approved in 1919 and chartered in 1920. The objective of this agency of the Convention were clearly stated in its charter:

> "1. To promote the making of gifts.....for the causes and objects fostered by the members of the missionary Baptist denomination in the State of North Carolina, in their cooperative undertakings, and to provide a way of securing greater uniformity of purposes, powers, and duties of administration in the management and distribution of the gifts so made;
>
> "2. To receive, own, hold, administer, and distribute gifts of any kind.....to be used for the promotion of the Missionary Baptist cause in general or any specified object of the Missionary Baptist denomination....."

The Foundation continues to strive toward fulfilling the objectives stated in its charter. In so doing it will serve more as a trustee than as a foundation, as foundations are presently defined. As trustee, the donor or benefactor makes decisions relative to specific or general recipients of trust income.

May 5, 1977	3,696,612	-

*Includes amount paid from Graves Estate to build Yanceyville Unit, Baptist Homes.

II. Growth

The growth of assets held was slow in the early years and reflected directly the amount of time given to promotion by lay volunteers interested in the endowment of Christian ministries of the Convention. At no time in its history has the Foundation idea lacked respect of denominational leadership in that it was undergirding the financial support of all Baptist mission endeavors. During a twenty-five year period, however, the Directors of the Foundation sought unsuccessfully to obtain financial assistance for an operating budget for staff and promotion program from the already established institutions of the Convention. As the Convention became stronger financially, it provided the operating funds that permitted the Directors in 1962 to employ its first full-time staff member, C. Gordon Maddrey of Ahoskie and Raleigh.

III. Organization and Operation

The Foundation is the only agency or institution receiving its total operating budget from the Cooperative Program. Its fifteen member Board of Directors is elected by the Convention, three each year selected for five year terms. The Directors through an Executive Committee has responsibility for reviewing budget needs and recommending its request to the General Board Budget Committee.

The staff consists of the following employees: the Executive Secretary, Edwin S. Coates; Director of Estate Planning, Sara Ann Hobbs; Staff Assistant, Dianne Babb; Treasurer, Lean Spencer; and the Legal Counsel, Tom Dimmock, a Raleigh attorney, who is retained for frequent consultation and for preparation of contracts, agreements and other matters related to the work of the Foundation.

Each staff member has distinctive tasks to perform in assisting with the attainment of Foundation goals, but all are charged with responsibility for being adequately informed as to the needs of the institutions and mission endeavors supported by the Foundation. They also must interpret these needs and be responsible for relating them to the individuals using the services of the Foundation.

The emphasis of the Foundation is Stewardship. We seek to create an increased awareness of and interest in a total Christian committment as it involves life and possessions. Certain aspects of our efforts are simply interpreting the Christian tenets regarding one's trusteeship of God's gifts. Other factors in our ministry involve technical and legal matters as they pertain to estate planning and distribution of assets. An understanding of these principles provide opportunities for individuals to become better stewards.

As the individual Christian is to be a responsible trustee, so the Foundation is to be responsible as trustee of these gifts entrusted to its safekeeping. It is the desire of the Foundation staff and Directors that effective and efficient management of operating funds and trust funds be a prime characteristic in administering our duties. We seek to be prudent in the investment of assets and seek maximum financial support of all Baptist institutions and causes.

The Foundation provides a unique channel for persons to provide tangible financial assistance for all Christian ministeries fostered by Southern Baptists - forever - by naming the Cooperative Program as beneficiary of trust funds. This option, of course, is one of many. The specific institution or mission cause may be named as trust beneficiary or any combination of these.

IV. Methods Used

There are three prime methods now utilized through which gifts of possessions can be transferred to benefit Baptist endeavors. The most frequently used, and the source of most assets now held by the Foundation, is the testamentary gift. The charitable remainder trust has proved to be a valuable instrument to encourage lifetime transfers of assets. The third method is through the living charitable trust.

The testamentary gift is simply the transfer from an estate to the charitable cause by statement in a will.

There are a variety of approved methods of transferring property, securities, or money and in turn receive annuity payments for life. Many of the annuity trust instruments meet requirements of government regulations permitting tax relief during the lifetime of the donor.

An outright gift of assets, where income or principal is immediately available for charitable causes, provides many benefits both to the donor and to the ministry being supported. In some instances, the residual estate to heirs can be increased through this method of giving.

Any new endowment, as administered by the Foundation, will provide permanent financial assistance to our institutions as well as the total Convention mission. As many individuals have stated upon establishment of a trust, they feel that they have become a part of what they are supporting. One Director of Associational Missions expressed with determination, when sharing the Foundation report with the 1975 Baptist State Convention, "Through our investment in the Foundation that supports the Cooperative Program permanently, we now are the Cooperative Program."

Edwin S. Coates
Executive Secretary
The N. C. Baptist Foundation, Inc.

STATE MISSIONS

September 18 has been designated as STATE MISSIONS DAY in our churches. This year a special emphasis is being made to use the State Missions Offering to pay off the indebtedness of our North Carolina State Convention so that hereafter we can give to and meet the mission needs and opportunities of our state. The state goal is $1,385,000. The goal of our association is $10,000.

Sometime during the month of August, a trained "interpreter" will ask for the privilege of speaking in your church during the morning worship service, a joint meeting of the Sunday School Assembly, or at some other time as you will choose. This person will share with you the "State Missions Story." We believe that once our people know about all the mission opportunities within our state, that they will give generously to the State Missions Offering on September 18.

If your interpreter has not already contacted you, the contact will be made within the next few days. Pastors, please cooperate with these persons and arrange to get them before your people. This is an urgent need.

1. Be it resolved that we express our sincere gratitude to our host pastors, Rev. Tommy Johnson and Rev. Earl Sheets and the people of their churches for the use of their facilities and the delicious food prepared by the ladies of the churches.

2. Be it also resolved that we express our deep appreciation to our Director of Missions, Rev. Bill Ballou for his dedicated and faithful service to the 59 member churches of our association.

3. Be it further resolved that we express our gratitude to our Moderator, Mr. George West; Vice-Moderator, Rev. Guy Shatley and Clerk-Treasurer Mrs. Jeanie McNeill as well as all officers and committee members who have served so faithfully during the associational year.

4. Be it resolved that we join our sister churches across the Southern Baptist Convention in committing ourselves to Bold Missions that others might hear The Good News that Christ died for their sins.

5. Be it further resolved that we give thanks to our Lord, Jesus Christ for His love and mercy and blessings this past year. And may each of us propose within our hearts that we will seek to serve Him more faithfully than ever before.

BAPTIST CHILDREN'S HOMES REPORT

Baptist of N. C. provide a ministry of Love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions.....reaching out with a helping hand; it is evangelism..... the giving of hugs and kisses and friendship; it is education.....teaching an appreciation for the finer things in life; it is restoration.....enabling families to function again.

We have eight campuses which continue to serve as centers of service and operation in their respective areas of the state.

Foster Home Care is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

Our Emergency Shelters provide a ready resource for children who need help immediately.

The Maternity Home in Asheville opened in 1970 and has proved to be a much-needed and well-received service. It is recognized for its quality of care and Christian concern.

Services are also provided through our Social Work and Family Resource Centers and The Child Development Center.

Members of our staff are anxious to have you visit on any of our campuses. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

NORTH CAROLINA CHRISTIAN ACTION LEAGUE REPORT

The N. C. Christian Action League has been engaged in a two pronged attack on the moral front during the past year. A real effort has been made to curb the flow of pornography, and the liquor-by-the-drink issue has been opposed at every turn.

Senate Bill No. 539 was introduced in the hope that this law will regulate and eventually do away with hard-core pornography in N. C. This new law will permit the solicitor or the Attorney General to proceed against pornography. Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the election of Senators and Representatives last year. Many candidates committed themselves to oppose any such legislation and became voting members of the 1977 Assembly. Senate Bill No. 735 was introduced in May. This would have given a vote to any country, city or town which had an ABC Store to determine if liquor-by-the-drink sales would be authorized. This would have given N. C. one of the most liberal systems in the United States. The proponents of the bill, realizing that it was headed for defeat in the House by at least 15 votes, made a last minute move which sent the bill back to the House ABC Committee, where it will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You are urged to contact your Representatives and encourage them in opposition to the bill or request their support for defeat of Senate Bill No. 735.

The Christian Action League appreciates the support which has been given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

Respectfully submitted,
D. P. McFarland
Executive Director

REPORT OF THE CHRISTIAN LIFE COUNCIL

The Christian Life Council majored on two aspects in 1977 - the family and legislative issues. W. Douglas Cole became director of the Christian Family Life Department January 1, 1977. Under his leadership, the Council sponsored marriage enrichment retreats, minister-wife retreats, parenting workshops, conferences for engaged couples, sex-education conferences and promoted the National Single Adult Conference at Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved in a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights Amendment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthansia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptists for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

REPORT of THE RADIO AND TELEVISION COMMISSION of the Southern Baptist Convention

The past year has been a high water mark in the history of the Radio and Television Commission. The videotape production sound stage and the training theater were completed and the television department and related work were moved into the new 32,599 square foot complex in September, 1976, Dedication services were held in April, 1977.

Technical equipment for the videotape center has been received and is being installed — recorders, cameras, switches, lights, and duplicators. Production is expected to begin by early fall.

The evangelistic thrust of the Commission is being felt throughout the nation with the launching of the two quarter-hour television series during the first quarter of 1977. In "The Athletes" the claims of Christ are made through the testimonies of athletic stars representing many different sports. Usually "Listen" will be shown in conjuction with "The Athletes." Dr. Charles Fuller of Roanoke, Va., is host and narrator on "Listen," which features a variety of contemporary subjects and closes with a strong Christian appeal.

Plans are to continue production of these series in 1977-78, right along with "The Human Dimension, " "Jot," and other television productions. "Jot" has four new episodes scripted, and the Foreign Mission Board has allotted $80,000 for producing additional "Jot" episodes in Spanish.

Dr. Herschel H. Hobbs, preacher on "The Baptist Hour" for 18 years, retired from this ministry in October, 1976. No regular preacher has been chosen at this time and guest speakers will fill this "pulpit" during 1977. Dr. Frank Pollard, pastor of First Baptist Church, Jackson, Miss., preached the final quarter in 1976 and will preach the last quarter of 1977. Dr. Jaroy Weber, pastor of First Baptist Church, Lubbock, Tx., will complete three quarters of 1977. Dr. Hobbs prepared more than 700 sermons for the program during his tenure.

The Commission received 12 hours of network television time on ABC, CBS, and NBC from September 1, 1975 to September 30, 1976 — the best 13 month network period Southern Baptists ever received through the Commission.

Commission records show that its programs were carried by 5,444 different radio and TV stations at some time during the past fiscal year. This windfall of free broadcasting time valued at more than four times the agency's annual operating budget, came to $9,825.493, and brought 205,000 responses to commission programs. There were 2,143 documented Christian decisions resulting form the mail. "Powerline," the rock music radio program designed for teenagers, brought 80% of the nearly 8,000 counseling letters.

A sound engineer was added to the Broadcast Engineering Department in mid-1976, to serve as a second consultant to churches with technical problems associated with broadcasting.

Approximately 50 churches a year have been serviced at an average cost of $25,000 per contract, including auditorium sound systems, video and audio broadcast origination, and lighting consultation services. The emphasis will continue to be on maximizing the pastor's opportunities to proclaim the gospel of Christ.

One of the exciting projects now underway in cooperation with the Baptist Sunday School Board is the Joint Venture Bible Correspondence Program which is being studied as a way to enlist large numbers of people in Bible study through television.

The Commission has worked closely with the Baptist General Convention of Texas in the Good News Texas project which is designed to use all facets of media to preach the gospel to the state's 12,140,000 people by utilizing a strategy to mobilize 1,4000,000 resident Baptists in a program of follow-up witnessing.

ASSOCIATIONAL MUSIC REPORT

Psalm 100: 1-2 tells us to "make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before His presence with singing."

For some people good, spiritual singing brings a greater blessing than any other kind of worship. Certainly music and singing is a natural outlet for a happy heart. The above verse suggests that God would approve and welcome our worshiping Him with singing.

Although interest in our "Crusade Choir" was not as widespread as I had hoped, those participating did a wonderful job, and I personally feel was a real blessing to all who heard them sing. Hopefully, this year's choir will encourage others to take interest in future associational music activities.

Would an "Associational Choir" with regular "singing sessions' be practical and of sufficient interest for us to attempt??? I would welcome comments from all music leaders.

Praying for God's special blessing on our associational music and music leaders, I am your fellow-servant in Christ Jesus.

REPORT OF THE AMERICAN BIBLE SOCIETY

The "Goods News Bible" is here! In the fall of our Bicentennial year, the American Bible Society completed and published the "Good News Bible in Today's English Version. This is the culmination of years of precise, painstaking translation work. It makes available for the first time, a faithful translation of the sacred text in a style of language readily understood by most people.

It was in November, 1961 when the Reverend M. Wendell Belew wrote to Dr. Eugene A. Nida indicating a need for Scriptures "translated for the fourth grade level." A month later the project was underway under the direction of Dr. Robert G. Bratcher, a Southern Baptist. The New Testament was published in 1966. Acceptance of this common language translation was widespread and immediate. However, nowhere was there more enthusiastic reception than from Southern Baptists. The General Baptist Convention of Texas immediately made plans to distribute over one million copies. Such reaction made the translation of the whole Bible imperative and led to the publication of the "Good News Bible" in December, 1976.

The purpose of the American Bible Society has remained unchanged throughout the years—the translation, publication, and distribution of Scriptures without doctrinal note or comment and without profit. Since 1816 the American Bible Society has been making God's Word available to spiritually hungry people everywhere. At least one book of the Bible has been translated into more than 1,600 languages as of December 31, 1976.

Here are a few highlights of what the American Bible Society and its partners did in 1976 to meet the challenge.

Good News for New Readers — Three Years and Still Going Strong

Just over three years ago, GOOD NEWS FOR NEW READERS was launched in Addis Ababa, Ethiopia. The goal of the Bible Societies was to provide Scripture Portions and Selections on graded levels for new readers in 100 languages. By the end of 1976 work had been undertaken in 286 languages. Not only are these selections available in languages like English, Spanish, French and Portugese, but you can also find them in Dangme, Isizulu, Punjabi and Jacalteco. In Africa alone, there are 79 GOOD NEWS FOR NEW READERS projects.

In 1976 the American Bible Society released a new filmstrip entitled "Lives Filled With His Love." Shot on location in Brazil, Bolivia, Guatemala and Mexico, this color filmstrip shows the progress the GOOD NEWS FOR NEW READERS program is making in the lives of new readers in South America and around the world. The 611 bookings in 1976 made this one of the most popular of all the American Bible Society filmstrips.

Translation and Publication Update, 1976

A major item in the budget of the American Bible Society is translation of the Scriptures. At present, the Bible Societies are giving help directly and indirectly in 560 languages. Fifty-two of these translation projects are in Europe. Three major projects completed were the "Good News Bible" in Today's English Version, the "Millenial Bible" in Polish, and the common lannguage New Testament in Today's Chinese Version.

American Bible Society Activities — U. S. A.

Scripture Distribution - Scripture distribution in the United States during 1976 reached a total of 114,769,046 copies, an increase of 5,229,265 over 1975. One million copies of the "Good News Bible" were circulated in the month of December alone, one month after publication.

Scripture Imprints — In 1976 the American Bible Society produced 15,227,850 Scripture imprints, of which 4,636,000 were requested by various Southern Baptist organizations.

Bible Society Activities Abroad

The American Bible Society contributed $5,649,892 to the United Bible Societies World Service Budget in 1976, thus giving crucial support to the Bible cause throughout the world. This made it possible for more than 330,000,000 Scriptures to be distributed by member societies of the United Bible Societies —a new record.

Here are just a few of the ways the American Bible Society is assisting the missionary activities of the Southern Baptist Convention:

Brazil — The GOOD NEWS FOR NEW READERS Scripture Literacy Selections are widely used by MOBRAL, Brazil's literacy organization, with the newly literate. They are now available in two languages, Kaingang and Portugese. Translation into Makuchi, Ninam, and Sanuma is now underway. Distribution of these Selections more than doubled in the last year from 479,372 in 1975 to 999,304 in 1976.

Indonesia — Two training seminars were held for the New Reader Program in Central and Eastern Java. There were 700 teachers in attendance at the seminar in Central Java representing Catholic, Protestant, and government schools. 1000.000 children were involved in these programs. Each child was able to read 55 different Bible Selections over a period of a few weeks. These training seminars were regarded as highly successful, and many of the teachers became very enthusuastic about the program.

Eastern European Update — In spite of unique and difficult obstacles, the Bible cause in Eastern Europe is advancing. At present there are 12 translation projects underway in these countries. In the last decade, over five million Scriptures, most of them complete Bibles or New Testaments, have been distributed throughout Eastern European countries. Recently, German speaking Baptists received 3,000 German language Bibles from the United Bible Societies.

Europe — The European Baptist Federation has proclaimed 1977 as the "Year of the Bible" for Baptist Churches in Europe by asking its members to emphasize Bible Reading in their churches throughout the year. Europe's Bible Societies are ready to assist Baptist churches in distributing the Bible during this special year.

HOW CAN THE SOUTHERN BAPTIST CONVENTION HELP PROMOTE THE BIBLE CAUSE?

Financial Support — The American Bible Society thanks the Southern Baptist Convention for its support in 1976. The ABS budget for 1976 was $13,625,000 which is the largest ever in its history, representing an increase of $675,000 over 1975.

Income from the churches was also greater than the previous years. A total of $1,739,195 was received, of which $275,631 came from the Southern Baptist Convention.

Contributions from the Southern Baptist Convention since 1965 have been as follows:

1965	$ 226,731	1969	$ 232,756	1973	$253,857
1966	233,897	1970	233,186	1974	254,803
1967	218,509	1971	240,250	1975	238,554
1968	222,938	1972	233,752	1976	275,631

The report shows a steady level of support from the Southern Baptist Convention. An increase is needed in this time when inflation is driving up the costs and demands for Scriptures are rising. If the 9,300,000 resident members of the Southern Baptist Convention were to raise their level of annual support to $.05 per member, total giving would reach $468,100 per year. This modest amount per member is really needed in order to help make certain that the Bible Society will have the Scriptures needed by the Southern Baptist Convention for its ministries around the world.

The Bible Society asks for your continued prayers that, together with the Southern Baptist Convention and all willing Christians, we will be blessed by God in our combined efforts to bring His Word to all those who are in desperate need of it.

BOLD MISSION THRUST
(Crossing Barriers With The Gospel)

The Southern Baptist Convention has adopted a program known as "BOLD MISSION THRUST". The primary goal of this program is that every person on earth shall hear the Gospel by the year 2000 A. D. and have an opportunity to respond to that message in faith. This is a *Bold* goal.

Naturally, this overall goal has to be broken down into smaller goals to make it feasible. Ultimately the responsibility rests on each individual Baptist. Unless you and I do our part, the larger goal can never be met.

WHAT CAN WE DO AS INDIVIDUALS? The main thing is to adopt a lifestyle that consistantly includes certain things:

1. Private and family worship on a daily basis to bring our lives into line with God's will.

2. Personal involvement in our churches' program of worship, teaching, training, and outreach.

3. Personal evangelism under the leadership of the Holy Spirit.

4. A plan of sacrificial giving which places world evangelism as the top priority of our payroll dispersment.

May we "set our faces"toward this *BOLD MISSION THRUST* and begin now developing a "Bold Lifestyle For Missions."

Abstracts of Principles

1. We believe in one true and living God, and that there are three persons in the God-Head: the Father, the Son and the Holy Gost, and these three are One.

2. We believe that the Bible, the Old and New Testament, is the Word of God and the only rule of faith and practice.

3. We believe in the impotency of man and the soverignty of God.

4. We believe that Salvation is by Grace through Faith in our Lord Jesus Christ.

5. We believe that Baptism and the Lord's Supper are ordinances instituted by Jesus to be practiced only by believers in their spiritual order.

6. We believe that Baptism is the immersion of a believer in water by a qualified administrator, and that those who are thus bapitzed and are in fellowship with the church in feeling and doctrine should take the Lord's Supper.

7. We believe in the final perseverance of the Saints in Grace and Glory.

8. We believe in the resurrection of the dead and general judgement.

9. We believe that the existence of the righteous and the wicked will both be of eternal duration, and that the happiness of the righteous and the punishment of the wicked will both be eternal.

Rules Of Order

1. Every session shall be opened and closed by prayer.

2. When the Moderator calls the house to order, every member shall at once shall take his seat.

3. When a member wishes to speak, he shall rise and address the Moderator, and not proceed until he is recognized.

4. No member shall speak more than twice on any subject except by permission of the body.

5. It shall be counted disorder for any member to stand up, leave the house or hold private conversation while any person is speaking.

Church Covenant

Having been led as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Gost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into this covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church and the relief of the poor; and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealing, faithful in our engagements, and exemplary in our department; to avoid all tattling, back biting and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense but always ready for reconciliation, and mindful of the rule of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's Word.

PROCEEDINGS OF
THE ASHE BAPTIST ASSOCIATIONAL MEETING
NINETY—SECOND ANNUAL SESSION
Held August 4, 1978
AT BALD MOUNTAIN BAPTIST CHURCH

The Ninety-Second annual session of the Ashe Baptist Association met for the first day on 4 August 1978 at 2 o'clock p.m., and was hosted for the afternoon session, evening meal and night session by Bald Mountain Baptist Church. The meeting was begun by the singing of "All Hail the Power" lead by Grover Campbell with Tammy Parunak at the piano. The theme for this year's session is again "Let The Church Reach Out", as the theme for 1977 and 1978 was the same in keeping with the Bold Mission Thrust.

The devotion and welcome was given by host pastor, Rev. Mike Lemly. For scripture he read from the book of Hebrews, Chapter 10, beginning with verse 22. He also lead in the opening prayer.

The meeting was then called to order by Moderator, George West. He also expressed appreciation to Bald Mountain Church for hosting the meeting.

Mr. West then declared the ninety-second session of the association open for business and recognized and seated the delegates and also recognized the alternates.

Mr. W. B. Oliver moved for the adoption of the order of business, seconded by Rev. Herbert Caldwell.

Moderator West asked all visitors to stand and be recognized. He also recognized the new pastors and all of the pastors of the Association. He then asked for all retired pastors to stand.

The Nominating Committee, Resolutions Committee and Place and Preacher Committee was nominated by Mr. West. Rev. Rex Foster moved that these nominees serve on these committees, seconded by Rev. Herbert Caldwell, voted on and carried.

Clerk Jeannie McNeill conducted the roll call of the churches and 42 churches had representatives present.

Business Session: Election of officers—

Mr. John Goodman was asked to come and conduct the election for a Moderator. Present Moderator, George West, stated he thought someone else should be elected as he had served in this capacity for about 18 years. Mr. Goodman then asked for nominations for moderator. After some discussion and Mr. West's

again stating he wanted someone else, Rev. Paul Phipps nominated Rev. Herbert Parunak, Mr. A.D. Goodman moved that nominations be closed, seconded by Grover Campbell, voted on and carried.

The floor was then open for nominations for Vice-Moderator. Mrs. Blanch Oliver moved that we keep Brother Guy Shatley. Rev. Herbert Caldwell moved that nominations cease, seconded by Rev. Rex Foster. Voted on and carried.

For Clerk and Treasurer, Rev. Ray Minton moved that Jeannie McNeill be retained, seconded by Rev. Jack Miller, voted on and carried.

Rev. Herbert Caldwell asked that we give George West a show of appreciation for his years of service by standing.

Rev. Herbert Parunak asked that we pray for hin as he undertakes the job of Moderator. Rev. Guy Shatley stated he too was thankful for each and every person present and asked for their prayers. Jeannie McNeill expressed appreciation for the vote of confidence shown.

The Christian Action League Report was then made by Mr. D.P. McFarland, Executive Director. He reported that all the stops had been pulled out by the League in an attempt to defeat the liquor by the drink issue coming up for vote in Mecklenburg County on 8 September. He stated further, that Rev. Coy Privette is helping every day in this pursuit and he asked that we pray for the people of Mecklenburg County.

Rev. Guy Shatley moved for the adoption of this report, seconded by Rev. Herbert Caldwell, voted on and carried.

N.C. Baptist Homes for the Aging Report was made by Ernie Lambert filling in for Rev. Finley Miller, a retired minister from our association.

Mr. Horace Barefoot, a representative of the Children's Homes, discussed the orphanage, foster homes, emergency care home, maternity homes for unwed mothers, and stated he praised God for these ministries. He further discussed our being a family centered ministry as about 60 to 65 percent of the children come from broken homes. He asked that we pray for them as they attempt to tie back together the home that is going on the rocks or already has.

N.C. Baptist Hospital Report was made by our local representative Rev. John Goodman, who moved for its adoption, seconded by Herbert Caldwell, voted on and carried.

Discussion of this report was presented by Rev. Calvin Knight of the Baptist Hospital. He reported that our hospital is establishing a reputation for excellent medical practices. A big percentage of the patients are coming from Northwestern North Carolina. Recently a patient from Chicago, who is a medical doctor himself, was in Baptist Hospital because his doctor in Chicago has referred him to Baptist Hospital. Rev. Knight also stated that it is a highly specialized hospital and has on staff some of the most competent professionals anywhere. And something else that is of great concern....."that we have not become impersonal in our services". A pilot program now being tried on two floors of the hospital is a nurse to patient program of individual care. Also Chaplains continue to try to get to know the patients and their needs. Lastly, he stated that he was grateful that 55 years ago the Baptist decided to establish a hospital as a part of our missionary outreach.

Mr. Ralph Cannon came in the stead of Mr. Bill Poole, to discuss the N.C. Baptist Homes for the Aging. Mr. Cannon reported that in 1953 $60,000 cared for 60 people, and in 1977 $289,000 cared for 48 people. He also stated that we now have 250 residents in our Baptist Homes and 100 applications for the first 50 openings in the Asheville Home to be opened. It was also reported that only 12 per cent of our people in our homes pay all of their expenses. Mr. Cannon said he felt that "to give these old people the love and care they need is as important as any of Christ's work. The ministry of the aging is Christian. The ministry to the aging is North Carolina Baptists'.

Christian Education Report of Miss Bonnie Shatley, who was absent, as moved by Rev. Jack Miller to be adopted as printed in the program, seconded by Rev. Ray Minton, voted on and carried.

Mr. Robert Abrams of Gardner-Webb College stated that Gardner-Webb College is in sympathy with and supportive of the Bold Missions Thrust. He further said "our colleges and facilities are yours".

Meredith College representative, Royster Hedgepeth, thanked everyone for the financial support N.C. Baptist give them as a Baptist institution. He reported that over the past three years Meredith has increased the tuition only three per cent per year. He also informed those present that Thomas Meredith had the idea for the college in 1834, the college was chartered in 1889 and opened its doors to students in 1899. At present there are 1500 students seeking a degree at Meredith. Over 1000 women come there for enrichment programs, and 55,000 people use the facilities for conferences. In closing he reported that of the 300 young women who graduated from Meredith, over half already have jobs in business industry and government around the State of North Carolina. "There is no substitute for a trained and educated mind".

"Blessed Assurance" was then sang by the congregation as they stood for a few moments.

He asked everyone to go by the Christian Book Store and pick up a copy of his book *Gathering Jewels from God's Back Pastures.*

Rev. Alex Booth, Director of Fruitland Institute, gave a brief report on Fruitland, and asked that anyone come by the Institute and see for themselves some of the things going on.

Mr. W.B. Oliver then discussed briefly the drinking driver and the Legislature passed recently allowing towns and cities to vote on liquor by the drink. He moved that we take a free will offering to support the people in Charlotte who are fighting this evil. Seconded by Rev. Ray Minton, voted on and carried. While the offering was being received the congregation stood and sang "How Firm the Foundation". He further stated that he was convinced that Jesus was the answer to all our problems. He asked how we felt about problems in our life and advised the only way is to really love Jesus. He stated that we should read and study and ask God to give us wisdom; however, if we are not willing to read and study there is no need to ask for wisdom. Rev. Duvall added, "the spirit must bear witness before it is any good. If the spirit is not there all our works are in vain". BOOK OF REPORTS

REPORT OF THE DIRECTOR OF MISSIONS

The 1977-78 associational year has been the best year since I began my work with the association 10 years ago. To God Be The Glory.

It was a very busy year with the World Mission Conference coming last September. Because of that conference, the people of our association are far better informed as to what Southern Baptists are doing around the world to bring people everywhere to know Christ as Savior.

Local church suport of Associational Missions has improved with several of our churches increasing monthly contributions which makes it possible for the association to meet its monthly obligations. We still have churches who do not help financially but it is our hope that they would prayerfully consider joining their sister churches in the support of local missions. The Ashe Baptist Association is "OUR JERUSALEM."

During the year, in addition to traveling more than 20,000 miles, I served several times as pulpit supply, assisted in 6 revivals, taught 3 'win' Schools, assisted in 4 ordinations, performed 6 weddings, assisted in 60 funeral services, 4 Vacation Bible Schools.

I have attended our Pastor's Conference and Executive Committee meetings, State VBS Clinic at Camp Caraway, Seminars, Workshops and conferences across the state, Chaplain at local hospital, Moments of Meditation at local radio station as well as attending the State Evangelistic Conference and Baptist State Convention as well as the Southern Baptist Convention in Atlanta, Georgia.

I have prepared a weekly news report for the local newspaper and conducted a weekly radio broadcast of news relating to our churches. I have published a monthly Newsletter with a mailout of 600 copies per month. I also publish an associational Calendar of Activities each December.

Thank you for letting me be a part of our Lord's work here in the Ashe Baptist Association. If ever I can be of help to you, please call on me. May God Bless you and your church in this new associational year.

Respectfully submitted,
Because the SON still shines
Bill Ballou, Director of Missions

BIBLICAL RECORDER REPORT

Does the RECORDER pay? A few weeks ago the leading 50 churches in the state in Cooperative Program giving were listed in the BIBLICAL RECORDER. Everyone of them has a RECORDER club, many of them with the RECORDER in the budget.

Then there was a list of the churches with the best per capita giving to the Cooperative Program. Again, 49 out of 50 of these churches have a good RE—CORDER club. In fact, the 50th church had a club up until recently and you can be sure the folks at the RECORDER will be working hard to see that the church has another club soon.

All of this is strong testimony as to what the RECORDER can do for a church. When people are informed, they give. When people are informed, they support their association and state convention work. Everyone wins when the RECORDER GOES INTO EVERY HOME.

As of this date, the price of the RECORDER IS REMAINING REASONABLE, ESPECIALLY WHEN COMPARED TO THE COST OF A DAILY PAPER. A church can still send the RECORDER into every home for only 6¢ a week. This is amazing in view of the continued rise in the cost of postage and paper, both of which went up sharply this year. If your church has plans to put the RECORDER in the budget, it should do so this year and thus save considerable money.

With the dripping wet news media in North Carolina, our Baptist people must depend on the RECORDER for information about such matters as liquor by the drink. Even though it passed the legislature back in June, local option elections must be held before any city or county can vote in this third dimension in drinking.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the RECORDER in associations and churches. He is loved by people all over the state and we are glad that he will continue to be identified with the RECORDER when needed for special assignments.

ASHE BAPTIST PASTOR'S CONFERENCE

The Ashe Baptist Associational Pastor's Conference meets on the fourth Saturday of each month at eleven o'clock a.m. in different churches of the association. During the past year the conference was held in these churches: Phoenix, Warrensville, North Beaver, Orion, Healing Springs, Calvary, Fletcher Memorial, Midway, Friendly Grove, Bristol, Pleasant Home and Clifton.

Pastor's conference is a wonderful opportunity for the pastors in the association to get together for fellowship, worship and prayer. Common concerns are shared and discussed. A different pastor each month brings a message from the Word of God. Over the past year the pastors have heard and delivered some very inspiring messages.

I have counted it an honor to serve as moderator of the Pastor's Conference over the past year. The meetings each month have been a source of strength and encouragement to me and to each pastor that has attended. May I encourage every pastor to take advantage of this special time each month to fellowship and pray with the other ministers of the association. I believe that you will find it well worth the time.

Respectfully submitted,
Rev. Herbert Parunak

ASSOCIATIONAL SUNDAY SCHOOL REPORT

With the beginning of "BOLD MISSIONS" the Sunday School has begun a new "Labor Of Love." This is one of the most dynamic undertakings Baptists have ever considered. Beginning with Reach Out '78 which will cover the period from October 2 - November 19 we are encouraged in 4 specific area.

1. Preparation
2. Visitation
3. Contact new enrollee each week
4. Climax in High Attendance

The Sunday School has accepted the challenge of "BOLD MISSIONS"
(By the year 1982)

1. To increase Sunday School Enrollment By 150,000
2. To Double Baptisms
3. To Double Our Church Giving
4. To Double Of Cooperative Program Giving
5. To Double Our Associational Giving

The Associational Sunday School Officers have attended 2 conferences at Ridgecrest Assembly and have returned to share that information with people of our local churches.

In an effort to inform our people of the "Bold Missions Thrust" we will conduct 3 conferences in different areas of our association on August 21-22-24. Conference #1 will be held at the Mission Home church on Monday night, August 21. Conference #2 will meet at the Warrensville church on Tuesday night, August 22 and Conference #3 will be held at the West Jefferson Baptist church on Thursday night, August 24.

Those people leading the conferences attended the "Key Leadership Conference" at Ridgecrest in May. The following organizational leaders should attend: Pastor, S.S. Director, Church Training Director, WMU Director, Brotherhood Presidents, Music Directors (Song Leaders), Stewardship Chairman (Treasurers), Deacon Chairmen, Christian Social Ministries, Christian Life & Public Affairs.

Respectfully Submitted,
Rev. Eugene Adams

EVANGELISM REPORT

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook - BOLD EVANGELISM THROUGH THE LOCAL CHURCH - to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the state.

"THE EVANGELISTIC CHURCH ON BOLD MISSION" was the theme of the 32nd State-Wide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

About 12,500 youth, pastors, and adult leaders are expected for the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta will be the preacher. Richard and Judy Bradford, Albuquerque, New Mexico, will be the soloists, and other youth will share on the program. Follow-up work is always assigned to pastors with all youth who make decisions.

Plans on the local associational level include a super meeting to which all pastors will be invited for the purpose of discussing the possibility of an AREA SIMULTANEOUS REVIVAL either next Spring or Fall.

Other plans include an EVANGELISM WORKSHOP in Memphis, Tennessee, September 24-27. Your Associational Director of Evangelism, along with some local pastors will be in attendance.

The 33rd Statewide Evangelism Conference will be held at Comberland County Memorial Auditorium in Fayetteville on February 5-6, 1979.

Local pastors report wonderful revival results this year with many coming to accept Christ as Savior and many other coming forward expressing their desire to more deeply commit their lives to Christ.

Total baptisms for those churches that have returned their Church Letters to the associational office number 121.

Respectfully submitted,
Rev. Ray Minton
Assn. Evangelism Chm.

EXECUTIVE COMMITTEE REPORT

The Executive Committee has met on a regular schedule during the past year with one exception. The January meeting was cancelled due to severe winter weather. The committee has taken what it believed to be the appropriate action on all business brought before it.

We are happy to report that God has blessed us with another good year. Co-operation from the churches in the Association has been great. Some of the churches have raised their contributions and we have received support from some that have not been supporting in past years. We thank God for this.

Several improvements have been made at the parsonage. A new concrete walk has been built to the house extending around to the office. New guttering has been installed, and improvements in the office include new carpet and book shelves. The committee voted to make these improvements as funds became available and not go in debt for them. Again, thanks be to God, funds became available.

The committee wishes to express its appreciation to the churches for their co-operation and support. This is the first year we have not had to ask for financial help to pay our expenses. This is proof of what working together can do. If your church has not been supporting our Association, won't you consider prayerfully a small contribution each month. God has great blessings in store for all who work in spreading his word to a lost world. We also wish to express appreciation to our Superintendent of Missions, Rev. Bill Ballou, for the outstanding work he is doing, and to each one who has had a part in the Ashe Baptist Association.

The Executive Committee has regularly scheduled meetings every two months on the third Thursday at 7:30 p.m. at designated churches. If you know of any business that needs the attention of the committee call or meet with us during these meetings.

In conclusion, we have seen what cooperation can do and we challenge each member of the Ashe Baptist Association to become more aware of the needs of our association and give it your full support, not just financially, but with your prayers and witness.

ASHE COUNTY

NORTH CAROLINA

REPORT OF THE BROTHERHOOD COMMISSION

During the 1977-78 fiscal year, the Brotherhood Commission emphasized mission education, mission commitment, evangelism and leader training.

While enrolment of men and boys in Brotherhood units dropped by 1.2 percent to 473,309 at the start of the year, the number of churches with Brotherhood work increased by 52 to a total of 15,359.

Churches with Baptist Men's work increased by 408 and those with Brotherhood directors by 316.

In the area of mission education, a long-range plan to provide every Southern Baptist church with mission information and opportunity for involvement in missions progressed on schedule.

The Commission is working with Woman's Missionary Union, Foreign Mission Board, Home Mission Board, and Sunday School Board through a Mission Education Council to complete this project.

The project calls for researching and developing a correlated program design and missions curriculum, a convention-wide plan for mission education, and a national merchandising plan for mission education materials.

The project is designed to help implement Bold Mission Thrust, the effort of Southern Baptists to communicate the gospel to every person in the world by the year 2000.

Working with WMU, the Commission helped sponsor a Bold Mission Leadership Conference at Glorieta Baptist Conference Center which attracted 2039, an increase of almost 25 percent over a similar conference a year before.

An emphasis on the involvement of lay people in denominational activities and vocational witnessing drew 8,500 to Atlanta for 15 vocational breakfasts and a bold mission rally featuring President Jimmy Carter, a leading Southern Baptist layman.

At the same time, the Commission led in arranging world missions conferences attended by more than one million Southern Baptists.

In the area of mission commitment, the Commission strongly encouraged Southern Baptists to become involved in missions as short-term volunteers, particularly through the Mission Service Corps.

The agency also developed new ministries and supporting materials in the areas of lay-led revivals, prison ministries, Bible distribution and retirees in missions.

Besides involving about 5,000 persons in renewal events, the Commission conducted research in 20 churches on the best ways to communicate the theology of the laity. In another new venture, 50 couples were trained to conduct mission and ministry weekends in their churches.

The Commission continued to bolster its corps of trained leaders, preparing about 600 specialists to help 33 state Baptist conventions train church and associational Brotherhood officers.

Among the specialists were persons equipped to help churches organize Brotherhood units for men and boys who speak Spanish, Chinese, and Korean.

Southern Baptists' allocation through the Cooperative Program for these endeavors was $522,500.

ASSOCIATIONAL WMU REPORT

The Council would like you to know what they have been doing this past year, even with a severe Winter they have been working whenever possibe, and Praise the Lord for what has been accomplished.

We began on September 10th with a World Missions Conference dinner. About 100 people were served. Also, meals were scheduled for the visiting missionaries the following week. They were very liberal in their thanks to all you ladies who were such gracious hostess and excellent cooks.

Also in September, Mrs. Zola Massey and Mrs. Lois Jones helped Trinity reorganize their W.M.U. Then in November, the same ladies organized a new W.M.U. at the Buffalo church. We welcome these new ladies into our fellowship. We would like you to be aware also that the Phoenix Baptist Church has reorganized their W.M.U.

Friendship Baptist Church, under the direction of Mrs. Merle Johnson and Mrs. Massey, is in the process of dividing their G.A.'s and organizing a new Acteens group.

Mrs. Pat Halsey and Mrs. Linda Richardson held a County-Wide Day Camp for all G.A.'s this past Summer with about 40 girls in attendance. These girls are our leaders of tomorrow. Let us remember them in our prayers.

After much delay, due to the bad weather, a County-Wide study course was taught at Midway Baptist Church by Mrs. Peggy Ashley. Even though our attendance was not as large as we would have liked, Mrs. Ashley did an outstanding job. It was very inspirational and left each of us with a challenge.

Our annual meeting was held at the Warrensville church on April 24, 1978. Officers for 1978-79 were elected. Attendance was very good. We had an excellent speaker in Miss Marian Phillips, home on medical leave from Nigeria. We thank each one who helped make this meeting so warm in fellowship and we trust the coming year will prove fruitful in our W.M.U. work.

We look forward to serving you this next year, and under God's leadership, search for new horizons in W.M.U. work.

Respectfully submitted,
Mrs. Zola Massey
Assn. WMU Director

EDUCATION COMMISSION

Several significant accomplishments have been made by the Education Commission during the past fiscal year. The McGrath Study of Southern Baptist Colleges and Schools, part of the National Colloquium follow-up, has been widely acclaimed by educational leaders throughout the country. According to Dr. McGrath, Baptist Colleges and schools on the whole have remained closer to their denomination than any other major group of church-related colleges. Dr. McGrath believes that the greatest single factor contributing to the comparative healthy condition of Southern Baptist Colleges is that they have kept strong ties with the denomination. During the past ten years Baptist colleges have increased their enrollment by more than 30 percent which is far above the national average in sound fiscal management and solvency. More significantly, Baptist colleges are now beginning to apply individually the results of this study and further strengthening their denominational ties and academic programs.

During this past year, the Education Commission continued to implement the Mission Support program adopted by the Commission and the Association of Southern Baptist Colleges and Schools in 1971. National Meetings have been held between Baptist college presidents, the Foreign Mission Board, the Home Mission Board, and Woman's Missionary Union. The goal for all our Baptist colleges has been to make missions a matter of vital institutional policy. Baptist colleges and schools are giving enthusiastic backing to BOLD MISSION THRUST.

The state conventions and Southern Baptist Convention increased their 1977 support to the schools by $4,615,202 for a total of $40,299,281. In addition to operations and capital needs support, $580,467 was given as addition to endowment funds. Donations, gifts, and grants totaled $43,360,869 for an increase of $5,789,343. Endowment funds amounted to $391,599,485; property was valued at $764,840,835, making assets a total of $1,156,440,320. This is an increase of $98,151,316 over last year.

Church vocation volunteers increased to 21,676 for 1977-1978.

CHRISTIAN HIGHER EDUCATION

Baptist of North Carolina support and operate, through selected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredity, Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education The seven colleges have been in operation for a total of 729 years. Currently faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Churches are urged to encourage their youth to attend a Baptist College. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

N.C. Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

BAPTIST HOMES FOR THE AGING

Since becoming Director of Development and Denominational Relations for our Baptist Homes for the Aging, around three years ago, Ralph Cannon has offered to people, on the many occasions that he has spoken at Associational meetings, in churches, and special gatherings, a dollar bill if anyone in the group could name our current five Baptist Homes for the Aging, and the sixth Baptist Home under construction in Asheville. One person, in all this time, has taken his dollar from him.

North Carolina Baptists have the following Baptist Homes for the Aging: (1) Resthaven - located in Winston-Salem, with space for 16 residents; (2) The Hayes Home and the Nursing Care Unit, in Winston-Salem with space for 46 residents and 79 patients. The Nursing Care Unit serves all five of our homes and will serve the Western North Carolina Home: (3) The Albemarle Home - in Albemarle with space for 30 residents; (4) The Hamilton Home - in Hamlton, with space for 28 residents; (5) The Yanceyville Home - in Yanceyville with space for 31 residents; and (6) The Western North Carolina Home - in Asheville with space for 50 residents, now under construction.

There is also a duplex apartment complex at the site of the Hayes Home in Winston-Salem, with a space for 120 people. This means that there will be accomodations for 300 people in all of our six Baptist Homes, the apartment complex and the Nursing Care Unit, when the Western North Carolina Home is completed. This lovely facility is anticipated to be completed and ready for occupancy by February 15, 1979.

Our Baptist Homes have received vital support from our more than 3400 Baptist Churches through The Cooperative Program and The Special Offering.

These gifts are used to supplement the care of the majority of the residents in our Baptist Homes and are a life-line, therefore, to residents who could not possibly pay the cost of care, if it were not for these gifts. We are grateful for these gifts and for every church and every person who has had a part in making them possible.

Dir. Bill Poole

TEMPERANCE AND PUBLIC MORALS

In the area of temperance and public morals, it would be good for us to walk back in history a few years and compare what our nation was like with what the trends are today and then take a good hard look at Biblical teaching as to what we should be. Hal Lindsey in his book, The Terminal Generation, asks "Isn't there anything solid in this sea of shifting values?"

It's difficult for us to ignore the changes that have occured in the past 10 or 15 years. A national news magazine has a feature article entitled, "What's Happening to American Morality?" Many people are finding it easier to conform than to reform. Let's take a look at some of the problems we face.

DRUGS. Marijuana use has almost doubled among 12-17 year olds. Hard drug use has led to an upsurge in theft, mugging, and murder. Senator Robert Morgan was recently robbed in our nation's capital. His secretary and other office personnel has also been robbed.

ALCOHOL. A report by the National Institute on Alcohol Abuse and Alcoholism claimed that 14 percent of the high school seniors all over the USA became intoxicated at least once weekly. Even more astonishing, it was reported by HEW that 63% of the boys and 54% of the girls in elementary school have taken at least one drink.

SEX. We live in a day of "no marriage" marriages. People are living together, having children, and then separating when they decide to do so. Too, the number of children born to teenage, unmarried mothers continues to grow. Also, the problem of homosexuality is continuing to spiral upward. Major and old-established, main-line denominations are having to make a stand on this issue.

As Christians we need to be enlightened about these moral issues. However, at the same time, we must keep in mind that Christ died for the sinner. We should approach these problems with the right spirit---that is that there is help for every individual in Christ.

Rev. Paul Phipps

ANNUITY BOARD REPORT

The year 1977 was one of contrasts for the Annuity Board.

While the Board grew markedly in new retirement and insurance accounts, investment earnings suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants' checks. The increase was retroactive to January 1.

2. A total of $19,085.316 paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs exceeded $12 million.

3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2, 169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942 - including relief. Total assets climbed to $498,977,661, compared with $473,142,631 a year earlier.

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program.

In Ashe Association 22 churches and 24 staff members are participating in the retirement program. Ashe Association is also participating for their Director.

ASHE BAPTIST SUMMER CAMP REPORT

We thank God for the use the Summer Camp is getting and its exposure to many new people this year. The Camp is almost booked for the entire Summer by Ashe Baptist Christians and other Christian groups.

The "Mattie Parsons Memorial Building" has been wired for electricity and is being made ready for siding to be put up. We are in the process of borrowing $12,000.00 to complete the final phase of construction. This building is expected to be completed by Fall of this year.

The Care-Taker for the grounds this year is Rev. David Testerman who is pastor of the Pleasant Home Church in our association. Treasurer of the camp is Mr. Ronnie Hopkins of the Bald Mountain Baptist Church. At the present time we have $2,600.00 in the general fund. We are trusting in God that our financial needs will be met. If your church budget doesn't include the Ashe Baptist Summer Camp, I urge you to consider it prayerfully.

We thank you for your support in the past and look forward to the future and its challenges. Please remember the Summer Camp when you pray.

REPORT ON CHRISTIAN LITERATURE

The moral condition of our nation today emphasizes the need of Christian literature. Our young people have access to all other kinds of literature, so, why not place before them that kind of literature which shall enrich their lives and help them find themselves and their life's work? They are going to read something, so let us do all we possibly can to see that they read that which is good.

Christian literature includes books, periodicals, quarterlies, tracts, promotional materials and teaching aids. The literature that is used in our Baptist churches and church organizations is published by the Baptist Sunday School Board in Nashville, Tennessee. This literature is written by consecrated and dedicated Baptists who are well-qualified to render this service to our denomination and to our Lord. This literature is made available to us through the Baptist Book Stores, the Sunday School Board or our organizational offices. Our own State paper, The Biblical Recorder is published 48 weeks per year keeping North Carolina Baptists informed about our denomination.

PASTOR'S SALARY AND RETIREMENT

The bond of fellowship; the joy of doing God's will; the shared adventure of work for Christ; service to mankind; all of the above are rewards for serving as one of God's ministers. However, a minister must exist financially in our world today. A minister's salary should be based on training, experience, performance, and cost of living. Living costs vary, of course, depending on location, rural, urban, small town and city. The support of the minister with many fringe benefits is practiced here. This too, should be considered in the budgeting of the minister's salary. Each church should care for their pastor through the Southern Baptist Protection Program providing Retirement, Life and Health insurance.

Our association has 58 churches with 6,000 members. There are 9 to 10 full time ministers. There are some 50 or more ordained or licensed preachers in our county. We have 3 with some seminary training; 4 Fruitland graduates with 3 pastors presently enrolled; 3 pastors have some college training and 40 or more with high school or less.

The rewards are numerous in the ministry, not just financial. It has been a joy to be a part of that ministry this year.

Mrs. Ken (Judy) Morris

BAPTIST HOSPITAL REPORT

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastorial Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $10-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

VACATION BIBLE SCHOOL REPORT

Within two months time, Vacation Bible Schools were held in forty-two Baptist Churches. In the forty-two schools there was a total enrolment ot 2,780 individuals, with an average attendance of 2,144 pupils — plus a total enrolment of 745 adults, with directors of the schools. The time spent in the schools was 227 days and a total of 514 hours.

Total expenses of the forty-two schools was $4,732.39, plus offering to the following Mission causes: Cooperative Program - $1,521.51; Missions not through Cooperative program - $209.34; Baptist Children's Homes - $105.25; and to an individual missionary - $46.45. The total to all Mission Causes was $1,882.55.

In all Vacation Bible Schools, there were seventeen professions of faith, thirty-six rededications and one commitment to church related vocation.

Within the enrolment of the schools, there were 203 pupils not enrolled in any sunday school, and also 208 parents.

A number of the schools reported reaching the Merit Achievement Level, and one the Distinguished Achievement Level. We are grateful to all who worked toward the Achievement Level. This helps us to have better schools.

The Achievement Level is our guide to better schools. To follow this guide means improvement in the type of schools, better informed directors and better informed pupils.

Too, we are thankful to find that 34 schools used Southern Baptist Literature, which is one requirement in obtaining points in the Achievement Guide. Also, for at least two of each church's workers to attend the Associational Vacation Bible School Clinic will help toward reaching the Achievement Level.

Why go to expense of having a Vacation Bible School without giving our best to the work. Before starting in our schools, we should sincerely adopt the slogan: "I'll do the best I can, with what I have, where I am, for Jesus's sake." Why not? Jesus gave His life for us.

Again, we would like to say thanks to all who had a part in the work of these Schools. There were 42 Church Schools and one Back Yard Bible Club - In 2 sessions: (1st Session: 1 hr. daily - 5 days ; Enrolment 4); (2nd Session: 2 hrs. daily - 5 days; Enrolment 15).

STEWARDSHIP & COOPERATIVE PROGRAM REPORT

In keeping with the Great Commission of Jesus as recorded in Acts 1:7-8 our State Convention in 1977 adopted a program that is known as "BOLD MISSIONS". If we as Ashe County Missionary Baptists are to achieve our part in this great effort, it will be necessary for more of us to become tithers of our income, or more as the Lord leads us. God has no other means to reach the lost of the world but by a serious effort on the part of His professed followers.

More than 50 years ago our denomination adopted a program of giving known as the "Cooperative Program". This has been a very successful vehicle through which we can make one gift that will assist all worthy causes which we support from here to the ends of the earth. While this has been very successful, Baptist have been slow in carrying the "Great Commission".

"BOLD MISSIONS" is an effort to greatly enlarge our efforts in the KINGDOM WORK. Based on our record in 1977, "BOLD MISSIONS" has launched a five-year program 1978-1981 to expand our efforts with goals for this 5 year program as follows:

1. Increase Sunday School Enrollment by 150,000
2. To Double Baptisms
3. To Double Our Church Giving
4. To Double Our Cooperative Program Giving
5. To Double Our Associational Giving

Let's make every possible effort to get each church in this association to participate in the Cooperative Program. Of course each church can still make designated gifts to any cause.

Another goal of "BOLD MISSIONS" is that every person on this earth have an opportunity to hear the Gospel Of Salvation by the year 2000 (only 22 years from now).

Let's all line up behind "BOLD MISSIONS" and see that our goals are met.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30% of the decedants died without a written will.

2. Very little was provided for the church or any charitable cause through the wills that were probated (Six-tenths of one percent was given to all charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes.).

3. 45% of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.

4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.

5. Based on resident Baptist population in the state, a tithe of the estates of Baptists that die each year would provide in excess of $10,000,000 additional dollars annually to the support of Christian missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. prepare a will or have their will updated;

2. provide for their church pledges and commitments to be fulfilled through their will;

3. seriously consider a tithe of their estates to a Christian cause.

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church - an amount equal to the entire church contribution to the Cooperative Program in 1977. (And this was a substantial amount.) These two persons through their wills will double the church gifts to missions.

During 1977-1978 fiscal year, the Foundation has received $198,139 in additions to the trust funds being held. Twenty-seven new trusts were established.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

STATE MISSIONS

What if you had a State Missions Offering and nobody gave? 51 different ministries, involving thousands of people, would be left out.

State Missions is actually the mission of evangelism across the state. All areas of State Missions are evangelistic in nature. The Evangelism Conference held in some city in the state each year, the Youth Evangelism Conference, Lay Witnessing, and Summer Youth Teams are some of the important phases of the state evangelism program.

The State Missions Offering will come in September. This year we enter Phase II, under the theme, "Entering the Door For Bold Service." The state goal is $1,200,000 which will be used for MINISTRY SUPPORT, DEBT PAYMENT and BOLD MISSIONS.

Some of your fellow-Baptists will be visiting your church soon to share with you information about State Missions. These people attended a regional workshop recently to better equip themselves on ministries and goals of the State Missions Offering for this year.

Let LOVE THY NEIGHBOR lead you to give your share so 51 different ministries, including thousands of people will not be left out.

Bill Ballou

RESOLUTIONS COMMITTEE REPORT

1. We express our appreciation to these churches for being such wonderful host in providing for our needs, also to the pastors Rev. Mike Lemley and Rev. Joe Riley Blevins.

2. We express our appreciation for the planning and the presentation of the Program; for the inspiration from the speakers, for all information received.

3. We express our appreciation to brother George West for the fine job he has done as Moderator through the years.

4. That we give special recognition to our Director of Missions, Rev. Bill Ballou for the wonderful work he has performed.

5. That we extend our appreciation to pastor and delegates for the fine spirit of co-operation they have shown during this Associational Meeting.

6. That we give thanks to our Lord for his Love and for the marvelous Blessings we have received in the past year. As we are already in a New Year, let us be more aware of the needs of our Association, be a more dedicated witness, and give God the Glory for it all.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the State for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our Homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the piedmont area, Mills Home, foster home services, emergency care at Burlington and Charlotte, the high adventure program at Wall Home, the Child Development Center on the Mills Home campus, programs of crisis intervention, counseling, and family education fill a particular need in this area of the State.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the "Bold Mission Thrust", the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

REPORT OF THE CHRISTIAN LIFE COMMISSION

During the past year there have been a number of encouraging developments on the moral scene: large numbers of Christians have become more highly sensitized to the increasing level of immorality which is beamed into their homes by television; new initiatives have been made to deal with world hunger; renewed attention has been given to human rights; the importance of doing the gospel in daily life has been more widely accepted in the churches; and the place of Christian morality as the natural outgrowth of Christian conversion has come to be more generally subscribed to among the people of God. There have been enough discouraging developments on the moral scene, however, to keep Christians humble: hunger and poverty persist; racial problems go unresolved; gambling and alcohol interests keep on finding new victims; the arms race continues its malignant growth; the energy crisis keeps building; health care costs continue to rise; and both inflation and unemployment trouble multitudes of people at home and abroad.

The Christian Life Commission has responded with all its might to these moral challenges. Through conferences, literature, organizational activities, speeches, sermons, books, and the mass media, the Commission has assisted Baptists working to bring God's righteousness to a sinful world.

Renewed attention has been devoted to the problem of hunger and the terrible toll it extracts from human beings who have been denied their right to eat. The Christian Life Commission worked with several other agencies to lead Southern Baptists in the first observance of World Hunger Day on August 2. This fall a Convention-wide Convocation on Hunger is being sponsored by a group of Southern Baptist agencies chaired by the Christian Life Commission. This Convocation is intended to raise consciousness about hunger and suggest effective ways through which Christians can combat world hunger.

Following last year's battle over "Soap," the struggle against immoral television programming also has continued. The Christian Life Commission's "Help for Television Viewer's packet, distributed as a Cooperative Program-funded project to nearly 50,000 church leaders last year, has received wide publicity and use. The ABC Evening News as well as *Newsweek* magazine, *The New York Times, The Washington Post,* and the *Los Angeles Examiner* gave attention to the packet and to the Christian Life Commission's work in the area of television morality.

The Commission has continued to help God's changed people in their task of changing the world. A number of regional conferences have been conducted in 1978 to assist pastors and laypersons in applying the gospel to daily life. A national seminar held in Nashville, Tennessee, considered current lifestyle issues in Christian perspective. Two consultations were held to aid Southern Baptists in their efforts to deal with moral problems related to alcohol and family life. A specialized conference helped church leaders come to grips with their moral responsibility in the energy crisis. Again the Christian Life Commission provided posters and literature to the many Southern Baptist churches choosing to observe Race Relations Sunday and Christian Citizenship Sunday.

The task is not complete. In this imperfect world, new moral challenges are constantly arising. Yet Christians have a sense of genuine satisfaction in knowing that during the past year God's people have been faithful as His salt and light in the world, a people truly on Bold Mission, doing the gospel of God in Christ. The Christian Life Commission, in accordance with its mandate from God and from Southern Baptists, continues in its commitment to help Southern Baptists work faithfully in the whole field of applied Christianity.

Respectfully submitted,
Foy Valentine
Executive Secretary

DIVISION OF CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life Council is comprised of twenty persons elected by the State Convention. These persons give overall leadership to the Council's staff.

A number of moral concerns were address by the Council in 1978. Family relationships continue to be a high priority. Opportunities such as marriage enrichment retreats, a workshop on parenting, single adult emphasis, and minister-wife retreats were conducted by the Council. Various materials dealing with family life were produced and distributed. Strengthening the Christian home is essential to the welfare of our nation and churches and the Christian Life Council is committed to that task.

Much energy was spent working for the defeat of the liquor by the drink bill. Over 125,000 flyers were distributed to North Carolina Baptists. While the efforts of Baptists did not defeat the bill, our efforts did result in a better bill being passed than the one originally proposed.

Another concern of the Council is television and its impact upon the morals of our people. Over 60,000 copies of "THE GRABBER", a pamphlet dealing with the use and abuse of television, were distributed upon request. Unless Baptist learn to control television, it will control them by occupying their thoughts and time.

World Hunger is an issue which haunts all of us. The Council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. August 2 is World Hunger Day among Southern Baptists and the Council attempted to help Baptists be aware of this emphasis.

On several occasions Jesus stated that His disciples were to reflect their faith in Him through their lifestyles. Discovering the will and the way of Jesus is what the Council seeks to do.

Dir. Charles V. Petty

ASSOCIATIONAL MUSIC REPORT

Music has been called the "Universal Language of MANKIND." Surely this statement carries with it a lot of truth. Even those we know who can scarcely carry a tune, love to go about their work singing. One of the most spiritually uplifting memories of my growing-up years is hearing a saintly aunt singing hymns as she went about her daily chores.

The vast number of souls won to Christ as a direct result of music and singing will not be known this side of heaven. How can we place a value on Godly music in our churches? We cannot except in it's effectivness to lead lost souls to want to know Jesus as Savior and Lord.

We who are music leaders have the opportunity and challenge before us in the next few years that is the greatest we have ever had. I want to encourage all persons in our association who have a music leadership roll in your church to co-operate when called upon. Music is one of the departments of Southern Baptist who will be striving to DOUBLE our witness for Christ by 1982 - and it's called "BOLD MISSION THRUST." Will you come together, when called upon, and pray with us, plan with us, and work with us to advance the work of our wonderful Lord?

Dwight L. Moody, who shook both America and England for Christ is credited with this statement. "The world is yet to see what God can do with a man fully and totally committed to Him." If we feel that our capabilities are not great enough, Let's Remember, that's for God to decide, not us. We are to prayerfully seek His will, submit to that will and leave the results to Him. May God bless you as you do this.

SEMINARY EXTENSION

Seminary Extension (School Of Christian Studies) is a means by which the pastor who was unable to attend college and seminary can acquire and further his education while at home. Credit and non-credit courses are offered. Classes for lay people are also offered.

Classes will begin in our association on September 1st. Pastors have been asked to enroll all interested persons in their fellowship.

Our associational Seminary Extension Director, Mr. Richard Blackburn urges your enrollment. He will be teaching one of the classes.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY REPORT

The academic year, 1977-78, at Southwestern Baptist Theological Seminary has been a year of celebration and a year of dynamic response to the challenge of Bold Mission. The celebration concerns the 70th year in the life of the institution and the 20th year of the leadership of retiring President Robert E. Naylor, the fifth president of the seminary.

The trustees named Russell Hooper Dilday, Jr., of Atlanta, Georgia president-elect effective January 1, 1978. He becomes the sixth president on August 1, 1978.

For the first time in its history, Southwestern Seminary presented degrees and diplomas to more than 800 people in a single year. Included were 688 men and 126 women; 58 doctors degrees were conferred. These figures represent the basic contribution of the seminary to Southern Baptist life and leadership.

Enrollment for the year continued to set new records. In the academic year 4, 136 students registered. There were 2, 420 in the School of Theology; 1, 345 in the School of Religious Education, and 366 in the School of Church Music.

New faculty personnel added during the year include C. L. Bass, associate professor of music theory and composition; Tommy L. Bridges, assistant professor of educational administration; Paula Brooks, instructor in communication arts; Michael Malek, instructor in church music education and Albert L. Travis, associate professor of organ.

HOME MISSION

Bold Mission Thrust - the Southern Baptist Convention's plan to reach the nation for Christ - occupied a top spot in the attention of staff, missionary personnel and directors of the Southern Batist Home Board during 1977. In cooperation with state conventions, the HMB devoted considerable attention and effort to working with both state and associational leadership in the implementation of Bold Mission Thrust plans. The staff of the HMB also was engaged in consultations with state leaders to select key cities and key under-evangelized counties for special BMT assistance. The agency provided special staff consultants to work with local forces in planning strategy and coordinating the use of resources. In 1977, Phase One of the concentrated effort gave attention to six metropolitan areas and some 60 counties.

At the year's end, the Home Mission Board staff reached 102. In the past decade, 29 positions have been added to the staff. During 1977, three new positions were added: assistant dirctor of the language missions department, assistant director of church extension, and director of Mission Service Corps coordination. During the year, the missionary force increased 338, growing to 2,830 persons under appointment. The increase came about through inclusion of the wives of those receiving Church Pastoral Assistance and new positions.

Again during 1977 financial support of the work of the HMB was outstanding. Cooperative Program gifts increased 15 percent and contributions to the Annie Armstrong Easter Offering for Home Missions gained 11.58 percent. The HMB received $9.4 million in the basic CP allocation, plus $431,507 from the challenge section. The AAEO provided $10,745,968.

During the year, the 14 program areas and six support sectors performed a number of functions. Following is a list of the programs: Evangelism Development, Personal Evangelism, Mass Evangelism, Chaplaincy, Church loans, Associational Administration Service, Metropolitan Missions, Rural-Urban Missions, Christian Social Ministries, Church Extension, Cooperative Ministries with National Baptists, Interfaith Witness, Language Missions, Pioneer Missions, Special Mission Ministries, Planning Section and Services Section.

FOREIGN MISSIONS

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. The appointment of 279 missionaries in all categories of service during 1977 exceeded the record of all previous years. Much prayer and missionary education in the churches are reflected in this response to Christ's calling.

As of January 1, 1978, Southern Baptists were at work in 90 countries, with a missionary staff of 2,776 (including 2,365 career missionaries, 217 associates, 183 journeymen, and 11 special project workers). The new appointees included 127 career missionaries, 18 reappointments, 31 missionary associates, 94 missionary journeymen, and 9 special project workers. One person from the home office staff was appointed to missionary service, and one to journeyman service. The 1977 appointments bring the total appointed since 1845 to 6,147.

There was thrilling response to the Bold Mission Thrust, with the Mission Service Corps and volunteers in missions programs. A total of 2,413 people in addition to the missionary staff went overseas in 1977 for periods of auxiliary service ranging from 2 weeks to 1 year.

Increase in missionary personnel automatically means the assumption by the foreign Mission Board of responsibility for support for the new missionaries. Southern Baptists, committed to the task of making Christ known to all the world during the remainder of this century, continued to provide undergirding for this vast outreach through the Cooperative Program and the Lottie Moon Christmas Offering.

At the end of 1977, Southern Baptist foreign missionaries were assigned to 90 countries and territories. Medical work and social service ministries are closely related in motivation and results, and serves the needs of thousands of people who would otherwise be neglected and often opens strategic doors for evangelism.

NEW RIVER BAPTIST CHURCH
Site of Friday's Session

New River Baptist Church was organized in 1891 by D. W. Thomason and J. F. Fletcher. Charter members were: John J. Garvey, Matilda J. Garvey, Mary Phipps, Martha Phipps and Martha Pollard.

The Church is located near New River at Weaver's Ford. The original building still houses the congregation. Repairs and additional room have been added during the years. The wooden church building which once rested on stone pillars has been bricked, and a basement added for the purpose of Sunday School rooms. The Church has recently built a picnic shelter and paved the parking lot.

Rev. Jimmy Warden now serves as pastor. Former pastors include: Rev. G. L. Trivett, Rev. J. D. Spencer, Rev. W. T. Whittington, Rev. W. H. Caldwell, Rev. Buford Hash, Rev. J. R. Shumate, Rev. Roe Pasley and Rev. Fred E. Jennings.

Mrs. Jaylene Warden is the present clerk and treasurer. Former clerks have been as follows: W. D. Brown, G. H. Pugh and Ann Huffman.

OBIDS BAPTIST CHURCH
Site of Saturday's Session

In about 1891 a small group of Christian people came together in the Obids communi and began holding prayer services in the homes. This was the beginning of Obi Baptist Church which was informally organized in 1892.

The first services were held in an old log school house under the direction of Re J. Floyd Fletcher and other ministers that traveled through the community from tim to time.

The record states that a letter of organization was read and approved on the thir Sunday in June 1892, with Rev. T. M. Duncan, Moderator and W. H. Hartzog, Clerl (Letter of organization not recorded)

Deacons were: Isaic Faw; D. H. Burgess; Lee J. McNeill

In August 1892 the church agreed to join the Ashe-Alleghany Association. Brothe W. H. Hartzog, church clerk was appointed to represent the church in that body.

(There Is No Record From 1892 To 1902)

The church was re-organized in August 1902 with Rev. J. Floyd Fletcher as pasto He served until August 1905.

In July 1903 plans were made to build a church building and the following men wer appointed as a building committee. D. H. Burgess; D. C. Absher; F. M. Brown; I. F Faw and W. H. Hartzog.

Sister Julia Absher contributed 1 ⅝ acres of land and upon this land Obids Baptis church was built.

Brother Frank Brown and wife Martha Brown contributed the lumber, which he ha cut and sawed himself to build a two story home for his family.

On February 11, 1911 the church building was dedicated to the Lord. Rev. L. B Murray preached a very inspiring dedication sermon. This building was used untill 1947

In the Summer of 1947 plans were discussed for building a new church. On Septembe 20th of that year a building committee was appointed by the pastor, Rev. E. Z. Sexto and later confirmed by the church.

During a revival meeting in November 1947 much new interest was shown in a nev church building and the new building was started in early 1948. The old church buildin was torn down to make room for the new building which was completed in early 1949.

REV. ALVIN P. HOWELL
1898 - 1979

Rev. Howell served the following churches as pastor: Apple Grove, Helton Valley, White Top, Laurel Creek, Landmark, Sturgills

REV. J. HERMAN GENTRY
1902 - 1978

Rev. Gentry served as pastor of Mission Home Church

REV. T. J. COCKERHAM & Wife
1886 - 1979

During Rev. Cockerham's pastoral ministry he served Friendship, Liberty Hill and Welcome Home

It is in loving memory that we dedicate our 1979 Annual to these faithful servants of our Lord who have now gone to their eternal reward with Him.

Someone has said that men should live so as to leave a strong influence for the good long after they have stepped from the stage of action.

As we read these words we can't help but wonder if they were not spoken with these three servants of God in mind. We are inclined to believe just that. May God bless their memory to all our hearts.

Abstracts of Principles

1. We believe in one true and living God, and that there are three persons in the God-Head: the Father, the Son and the Holy Gost, and these three are One.

2. We believe that the Bible, the Old and New Testament, is the Word of God and the only rule of faith and practice.

3. We believe in the impotency of man and the soverignty of God.

4. We believe that Salvation is by Grace through Faith in our Lord Jesus Christ.

5. We believe that Baptism and the Lord's Supper are ordinances instituted by Jesus to be practiced only by believers in their spiritual order.

6. We believe that Baptism is the immersion of a believer in water by a qualified administrator, and that those who are thus bapitzed and are in fellowship with the church in feeling and doctrine should take the Lord's Supper.

7. We believe in the final perseverance of the Saints in Grace and Glory.

8. We believe in the resurrection of the dead and general judgement.

9. We believe that the existence of the righteous and the wicked will both be of eternal duration, and that the happiness of the righteous and the punishment of the wicked will both be eternal.

Rules Of Order

1. Every session shall be opened and closed by prayer.

2. When the Moderator calls the house to order, every member shall at once shall take his seat.

3. When a member wishes to speak, he shall rise and address the Moderator, and not proceed until he is recognized.

4. No member shall speak more than twice on any subject except by permission of the body.

5. It shall be counted disorder for any member to stand up, leave the house or hold private conversation while any person is speaking.

Church Covenant

Having been led as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Gost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into this covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church and the relief of the poor; and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealing, faithful in our engagements, and exemplary in our department; to avoid all tattling, back biting and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense but always ready for reconciliation, and mindful of the rule of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's Word.

NORTH CAROLINA BAPTIST FOUNDATION REPORT

"Moreover it is required in stewards, that a man be found faithful."
1 Corinthians 4:2

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministeries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their Wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as, taking advantage of the laws of our land in reducing taxation on resources - both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, association Director of Missions or by writing or calling the Foundation office. The address is: P. O. Box 26508, Raleigh, North Carolina 27611.

BAPTIST HOMES FOR THE AGING

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We would give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced!

Of outstanding importance has been the completion, dedication, and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accommodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments, accommodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home, in Yanceyville; the Western North Carolina Baptist Home, in Asheville.

Support through the Cooperative Program for our Homes, which supplies about 8% of our total budget continues in a steady and encouraging manner. During the 28 years of the ministry of the Homes, however, the amount of 1 2/10 % of the Baptist State Convention Cooperative dollar for the Homes has never been changed.

Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented. This, therefore, is a ministry of Christian love and compassion at its best in the lives of those dear people who are in our care.

REPORT OF THE BIBLICAL RECORDER

In its 146th year of serving North Carolina Baptists, the RECORDER, like old man river, keeps rolling along. The RECORDER faced the same problems as everyone did in the past year — price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 per cent a year. This means the RECORDER is costing four times as much to mail as it did five years ago. Paper and printing have gone up, but despite these increases, the RECORDER still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the RECORDER can still go into every home in a church for 7½¢ a week. In today's inflationery world, where else can a person receive so much for so little money.

This has been a news worthy year and the RECORDER has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the RECORDER to strive for fairness and responsibility coverage.

The Southern Baptist Convention in Houston was another important story this year and as always, the RECORDER was there.

Even though the RECORDER prides itself in coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The RECORDER believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churchs result in a strong denomination.

The editor is completing 20 years and is still striving to make the RECORDER better each week. Your support of the RECORDER will not only mean much to it but will make you a stronger and better informed Christian. If you and your church do not receive the RECORDER, please take steps immediately to see that this is done.

ASHE COUNTY

NORTH CAROLINA

BAPTIST HOSPITAL REPORT

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counselling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED

Children in the care of Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are bing attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

Western North Carolina families have ready access to all services of the Baptist Children's Homes through Broyhill Home, the Maternity Home in Asheville, Emergency Care at Forest City, a network of foster homes, social work services from Broyhill and Asheville offices and counsel from staff in the west or through other resources in general staff located in Thomasville. A Family Services Center headquartered in Charlotte and serving eight surrounding counties has successfully piloted the concept of community based services and is another resource to west and piedmont especially.

Every effort is being made to be a part of and cooperate with the Bold Missions Program of advance fostered by the Baptist State Convention in cooperation with the local church.

A major portion of the 1978-79 operating budget of the Homes comes through the Convention from the local church in the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optomistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

REPORT OF THE CHRISTIAN ACTION LEAGUE

The League is pleased to make this report, grateful for the support which you have given and happy to mention some decisions which affect the social climate of our state and the moral fiber of our people.

The Supreme Court of the State of North Carolina has ruled the antipornography bill constitutional. Better known as the Lake Bill, it is ready to be enforced by sheriffs, police chiefs and district attorneys.

The Court of Appeals of the State of North Carolina will hand down a ruling soon on the challenge to the liquor-by-the-drink legislation passed by the 1978 session of the Assembly. This suit was filed in Wake Superior Court in January and the decision by Judge Pou Bailey has been appealed to the Appeals Court. A brief has been filed and the next step is to present arguments before the court. Our attorney feels that we have a good chance of winning the case, but the only thing to do now is wait. The League has discovered that law suits are time-consuming and expensive. We need your prayers and your financial support in this matter.

The North Carolina Senate, in a last-day move, passed a bill which under certain conditions will give cities and towns a chance to vote after the county has voted to turn down liquor-by-the-drink. This will undermine the basic philosophy which underlies the passage of the original L-B-D bill. Since this bill has passed the Senate, it can be considered by the House in the short session to be held in June, 1980. We need to secure commitments from our Representatives that they will oppose the bill, which is Senate Bill No. 943.

A decision (vote) by the members of the Senate of North Carolina killed a bill which would have relaxed the penalties for the possession of up to four ounces on marijuana. We rejoice in this victory.

On May 1 of this year, Bro. Coy Privette became the full-time Associate Executive Director of the League. Continue to pray for the Directors, the officers, the trustees and expand the support which you are giving the League.

On July 9th. a local chapter of the Christian Action League was formed in Ashe County with Dewey Campbell elected President, Lonnie Crawford - Vice-President, Anetta Yates - Secretary, Tom Grubb - Treasurer and Bruce Roten - Public Relations.

EXECUTIVE COMMITTEE REPORT

The Executive Committee has met on all scheduled meetings this past year and have taken action on all business brought to its attention. The committee also had one special called meeting in August for the purpose of appointing a committee to draw up a job description and guidelines for the Associational Directors of Youth Ministries.

We are happy to report that we have been blessed with another good year. Through the cooperation of the churches and help from the Baptist State Convention we have been able to pay our expenses. At times funds become short but God has blessed us in seeing that they come through.

It is our prayer that the association can become self supporting without any help from the Baptist State Convention. This should not be a problem with 58 churches in the organization. If your church is not contributing to support our association would you prayerfully consider a small contribution each month?

The Executive Committee performs a vital role in the business affairs of the association, so please urge your Pastor and elected member to attend these meetings.

The committee meets on a bi-monthly schedule on the third Thursday at 7:30 p.m. at the churches so designated in the Associational Calendar. If you know of any business that meets the attention of the committee, call or meet with us during these meetings.

In conclusion, we challenge each of you to support your association not just financially, but with your prayers, your witness or whatever it takes to carry on God's work. Lets be God's workers together.

Respectfully Submitted,
Jimmy Griffin, Chairman,
Executive Committee

ASHE BAPTIST SUMMER CAMP REPORT

As we look back over the past year since our last annual meeting and see the progress that has been made, we truly thank God for his wonderful blessings, and the warm hearted people of the churches who have supported the summer camp with their money and prayers.

The Mattie Parsons Memorial Building is nearing completion, and within a short time should be ready for our annual meetings, a week's camping, or just as a retreat for pastors, deacons, picnics or church outings.

The camp has really been used this year. We are glad that more and more people are going out and enjoying their camp, and the facilities provided. Truly God will bless us for our efforts to help our youth. We hope this year that many more churches will participate in the activities and support of the Ashe Baptist Summer Camp.

We are trusting in God that our financial needs will be met. If your church budget doesn't include the Baptist Summer Camp, we ask that you consider it prayerfully.

We thank each church and every individual for their support and prayers in the past and are looking forward to the future and its challenges. Please remember the Ashe Baptist Summer Camp in your prayers and support.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

If you will recall, the very first act as your Associational Sunday School Director was to publish a letter in the October '78 Associational Newsletter, reminding you that "Bold Missions" and "Let the Church Reach Out" are more than just words! It must be a "movement", and that movement must begin within you and me!

The very first goal of "Bold Missions" is to increase Sunday School enrollment by 150,000 by 1982. This is going to take prayer, planning and just plain hard work, but the first prerequisite is "Commitment" on the part of each of us!

Those who attended the "Key Leadership Conference" at Ridgecrest on May 14-16 this year, heard from both our State and Southern Baptist representatives that "we are in the midst of a crisis situation". The only increases so far in the total "Bold Mission program have been in giving and in church music! Now these things are fine, but what about people-lives, souls?

A great Statesman once said: "the only thing we have to fear is fear itself". Today our worst enemy within our churches is not fear, not poverty, but Apathy-unconcern! We have become satisfied with the status quo, we have lost our "first love" our missionary zeal! It must be regained!

We now have many materials available to aid us as we set about to reverse this decaying trend. We are ready to set a date for our Associational Conference or we will meet with any church to aid in formulating plans and setting worthy goals.

Harry Piland, director of the S.B.C. Sunday School Department calls the Sunday School the church's "best friend & ally". We could add, as the Sunday School goes, so goes the church! We must get the social club atmosphere out of the Sunday School, and utilize this time in some serious Bible study! Try it and you'll be surprised what God can and will do in us and in our churches if we'll all take Him and our commitment to Him seriously!

CHURCH TRAINING REPORT

Training remains as one of the most urgent needs of the church today — training better to perform our jobs as teachers, church officers, or deacons; training to become more meaningfully involved church members; training to apply the Bible to the demands of modern-day living; training to witness; training to be workmen "that needeth not to be ashamed."

The state of Church Training in most of our churches is about like the state of the temple before King Josiah sent workers to restore it (II Chronicles 34). Even the most sacred book of the law had lain forgotten in the temple. Church Training is a sacred treasure that needs rediscovering in our churches. It's time to dust it off and put it back to work, not as a relic of the past but as a driving force for the present and the future.

Your Associational Church Training sponsored the M-Night program which was rather will attended. We in Church Training hope to be able to provide some training opportunities for you during the coming year, even if your church does not have a Church Training program, and we stand ready to assist you, whether you be few or many. We believe wholeheartedly in training, whenever it's conducted, but we also still believe that church is the Sunday night place to be!

ASSOCIATIONAL WMU REPORT

For the past year 1978-79 Baptist women of the Ashe Assoc. have enjoyed a work shop held in October and the Annual Meeting in April. When we say Baptist women we refer to those ladies of our churches that have organized W.M.U. Out of all our Baptist churches we have only nine active W.M.U. organizations, of these only five took part in the work shop and Annual Meeting.

Your Associational Council can be only effective as the churches will allow it to work with them. Let me urge all Pastors and leaders to consider the total church program and include the W.M.U. as a vital part of our mission work which serves us so well locally, nationally, and foreign.

The association has new offices for 1979-80 — please let me urge you to let these people be of service to you. They want to help in any way they possibly can.

Thank you for allowing me to work with Baptist women in our association for the past two years - it has surely been a blessing to me.

ASSOCIATIONAL MUSIC REPORT

One should trust God and not become discouraged untill there is positive reason for such discouragement.

The overall response last year to our Key Leadership Music Conferences was, to say the least, not as great as we had hoped, but those attending were definitely interested in the progress of our Associational Music Program.

Those who attended last year, evidently, have encouraged their people. I did not tabulate each church in the association, but the overall totals show increases in attendance in almost all areas. This is most encouraging, and I am thankful to those leaders who allowed God to work through them. God will bless if his people are faithful. I would encourage every music leader in our association to plan regular choir practice sessions, including at least three choir groups; a children's choir, a youth choir (9-17), and an adult choir (18 and over). I would also encourage those churches hot having a choir leader to elect one and allow me to help them in whatever way I can. Let's have a "Forward Thrust" associational music emphasis for our Lord's work in the 1979-80 church year. "So we built the wall ----- for the people had a mind to work." Neh. 4:6

Let's work together with the talents and opportunities God has freely given to us.

VACATION BIBLE SCHOOL REPORT

During the month of June, 1979 Vacation Bible Schools were held in thirty-three Baptist churches of the Ashe Baptist Association. In the thirty-three schools there was a total enrollment of 2,119 individuals — with an average attendance of 1,739 (pupils - plus directors) and an enrollment of 327 adults (adult department).

The time spent in the schools was 165 days, with a total of 424 hours. The total expense of the thirty three schools was $5,077.68 (plus offerings to the following mission causes): Cooperative Program - $1,758.66; missions not through Cooperative Program - $83.00; Honeycutt Mission - $68.87. (Total amount to missions not through Cooperative Program - $151.87).

Within the schools there were 39 professions of faith and one committment to church related vocation.

In the enrollment of the schools, 164 pupils were not enrolled in any sunday school, and 284 parents were not enrolled. This gives us a total of 448 prospects to work toward enrolling in some sunday school.

Twenty-nine schools used Southern Baptist literature, for which we are grateful. Also, this is one requirement in reaching an Achievement Level. Some of the schools reported reaching the Merit Achievement Level, and one an Advanced Achievement Level - for which we are thankful. To work toward the Achievement Level helps to have better schools. However, if you failed to reach the Achievement Level — Try Again. Study your Plan Book, pages 16-17. This is your achievement guide for grading your school. If you did reach the Achievement Level you will receive a certificate for the level you reached from the Southern Baptist State Convention with a seal for your level reached.

A Merit School requires 15 hours and from 55-69 points obtained by following V.B.S. Achievement Guide. An advanced School requires 24 hours and from 70-84 points obtained by following V.B.S. Achievement Guide. A Distinguished School requires 30 hours and from 85-100 points from the Achievement Guide.

We are thankful for all that was accomplished through V.B.S., and we are hoping for greater results in the coming year.

REPORT OF THE AMERICAN BIBLE SOCIETY

The years had taken their toll. Her face quite wrinkled now — possibly from years of working in the sun, because she was obviously not wealthy. But every Sunday morning she passed his newsstand, stopped and handed him a Scripture Selection. As she did so she always said the same words to him: "Take and read the message. It will be of help to you in your life."

The newsdealer politely accepted the Selections each week and put them on a shelf beside him. He started reading — first one, then another, then another. He began to discover that indeed the Selections did contain a message for him. It was a message of hope, a new way of looking at life and living. He anxiously waited for the old lady to come by again the next Sunday morning so that he could ask her more about the Scriptures he had read. At his request she bought him a New Testament which he studied with a sense of urgency. The more he read the more he wanted to know about God.

Then came the Sunday morning when he closed his newsstand and joined the elderly lady as she went to church. There he found the peace and security for which he had been looking. He also found he was able to see his problems from a new perspective and to start living a new life. Sometime later he was baptized and began a new job directing a mission post of the church in Lima, Peru.

Now you know why we are excited when we report that over 500 million Scriptures were distributed in 1978. The seed is being sown and it falls on good soil over and over again.

Increased in Scripture distribution were dramatic in many areas of the world. Total Scripture distribution throughout 1978 by all of the Societies cooperating with the United Bible Societies reached 503,125,210 Bibles, New Testaments, Portions and Selections — a 23 percent increase over the previous year.

During 1978 more than 33,400 American Bible Society Volunteers shared Scriptures with people in churches, hospitals, nursing homes, business establishments, prisons, etc.

More than 13,300 of these Volunteers served in local churches as American Bible Society representatives.

And they operated more than 2,640 Scripture Courtesy Centers throughout the 50 states of the Union.

Gifts from the Southern Baptist Convention averaged $0.024 per member in 1978. If the per capita income were increased to just $0.04 per member per year, income from the Southern Baptist Convention would reach $517,000.

TOWN AND COUNTRY MISSIONS / SEMINARY EXTENSION

"Do not be conformed to this world, but be ye transformed by the renewing of your mind..." Romans 12:2

J. B. Phillips has a paraphrase of this verse that needs to be noted, "Don't let the world squeeze you into its mold, but let God remold your minds from within..." Paul has a good picture, both of what the world is trying to do to us, and what is the only hope we have - that of letting God remold our minds and shape our lives. We are going to have to be available to Him if we are to keep the world from making us just like it is. Datsun commercials sometime ago were telling us, "Datsun Saves". I did not like that, for that sounded too much like "JESUS SAVES", and I knew Datsun was not in that business. When I saw their next commercial, they were saying, "We are driven!" I was sure then that whoever writes their commercials must have had some theological education! For, if we are to have Bold Missions, and if the world is not to put us into its own mold, our commercial is going to have to be, "Jesus Saves" and "We are driven." It is going to take dedication to God and a seriousness of purpose and priority we have not often demonstrated.

My work as area missionary centers around Seminary Extension, resort missions, and small and rural church growth and development. In the Ashe Association, we have Seminary Extension work started both for pastors and lay persons in an effort to prepare them for the ministry God has called them to. Preparation is being made for courses to be offered this fall. In addition, Southeastern Baptist Seminary is offering courses on the Mars Hill College campus. Information about this may be secured by writing Miss Sue Fitzgerald, Mars Hill, NC 28754.

In the area this summer, twelve young people have been working as student missionaries in resort missions. They have served as campground chaplains, puppeteers, and members of a folk music team. They share the Gospel through music, day camps, Bible studies, and drama.

Ashe Association probably sends more of its pastors to the Mountain Pastors Workshop at Ridgecrest than any other association. These twenty-four hours there provide time for the pastor and his wife to get away at a nominal cost and enjoy a time for study and challenge. It is hoped that more of the pastors and families can begin to share in the Week of Christian Study and Fellowship at Mars Hill each summer during the week of July Fourth.

Bold Missions is a challenge that we really live the spirit of missions and have our minds and lives shaped by God from within. If we are to double baptisms, offerings to our churches, to the Cooperative Program, and increase our Sunday School enrollment by 150,000 persons by 1982, we will have to change what we are doing now. Dr. Ray tells the story of the missionary who said that in the spiritual life of each of us, we have drawn a line beyond which we do not plan to go in our commitment. For some of us, it may be pretty near the point from which we started; for others, it may be some distance and involve some commitment. Bold Missions, Dr. Ray quotes this missionary as saying, is beyond that line. It is on the other side of what we have been willing to do or be. I think that is a good definition and appropriate

for us to consider. If Bold Missions happens, we are going to have to stake our lives on the fact that Jesus saves, and we are going to have to be driven by the conviction that the world needs what we have experienced.

PASTOR'S SALARY AND RETIREMENT

There was a time when the man of God was only a preacher... Now, the minister is a preacher, counselor, pastor and administrator...

Today in Ashe County we have some 6,000 church members. Serving these people as their preacher, counselor pastor and friend are some 50 licensed or ordained ministers.

Some 6 to 10 of these men are Fruitland graduates: some 2 to 5 are college trained to some extent: 1 or 2 seminary graduates.

The words and deeds of these men meet the needs of our county. They help the sick and dying, they teach God's work, they help the defeated, the angry, the fearful, the shut-in, the aged, the family with problems.

We need to serve these men with love and support and economic security.

A number of our churches in the county are participating in pastor's retirement plan. In the Ashe Baptist Association there are 23 pastors & the Director of Missions enrolled in the Southern Baptist Retirement Plan.

Financial Support for Pastors

A few years ago a study was made of the salaries of the church workers in our state. It was discovered that many salaries were totally inadequate. Due to the finding a study group was made up of people of all walks of life to see what would be an adequate salary for church workers. Many churches across North Carolina have made a genuine effort to at least strive for the bottom line figure for your employees while others have continued to leave your pastors and church employees on a sub-standard wage.

Let me ask you a few questions that may help you think about what you ought to pay your pastor. (1) Can your pastor really serve you effectively if he has to seek employment on the side to pay his bills? (2) Have you stopped to realize that your pastor spent many years in college and seminary preparing to serve the Lord in the vocation of His calling? It just may be that your pastor will fail because of inadequate compensation. (3) Some churches may have an understanding with their pastors on his salary with terms like this: we will do better as soon as things pick up, or as soon as we can clear some of our debts, or on how you are faring on your salary. (4) Many pulpit committees have discovered that their salaries had to be increased several thousand dollars to get the caliber of man they wanted. Now, if you have a good pastor, you may need to make some adjustments even though he has been with you several years.

A chairman of a pulpit committee in another association said he and his church was unfair to their former pastor in the matter of salary. In order to get a man of his quality they have had to raise their salary $5,000.00. If you have a good man, why lose him to another church because you have not adequately cared for his needs?

The increased cost of gasoline is really putting a squeeze on the travel cost of many pastors. Are you making adequate adjustment on the pastor's travel item in your budget? All churches are asked to inquire regarding this matter in your church. Your pastor has a big job. Please help him by providing adequately for his travel expense.

SOUTHERN BAPTIST ANNUITY BOARD REPORT

A "Banner Year"

The year 1978 was a "banner year" and a year of challenge for the Annuity Board in servicing churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:
1. A "13th Check" equaling an additional full month's benefit and amounting to $1,036,914 was mailed to almost 10,000 annuitants in Board retirement programs.

2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs topped $13 million.

3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. a goal of $25 million by 1988 was set.

4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.

5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.

6. Premium income reached $51,797,996 (includes relief). Total assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

In North Carolina as of March 31, 1979, 2,953 staff members of 2,290 churches and associations are participating in the Southern Baptist Retirement Program.

In the Ashe Baptist Association 23 churches and 24 staff members are participating in the retirement program.

STEWARDSHIP & COOPERATIVE PROGRAM REPORT

When Jesus was here on the earth in person he founded the Christian Church, and when he ascended back to the Father he left it up to his followers to support the church and the causes for which it stands. Thus the church has no way to grow and spread its doctrines throughout the world except as provided by his followers. John 3:16 says, "For God so loved the world that he gave his only begotten son, that whosoever believeth on him shall not perish but have everlasting life." In appreciation for his great love for us, we should put forth our maximum effort to help his church grow and carry out his great commission to the ends of the earth.

Our Southern Baptist Convention is engaged in a massive effort known as "Bold Missions" to increase all phases of our work. We must have more missionaries to send to all parts of the world. We must raise more money to support our missionaries to support our schools, our hospitals, our children's homes, to keep in the relief of its sick and hungry throughout the world. Our local churches, our local pastors, our local missions must all have ever increasing support. Each of our churches and institutions must either grow or decline. Which shall it be? These are great days; we are engaged in a great work; the greater the effort we make the greater will be our blessing. Do you want to help baptize more people here and throughout the world? Do you want our Sunday schools to grow? Do you want to raise more money to help all Baptist causes through the cooperative program? Do you want to help our schools, hospitals, children's homes, homes for the aging, build more churches, and help spread his kingdom in everyway?

These are exciting days, and I want to have a part in "Bold Missions." Do you? I am proud that Ashe County Baptist are making great strides. Shall we continue to make progress in his name? Let's all help do this.

CHRISTIAN HIGHER EDUCATION

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senoir class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

Respectfully Submitted,
Mrs. Raymond (Miriam) Davis

SEMINARY EXTENSION REPORT

Seminary Extension believes that learning is for life. Learning is something that should take place throughout life. It is also something which should prepare individuals for life's significant tasks.

Seminary extension recognizes a need for training opportunities beyond the college or seminary campus. Its goal is to bring continuing theological education within reach of every Southern Baptist minister and lay person within Southern Baptist life.

For seminary graduates, Seminary Extension provides an opportunity to renew and update subjects studied earlier.

For lay church leaders, Seminary Extension affords a new depth of learning and a means to equip themselves for a wider range of service through the church.

The Ashe Baptist Association Seminary Extension Center offered two courses during the past year. The enrollment for these courses totaled thirty-six persons.

Plans for the next year are currently being formulated.

It is important that we provide training for ministers and church leaders. The essence of our goal is expressed in Seminary Extension's motto, "Continuing Education for Competent Ministry."

Southern Baptists help underwrite the cost of study with Seminary Extension through the Cooperative Program funds they appropriate for the six seminaries. This subsidy helps keep the cost per course within a range every student can afford.

ASHE BAPTIST PASTOR'S CONFERENCE

Pastor's Conference has been an exciting experience for each participating minister. We know, that through our prayers as well as others, the Holy Spirt is moving throughout our country.

The Conference meets with different churches throughout the Association at eleven o'clock, the fourth Saturday, of each month. Our average attendance for the year has been 11 out of 43 pastors in the Association.

Not only has it been a time of inspiration through worship, fellowship, and prayer; it has been a time of learning. Pastor's have delivered stimulating and also convicting messages from the word of God.

Also, every other month this year, we have speakers from outside the Assoication come and share information concerning much discussed subjects. Such as: Mr. Edd Connell of the "North Carolina Right To Life" who spoke on abortion; Sheriff Richard Waddell on drugs and alcoholism in Ashe County.

As at a time of sharing and learning, I firmly believe in Hosea 4:6 "My people are destroyed for lack of knowledge..." We as pastors need to know what is happening in our surrounding world. I would like to encourage each church to urge their pastor to make it a point to attend these conferences. Let us as pastors then share what we have learned with our people that they may join with us in winning the victory over the evil forces of our time that God "May heal our land".

Because HE LIVES

EVANGELISM REPORT

"BOLD EVANGELISM" was the theme of the 33rd Statewide Evangelism Conference at the Cumberland County Memorial Auditorium, Fayetteville, N.C., during February 5-6, 1979. It was a very inspiring time for many pastors and lay-men from the Ashe Association along with hundreds from around the state. Please plan to attend this Conference next February. It will mean much in your ministry.

Many youth, pastors, and leaders from across our state will be attending the 9th State-wide Youth Evangelism Night - August 17 - at the Greensboro Coliseum this year. We are hopeful many of our Youth from Ashe churches will attend. An inspiring program is planned. Would you please see that your youth will be able to attend?

The planning of our AREA SIMULTANEOUS REVIVALS has been completed. Some of the groups have already completed their Revival and reported good results. Others are to be held this Fall. Reports have been good on cooperation and working together. Our hope is that our churches have or will be drawn closer together and will jointly win many people to Christ.

An EVANGELISM WORKSHOP was held in Memphis, Tenn. September 24-27, 1978. Your Director of Evangelism, along with two other local pastors attended. "National Rural Evangelism" was the theme.

Several of our churches had week-end Youth Revivals this year. Results seem to be good. Other churches are planning to have Youth Revivals next year. Some of the churches used College Teams. Seems many of our Associations baptisms came from these Revivals.

Our churches have been reporting good results from this years Revivals. We hope you are making good plans for the coming year.

Total baptisms for those churches that have returned their Church Letters to the Associational Office number 135. We must get busy for our Lord and increase this number in our next Associational Year. Are we doing all we can? It took 37.58 Ashe Baptists to win one soul to Christ this past year.

The 34th Statewide Evangelism Conference will be held at Fayetteville February 4-5, 1980. Please plan to attend.

TEMPERANCE AND PUBLIC MORALS

Today is a day of "trends" and new morality. In just a ten-year span America has bathed itself in what many people would term a "new freedom." Living together without marriage seems to be the trend of the day. The star of a new TV series was discussing his upcoming marriage on a talk show recently. "Nervous about giving up my bachelorhood", he said in answer to a question asked by the host. "Why should I be? We're living together already! Can I say that on television?" He could and he did — and this from a man who had portrayed a minister on another popular series.

Organizations are now pushing that our public schools teach homosexuality and lesbianism as alternate lifestyles. Explicit films and materials are being promoted as materials for sex education classes in the public schools. "How far we have come from the olden days," some are quick to proclaim.

Pornography now can be picked up at the local "7-11" or "Quick-Pick." To save the children, the magazines may be placed behind a cardboard front. My! What God must think about the once great America.

Alcohol and drugs are taking an unprecedented toll on the lives of our young people. This scene is no longer many, many miles from us. It is right here. Our own once "dry" county now has beer and wine and lobbyists are working overtime for a liquor store.

Cults, witchcraft, and satanism are no longer in the far away islands of the sea or even the West Coast — so far away from where we are. They are here in our own state!

Christians must wake up, stand up, and speak up or our precious freedoms are going to be taken from us. Ask yourself what you can do and get on with this very life-saving, freedom-sparing task!

REPORT ON CHRISTIAN LITERATURE

Statistics show that the world's population is increasing much more rapidly than it is becoming Christian. In 1950 the total Christian population of the world was 35 percent, but according to present day trends by the year 2000 it will have decreased to 20 percent. It has been said God has an answer, and that part of his plan is a "literature explosion" that exceeds the population explosion.

I am proud of the contribution Southern Baptists are making in supplying this much needed Christian literature. Here at home we are blessed with Sunday School literature, Training Union, Vacation Bible School materials, and much more.

Three languages in which Southern Baptists sponsor major foreign language publications centers are Portuguese, Chinese, and Spanish. These centers are located in Rio de Janeiro in Brazil, Hong Kong, and El Paso, Texas, respectively. In addition, materials are published in several other languages and dialects. Southern Baptists through the Foreign Missions Board, are investing over $1.5 million annually in the production of printed materials. These include seven million periodicals, two million books, and twelve million tracts produced in over thirty publication centers around the world. This printed material includes the publication of scriptures, Bible teaching aids, training and christian growth materials, seminary text books, Bible commentaries and pastoral aid materials as well as tracts and pamphlets.

The publishing houses are always working to design new materials for use in effective witnessing, church planning and church growth. The printed page has actually prepared the way for Southern Baptist missionaries into many foreign countries. Christian literature penetrates new frontiers, piercing pagan on sub-christian cultures with the glorious message of God's love and revelation. It opens the way and establishes the foundation upon which the missionary is able to build. Testimonies abound of individuals converted to the gospel because of one gospel tract or scripture portion.

I thank God for saving my soul and giving me an opportunity to have a small part in spreading the "Good News" into all the world in the form of Christian literature through our Foreign Mission Board.

STATE MISSIONS

This year, 1979, is going to be especially important for North Carolina Baptists. We are going to give $2,000,000 for mission projects and activities in this state. However, it is not the amount that is the "first", as Baptists have given this much and more to these same causes before. But, we have given through six individual offerings. This year they are combined into one offering - the North Carolina Missions Offering. Offerings previously taken at various times throughout the year - the Heck-Jones Offering, Children's Homes, Christian Education, Homes for the Aging, Baptist Hospital, and State Missions Ministries - will be taken at the same time.

What does this mean? First, it means that we are spending less time and money in offering promotion. But more importantly, it means that Baptists are United for Ministry and ready to move ahead in Bold Mission Thrust. In addition, it means that for this one offering we must give sizeable gifts. The state is looking to you to lead out in reaching the goal of $2,000,000.

It is hoped that you, as a leader are already asking what you can do. (1) Lead your organization to pray earnestly that people will give generously. Pray privately about your part in this offering. (2) Learn all you can about it. You must lead out in informing our people, as they respond more readily when they understand. (3) Lead your family to give generously. Begin now to save money. Have a family goal and plan for saving. (4) Participate in every way possible in the promotion of the offering.

In these days of high prices it is hard to have any large amounts of "extra", unbudgeted money. So how can you give a significant offering to the North Carolina Missions Offering?

Prepare. Plan ahead. Start saving now. Why don't you get your family together right away and discuss a family plan for saving for this offering? It won't be taken until October 7, so you will have time to save a good amount.

ARE YOU SAVING FOR STATE MISSIONS?

Is that a funny question? Not if you remember the changes that have been made by our State Convention. Do you remember all those special offerings we used to give: Childrens Homes? Home for Aging? Baptist Hospital?, etc. Have you noticed that we haven't promoted any of these this spring? That's because we voted at our State Convention to lump all of these together into one gigantic State Missions Offering (September). Well, it will be a gigantic offering if we start planning now, and saving now. If not, it could be a gigantic flop. Let us give generously for State Missions.

HOME MISSIONS

Growing, Giving and Going are three words being heard more and more as Baptist go into the second year of the Home Mission Board's emphasis in Bold Mission Thrust.

Growing - through special Mission study and praying
Giving - through the Annie Armstrong Easter Offering
Going — through responding to the Bold Mission Thrust objectives to Evangelize and Congregationalize this land for Christ

The offering goal for 1979 Home Missions for Southern Baptist was $15,000,000.00. For North Carolina - $1,500,000.00

The Home Mission Board is calling for 140 new missionary positions and 20,000 volunteers for involvement in Bold Mission Thrust. The evangelism section of the Home Mission Board expects to enlist, equip and assign 16,000 volunteers in personal evangelism.

How much do we really care? Baptist people in the working world do care. Out in their communities they show care by ministering to the needs of Co-workers, patients, clients, students, customers, the "public." They witness for Christ in deed as well as in word. They share their faith.

Baptist people care about persons they may never see. They cannot minister to their needs nor tell them of Jesus, but they can support those who do.

Baptist people want to Evangelize and Congregationalize. We believe in Missions. We pray for our Missionaries and that more persons will be called. We encourage others to listen for God's call. We listen for His call in our own lives. We give through the Cooperative Program. We also give directly to the Mission fields needs, through special offerings.

The theme for 1979 Home Missions was "Dare to Ask". We dared to ask to see the needs and to be a part of the answer.

We kneel to ask, we rise to respond, we reach to help.
We remember 2,830 Home Missionaries are counting on our support.
Bold goals equal bold dollars,
Bold dollars equal bold missions,
Bold Missions equal giving every person in our land an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000.

FOREIGN MISSIONS

MISSIONARY SUPPORT

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. Total board appointments reached a new high in 1978 for the third straight year. Appointments in all categories totaled 350, a 25 percent increase over 1977. The 181 new career missionaries exceeded career appointments for the highest previous year (1963) by 5 percent. There were 36 missionary associates, 95 journeyman and 8 special project medical workers appointed.

Net missionary personnel gain for 1978 was 130, the largest gain since 1966. At the end of the year, the missionary staff totaled 2,906, including 224 missionary associates, 183 yourneymen, and 12 special project medical workers. The Bold Mission Thrust objective to increase the missionary staff to more than 5,000 by A. D. 2000 remains a challenge.

In addition to the missionaries sent out under full Foreign Mission Board responsibility, the board arranged for 2,866 persons to participate in volunteer involvement projects overseas in 1978. Thirty-one volunteers were in Mission Service Corps, which moved from the development stage to become a reality this year. This is in line with the Bold Mission Thrust objective calling for increase in lay involvement.

Southern Baptist foreign missionaries were at work in 94 countries by the end of 1978. The 4 new fields added this year are Bolivia, Haiti, Mauritius in the Indian Ocean and St. Martin in the Caribbean.

EVANGELISM AND CHURCH DEVELOPMENT

Evangelism and church development are central to the objectives of missions. Missions is concerned with making disciples maturing diciples in the fellowship of local churches, and developing churches into a cooperative effort for a continued outreach. Churches overseas are stimulated by the Foreign Mission Board and its missionaries, but rather than being extensions of our churches, they stand in fraternal relationship with the Southern Baptist Convention. Work and accomplishments are largely those of national churches, leaders and conventions, with the assistance of missionary co-workers and resources from Southern Baptists.

In 1978 workers on mission fields reported growth from 8,533 churches and 1,071,922 members to 10,440 churches and 1,214,699 members. Field reports indicated a total of 94,543 baptisms. The Bold Mission Thrust objective of a tenfold increase in churches calls for still larger efforts since the achievement of this goal is not yet on schedule.

The program of evangelism and church development includes a wide variety of emphases including radio and television, religious education promotion, lay leadership training, stewardship, camps and conferences, women's work, men's work, youth work, music, etc.

RESOLUTIONS COMMITTEE REPORT

Whereas, the churches of the Ashe Baptist Association, having had the pleasure and privilege of being the guest of the New River Baptist Church on August 3, 1979 and the Obids Baptist Church on August 4th. for the purpose of conducting the ninety-third annual session - be it therefore resolved that:

1. We express our deepest appreciation to both the church families and to their most courteous pastors Rev. Jimmy Warden and Rev. Ross Harless, for the fine way in which they provided for all our needs and beyond.

2. We appreciate all the planning and preparation, and all those who had a part in making the program so business like, smoothly operational, and highly successful in all aspects.

3. We certainly express our appreciation to Rev. Herbert Parunak for the fine and efficient job which he did as moderator; to Healing Springs Baptist Church for "loaning" Herbert to us for this purpose, and most certainly to Mr. George West for his faithful and unfailing service over the years.

DEDICATION:

It is with Christian Love and Gratitude that we dedicate the 1980 Associational Annual to these our brethren who have gone to their eternal reward. Only eternity itself will ever reveal what their lives and ministries have meant to the cause of Christ in this world.

Mr. W. B. Oliver, a layman was affectionally known as "Mr. Baptist" in the association. He served in many different capacities in his church, in the association as well as on the convention level.

May God bless their memory to each of our hearts.

Respectfully Submitted,
Rev. Wm. C. Ballou
Director Of Missions
Ashe Baptist Association

Abstracts of Principles

1. We believe in one true and living God, and that there are three persons in the God-Head: the Father, the Son and the Holy Gost, and these three are One.

2. We believe that the Bible, the Old and New Testament, is the Word of God and the only rule of faith and practice.

3. We believe in the impotency of man and the soverignty of God.

4. We believe that Salvation is by Grace through Faith in our Lord Jesus Christ.

5. We believe that Baptism and the Lord's Supper are ordinances instituted by Jesus to be practiced only by believers in their spiritual order.

6. We believe that Baptism is the immersion of a believer in water by a qualified administrator, and that those who are thus bapitzed and are in fellowship with the church in feeling and doctrine should take the Lord's Supper.

7. We believe in the final perseverance of the Saints in Grace and Glory.

8. We believe in the resurrection of the dead and general judgement.

9. We believe that the existence of the righteous and the wicked will both be of eternal duration, and that the happiness of the righteous and the punishment of the wicked will both be eternal.

Rules Of Order

1. Every session shall be opened and closed by prayer.

2. When the Moderator calls the house to order, every member shall at once shall take his seat.

3. When a member wishes to speak, he shall rise and address the Moderator, and not proceed until he is recognized.

4. No member shall speak more than twice on any subject except by permission of the body.

5. It shall be counted disorder for any member to stand up, leave the house or hold private conversation while any person is speaking.

Church Covenant

Having been led as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Gost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into this covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church and the relief of the poor; and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealing, faithful in our engagements, and exemplary in our department; to avoid all tattling, back biting and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense but always ready for reconciliation, and mindful of the rule of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's Word.

Thank you friends for your support of Associational Missions. There were 13 of our churches that made no Contribution during the past associational year. The largest budget in the history of our association is being presented this year. It is our prayer that those who made no contribution will prayerfully consider giving 3% of the offering plate dollar and those who are supporting Associational Missions will consider increasing their contribution. Some of our churches are now giving more than the 3% and for that we are thankful. May the blessings of God be yours during the coming year.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

This is the 60th birthday for the North Carolina Baptist Foundation.

Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus Baptist people were enabled to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist colleges, Children's Homes, Homes for the aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, the Cooperative Program. The Foundation receives no money for its own use - it only serves as trustee for all these Baptist causes.

Born of a bold idea, it fulfills its mission today giving each Baptist the opportunity to be part of Bold Missions now - and forever!

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a Will. During the past year, the Foundation Staff has attempted through Pastors' Conferences, senior citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond life through the use of a Will. A touching and dramatic film "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through Will, through purchase of gift annuities and through establishment of annuity trusts.

The Foundation has received Memorial gifts to deceased loved ones. A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches, and foreign missions have been received. One annuity trust was established with the income, after the death of the annuitants, to be used by the Foreign Mission Board in its effort to assist in the fight against world hunger.

During the past year, through the many ways it is able to accept gifts, new trusts have been established with combined assets of $650,000. Additions to existing trusts, providing for scholarships, missions offerings, memorials and many other causes, were more than $370,000. The audit of Foundation records for the year ending December 31, 1979 revealed total increase of assets for the year was $1,018, 681.00 with total assets of the Foundation being $5,115,000. This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation Staff, its three consultants, board members and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS 1980

Faced with the same inflationary pressures that every family has these days, the RECORDER has managed to get through another year without an increase in subscription rates. A church can still send the RECORDER to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the RECORDER is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the RECORDER has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the RECORDER informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the RECORDER was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus" Not only did the RECORDER run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place--and the story was at least four years old anyhow.

Never has there been more misinformation circulated amoung our Baptist people. Those who do not receive the RECORDER are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the RECORDER to every church family. See that your church makes this move in the coming year.

BIBICAL RECORDER

REPORT TO THE ASSOCIATIONS
NORTH CAROLINA BAPTIST HOSPITAL 1980

During the past year, our hospital has again received accredition for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two-year accreditation.

Our hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery of other internal organs.

The financial counseling section is now better prepared to assist those who need its services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and possible group arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
Rev. David Blackburn

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The Baptist Children's Homes of North Carolina, Incorporated is an Institution of the Baptist State Convention and provides a Christian ministry of child care and family ministry.

During the past three years, members of the Board of Trustees and members of the administration staff of the Homes completed an indepth evaluation of the Institution's total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help any where in the State. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people are affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your GIVING AND THROUGH VARIOUS TYPES OF INVOLVEMENT. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian Ministry to children and members of their family.

ASHE COUNTY

NORTH CAROLINA

EXECUTIVE COMMITTEE REPORT

The Executive Committee has met on its regular scheduled meetings during the past associational year, and have taken what is believed to be the proper action on all business brought to its attention.

We feel that we have had a very good year in many areas, one being the organizing of a Christian Social Ministry. God has blessed us again this past year in that we received enough financial funds to see us through another year. The last quarter of the year funds from the churches become very slack and our superintendent of missions had to wait on his salary at times. This is not good business practice and we are sure if the churches in the Association will Prayerfully consider this we can look forward to a more successful year to come.

The committee wishes to express its appreciation to the churches for their cooperation and support. Also it is our prayer that each church in the Association will elect a committee member to represent their church. This will keep you informed of what is happening in the Association and give you a voice and vote in it.

The committee suffered a loss of one of its members this past year. Brother Bryan Oliver, recognized as "Mr. Baptist" in one of our meetings for his faithfulness and work in the Assoication and Baptist State Convention, passed on to be with the Lord.

The committee wishes to express its appreciation to our supt. of Missions, Rev. Bill Ballou, for the Leadership and work he is doing, and to each one who has had a part in the association.

The committee has regularly scheduled meetings every other month on the third Thursday at 7:30 p.m. at designated churches. Please feel free to meet with us or call one of the members if you know of any business that needs the attention of the committee.

To conclude our report, we challenge each of you to become more aware of what our Association means to this area and give it your full support.

Respectfully Submitted,
Jimmy Griffin, Chairman
Executive Committee

ASHE BAPTIST SUMMER CAMP REPORT

As we come to the end of another year and start to count our blessings we find we have far too many to count.

God has so richly blessed us. The Mattie Parsons Memorial building is near completion. It was dedicated June 22nd, 1980 and many attended the service.

We are so thankful to the churches and the people for their belief and support in the Summer Camp and the Mattie Parsons Memorial building. We hope and pray that each time you visit and use the camp and its facilities that you will be richly blessed.

We still have some more ground to clear and some more parking area to fix, then we should be ready for our annual meeting at the Summer Camp.

The Camp has really been used this year. We have the restrooms and showers in and ready for use.

We feel God will bless our ever effort to help the youth and the elderly alike in the building and upkeep of the Ashe Baptist Summer Camp and the facilities it provides.

We are hoping this year that more churches will participate in the activities and the support of the Ashe Baptist Summer Camp.

As we end the new year we are trusting in God that our financial needs will be met. Your church, at this time, may not include the Summer Camp in the Church budget, if not, we ask that you consider it Prayerfully, and help us to repay the thirteen thousand (13,000.00) we still owe, then we can go forward and do more.

We truly thank each church and each individual for their financial support and prayers in the past, and are now looking to the future and the challenges it holds for us. Please remember the Ashe Baptist Summer Camp with your prayers and support.

Clifford Caudill, Director

SUNDAY SCHOOL REPORT

Since being elected as your Associational Sunday School Director two years ago, it has been our desire to see our Sunday Schools grow in number-quanity, but also in **quality**!

We have such a short time allotted to us each week for serious **Bible** study, as compared to T.V. and other things which compete for our time, until it is imperitive that we utilize seriously every possible moment of the Sunday School hour. This cannot be done effectively and efficiently, we believe, without **some** training, any more than a surgeon can perform an operation without first studying anatomy!

We believe that the good S.S. teachers of the churches of Ashe Assn. desire to do the very best job possible as they point their class members toward the Lord Jesus Christ and lead them to a saving knowledge of HIM!

Through the planning and able assistance of your Associational Director of Missions, this year we have already been fortunate enough to have a team of state workers come to the County and help us in a S.S. training Workshop. These meetings were not only helpful, but were well attended and inspiring.

Secondly, we have a full basic team and three alternates made up of our own local people. All these have been trained at Ridgecrest Baptist Conf. Center, and are known as an ASSIST Team, which means simply Assn'l S.S. Improvement Support Team.

Thirdly, a conference is planned here in the County for your convience on Nov. 17, and ASSIST Team, on invitation and the working out of a satisfactory time schedule.

May we strive to go forward BOLDLY for the cause of Christ in order that we might one day hear Him say: "Well done thy good & faithful servant"!

CHURCH MUSIC

Our association consists of 58 churches.

In our Key Leadership Conference last year we had twelve churches represented in the music department. This may seem like a very small representation, percentage wise, but just think what twelve dedicated and committed music groups, cooperating, could do for the spiritual out reach of our association!

Brother Richard Gary, of the Fletcher Memorial Church, attended, Last year to create interest in the organization of a youth music group for the association, but met with too little response to succeed.

Brother Gary accepted a job in Texas and has left our association. However, Miss Bonnie Shatley of the Friendship Baptist Church, has agreed to continue to work toward an associational music group. I would like to encourage every pastor and Music Leader to cooperate with Bonnie when she calls upon you.

I would also encourage the parents and other adults in our churches to encourage the youth to be spiritual leaders in our association.

There are many and varied ways to witness for Christ; Music being one of them. Whatever way we use, the fact is that God expects us to tell the unsaved of the way of Salvation through Jesus Christ. The fact is; we have no option in the matter. What will we, as Christians, do with Ezekiel 3:18? May we allow God to bless us as we work together.

VACATION BIBLE SCHOOL REPORT

In forty-nine churches of the Ashe Baptist Association, there were forty-nine Vacation Bible Schools held; plus two Back Yard Bible Clubs.

In the schools, there were an enrollment of 2,941 pupils, with an average attendance of 2,469 pupils and directors. Within the schools the number of pupils not enrolled in any Sunday School were 222. The number of parents, not enrolled in any Sunday School were 279.

In the schools, the number of Adults enrolled in the Adult Departments were 777.

The number of schools using Southern Baptist Literature were 41.

The cost of materials for the schools were $3,247.42; plus other expenses of $3,109.09.

The schools gave gifts through the Cooperative Program, in the amount of $1,854.09; and to Missions, not through the Cooperative Program, in the amount of $492.06.

Part of the schools, used the Achievement Guide, and reported merit and advanced achievements. To work toward achievement levels means better schools. The harder we work in vacation bible schools, the greater the achievements are for the pupils, and the more we accomplish for our Lord, in His Kingdom Work.

We are thankful for all that has been accomplished, with the pupils, and the Kingdom work of our Lord, may we strive harder to accomplish greater things in the future.

REPORT OF THE AMERICAN BIBLE SOCIETY TO THE SOUTHERN BAPTIST ASSOCIATION

Since its founding 164 years ago, the American Bible Society has offered the people of the world more than 3 billion opportunities to read at least some portion of God's Word. Starting out with a distribution of 6,410 Bibles in 1816, the ABS has through the years steadily increased its ministry of sharing the Scriptures to reach its current annual distribution rate of more than 250 million Bibles, New Testaments, Portions and Selections.

In many overseas areas there were extremely encouraging increases in the number of people reached with God's Word. Following are some of the highlights of the Bible work made possible through your gifts in 1979.

TRANSLATIONS

Twenty-seven languages were added in 1979 to the list of languages and dialects in which at least one book of the Bible has been published. In two of these languages the first publication was the entire New Testament. These are Bokyi spoken in Nigeria and Moldavian spoken in Moldavia, Soviet Russia was the first book of the Bible published in that language. The number of languages in which at least one book of the Bible has been published as of December 1979 was 1,685.

NEW READER SCRIPTURES

By the end of 1979 New Reader Scripture Selections had been published in 228 languages. Translation of these booklets had been completed in 315 languages and was proceeding in an additional 84 languages. New Reader Scriptures accounted for almost 10 percent of the distribution throughout Latin America; 15 per cent of the Scriptures distributed throughout Asia and 18 percent of the Scriptures in Africa.

VOLUNTEERS

The number of dedicated Christians who are devoting both time and effort to the Bible cause rose to over 35,000 Volunteers in 1979. More than 13,000 of these Volunteers are Church Representatives who actively promote American Bible Society Scriptures and programs in their local churches. Over 2,600 Volunteers maintain Scripture Courtesy Centers in their homes or business establishments where ABS Scriptures can be purchased by the general public.

THE THANKS OF MILLIONS!

The tremendous advances achieved for the Bible cause during 1979 were made possible because of gifts received from organizations such as the Southern Baptist Convention. Since 1968 gifts from the SBC have been as follows:

1968	222,938	1972	233,752	1976	275,631
1969	232,765	1973	253,857	1977	251,908
1970	233,186	1974	254,803	1978	309,204
1971	240,250	1975	238,554	1979	286;200

We convey the heartfelt thanks of millions of people around the world who, because of you, are discovering for the first time the saving knowledge of Jesus Christ as revealed in the Scriptures.

But so much more needs to be done and could be done if Southern Baptists would just increase their per capita giving from $0.022 to $0.04 annually.

The ABS asks that Bold Mission Trust be just as bold in Scripture distribution as in other areas of mission work. Only then can we be certain of having the Scriptures available that the Southern Baptists need around the world.

DEPARTMENT OF RETIREMENT PLANNING
Baptist State Convention of North Carolina

In North Carolina as of March 31, 1980, 3,046 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1980, we had processed the following:

77 - Southern Baptist Retirement Program applicatons
14 - applications for age retirement benefits
3 - applications for disability benefits
6 - widow's claims

In Ashe Association 22 churches and 22 staff members are participating in the retirement program. Of this number 15 are still participating on the minimum of 33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

STEWARDSHIP REPORT

About 1,950 years ago the disciples received the Great Commission on Mount Olivet; saying to them, go ye into all the world with my message. Preach, teach, make disciples. Through all these years we Christians have not taken this as seriously as we should. Years have passed, yet we have played at the job in a less than a half hearted way.

Three years ago one of our great leaders decided, through the leadership of the Holy Spirit, and ourselves, that the time was right for us to do just what the Lord Jesus Christ said to do on that memoriable day. These leaders set for themselves and all the rest of more than 13,000,000 Baptist in the Southern Baptist Convention, our task, our opportunity, and a responsibility to reach the whole world with the Gospel of our Lord before the year 2,000.

Since that day that Jesus first gave the Great Commission, no great change has been proposed or offered. All Loyal Baptist believing that our leaders were divinely inspired to propose the Bold Mission Program, we have made a start. A lot of Baptist have caught the Spirit. Now we are moving toward the great goal they have challenged us with.

Ashe Baptist Association has made a start. Last year our offerings were 11.9% ahead of the year before. We feel that this is truly a beginning. We want it to be a foundation to build on in the years ahead. God will bless the people of the great southland if we will step out boldly, and give sacrificially to the great program.

I would like to suggest one way to help the Bold Mission cause. That is that we keep on giving our tithes and offerings even more generously than before. But, on top of the list, each Baptist set aside in his or her will for this purpose.

We are all well aware of the desire of each of us to be financially secure. In our growing inflation no one knows how much will be needed to have the security. But if one wills a certain percent of his or her estate, they will still have their security, and what is left over can go to this great cause. It would be great to know that after one had passed on to his reward, that part of what was left would be used forever to further the Gospel of Christ. That forever is until Jesus comes. I would think that it would be a great joy to view from the windows of heaven a living document of yours being used to win souls after tens of thousands of years.

CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist Colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational missions in our state. There are 53 such colleges including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist Colleges is to serve God and man through Christian Higher Education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian College is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of college task.

Your North Carolina Baptist Colleges see themselves as you see them, as a valuable part of Christian Missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist Colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist Colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges. We request your earnest prayers for each of them.

Mrs. Miriam Davis

PASTORS CONFERENCE REPORT

Serving as chairman of the Ashe Baptist Pastors Conference for the past year has been a unique as well as a challenging experience. We believe that the Pastors Conference serves a most valuable purpose directly to the Pastors of the Assn. and directly to all Ashe Co. Baptist.

We would invite, encourage and desire to see more of our Pastors taking advantage of these monthly Conferences. For the benefit of our many bi-vocational Pastors, we continue to meet on Sat., even tho this, many times, creates hardships for the full time Pastors, we are willing to make this sacrifice in order that all may attend. Lay people are also invited, and many timely subjects which should be of interest to all Christians are discussed. Every other month we try to have a guest speaker, or a question and answer session with someone who is not a Pastor, a representative from Mental Health, for exemple. We are very much concerned with the Suicide problem which has reached epidemic proportions in our County. We desire your prayers and concern as we seek preventative measures.

We have had some well attended Conferences this past year with as many as twenty of our Pastors in attendance. Help us to make this the rule this coming year rather than an exception.

The Pastors Conf. has shared in numerous small mission projects this past year. Sharing in the unexpected hospital bill when Miss Mary Jordan was tragically burned; and furnishing some paint and supplies for the Mattie Parsons Memorial Building at the Ashe Baptist Camp, to mention only two.

We would encourage all of our Pastors and as many interested Lay People as possible, to support your present chairman, Bro. Jack Miller, with your prayers and attendance at the monthly Pastors Conference, 10:30 a.m., every fourth Saturday.

Jerry Burleson

SUGGESTIONS FOR ANNUAL ASSOCIATIONAL EVANGELISM REPORT 1980

All Baptists are urged to participate in the Joint Statewide Evangelistic Crusade in 1982. The theme will be "Here's Hope". Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of North Carolina and the General Baptist State Convention. The Simultaneous Revival dates for the three areas of our state are: Coastal March 14-28; Piedmont - April 4-18; and Mountain - April 25 - May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

"Bold Witnessing Churches" was the theme of the 34th Statewide Evangelism Conference, February 4-5, 1980, at First Baptist Church and War Memorial Auditorium, Greensboro. About 2,400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium.

Fifty-four associations have now involved their churches in a Bold Evangelism Clinic, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the notebook, **Bold Evangelism through the Local Church.**

Evangelism Clinics for bi-vocational pastors are now being held across the state to assist pastors or rural-small churches, and churches with no baptisms in practical ways of evangelism planning to involve members in witnessing.

Thousands of youth will be involved in the 10th Statewide Youth Evangelism Conference at Greensboro Coliseum on Friday, August 15, 1980. We thank God for the hundreds of youth who have made various decisions for Christ during this ten year period.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2-3, 1981.

Our 1st Annual Ashe Baptist Association Evangelism Conference was a success even tho many churches and people did not attend. It was a very inspirational time for those in attendance. The speakers were terrific. This was held at 1st Baptist, W.J. on June 20-21.

The pastor Exchange June 21 was exciting. Many churches have ask to have a repeat on this. The pastors seem to enjoy this exchange.

Thanks to our Evangelism Committee for giving of your time. Thanks also for letting me have the honor of serving you.

Total Baptisms for those churches Reporting number 152. We need to get busy for the Lord. Five of our Churches should have won and baptized this many.

PASTOR'S SALARY AND RETIREMENT

All God called men, who are serving as pastors of churches in the Ashe Baptist Association have shared in rich and joyous occasions as they serve God. But these occasions cannot be exchanged for groceries, dental and doctor bills, automobile payments, gas, automobile repairs, clothing, power bills, and phone bills. Not to mention a shelter for his family, hospitalization insurance and liability insurance.

When God sends a pastor to the local church to lead people to a closer walk with the Lord Jesus Christ, to lead lost people to Jesus as Saviour and Lord, and to share your burdens with you, God expects the local church to pray and provide for His servant.

When Jesus sent His diciples out two by two He commanded that they should take nothing for their journey, save a staff only; no script, no bread and no money in their purses (Mk. 6:8). Paul said (I Cor. 9:11) If we have sown unto you Spiritual things, is it a great thing if we shall reap your carnal things?

If the local church is blessed with all gifts from God and does not have love it is nothing in the eyes of God. Christian friends and brethern in Christ, I urge you to love your pastor enough to provide for him now and provide a retirement plan for his future.

Jesus said it is more blessed to give than to receive. The Bible also teaches us that God loves a cheerful giver.

CHRISTIAN LITERATURE

Study to show thyself approved unto God, 2 Timothy 2:15. What are we to study? The greatest piece of Christian literature ever written, the Bible. In the eighth chapter of the book of Acts we find a man of Ethiopia reading the scripture. When asked by Philip, "understandest thou what thou readest?" His answer was, "how can I, except some man should guide me."

God is still using men and women today through the media of Christian literature to guide and help His children better understand His word. Christian friend if you think you don't have time to read after some of the greatest men of God today you are missing a spiritual blessing.

I believe it is our duty as Christian parents to mold. To do this we must start when the child is very young. The story of Jesus is the most important story you will ever read to your child. Train up a child in the way he should go and, when he is old, he will not depart from it, Proverbs 22:6.

Chrisitan literature is made available to us through the Southern Baptist Convention in many different forms such as books, quarterlies, periodicals, tracts and teaching material from the nursery to adults. Then there is our state paper, the Biblical Recorder, by reading this we can become better informed Baptist. It has many inspiring articles as well as keeping us informed on whats taking place in our denomination.

What will our excuse be, when we stand before Jesus, if we have not made use of the material He has made available to us?

Respectfully,
Mrs. Ernest (Marie) Blevins

TEMPERANCE AND PUBLIC MORALS

For many years we in America have been basking in the sun shine of the blessings from God. Almost equal to Canaan Land and like God's people of old, we have slowly but surely drifted away from God.

Marriage vows are no longer respected. Many who make them fail to realize that these vows are made in the presence of an all knowing God, and are to be kept until death. Marriage is not something to be taken lightly. People should be made aware of their responsibility to each other and to God before they are married. The divorce rate is climbing at an unbelievable speed, and will never stop unless people once again see marriage as a life time commitment.

Pornography is every where. Books can be bought in many of our local businesses. X and R rated movies are being shown regularly throughout our state. Many church members are involved in selling books and operating movie houses where indescent movies are shown, while others are guilty of buying these books and going to see these movies. This should not be. It is destroying the influence the church could otherwise have.

I think it is time that we as Baptist take a bold stand against these things that are happening among our flock. The use of alochol in anyway is very degrading to anyone who bares the name of a Christian. We can't just simply stand by and pretend that it's all right for church members to be involved in these things. It is a **very** thin line that separates condemning a sin and promoting one.

It's easy to sit by and see all that's wrong with our world, and wish that some miracle would happen and make everything better. However, it's not going to happen that way. **JESUS** said we were to be the light of the world, not a fire fly, but a Beacon light. One that would stand out so that all the world might see and know that Jesus makes a difference in one's life. We should never be a part of what's wrong with our world, so with the Love of God and in the Power of His Spirit, may we have courage to condemn immorality no matter who it is or where it may be ----- God does.

Rev. Kermit Goodman

STATE MISSIONS

A "grass-roots" philosopher has said that everybody on earth is either hurting or fixin' to hurt.

In this one observation he has summed up the human condition, for, if we live, disappointment, grief and broken dreams will sooner or later become part of our experience and that of the approximately 5,604,000 people of our state.

If North Carolina Baptist have correctly understood the heart of God on any issue, it is in the delicate balance of evangelism and Christian social ministry. North Carolina Missions are simply the accumulated ways Southern Baptist of North Carolina have chosen to reach out to the hurting.

HOME MISSION REPORT

A word from the Executive

As we begin the implementation state of Bold Mission Thrust, it appears that an imperative of immediacy concerning world evangelization must become our paramount priority.

Our world stands today in perhaps the most precarious position politically that it has stood in the last three decades. Global brinkmanship and world survival have rapidly moved to the front of the line.

Consequently, we must maintain as a denomination a sense of urgency about our redemptive mission to America and the world. Certainly the moment is ours.

The decade of the '80's could be labeled the most pivotal decade in the history of our nation. This is the day for Southern Baptists to exhibit in our sacrifice and servanthood the exciting reconciling awareness that Jesus Christ lives!

Planning for Bold Mission Thrust

The past 12 months at the Home Mission Board have been crowded with productive and challenging activity. The major emphasis in planning has been to coordinate the efforts of the staff in development of a mid-range plan (1979-82). This plan functions as a bridge between the long range plan, Target: A.D. 2000, and the annual operation plan. By approaching planning in this manner, the Home Mission Board staff has been able to coordinate their programs with the emphasis of the Southern Baptist Convention.

Financial Support

The year was marked by outstanding financial support by Southern Baptists. The largest offering for home missions in the world was received, with total receipts of the Annie Armstrong Easter Offering amounting to $14,171,637. The offering marked a 15.38 percent increase over the previous year. Likewise, Cooperative Program gifts increased. The board received $12,5000,000 in the Cooperative Program operating budget, plus $49,644 in the Challenge section of the Southern Baptist Convention budget. Cooperative Program gifts to the Home Mission Board increased 13.82 percent over the previous year.

FOREIGN MISSIONS REPORT

Southern Baptist outreach to the world through the Foreign Mission Board experienced a good year. Some indicators that this denomination is taken Bold Mission Thrust seriously are encouraging.

An event of notable significance in 1979 was the retirement of Baker James Cauthen as executive director. His effective 26-year leadership and dynamic proclaiming of foreign missions have challenged and inspired Southern Baptist.

This past year's foreign mission effort was accomplished in the midst of shocking human suffering, devasting inflation, political turmoil resurgent religions, militant secularism, and indescribable moral decay. These create the environment for missions every year. Next year will be no different.

God has set before Southern Baptists an open door. To walk through it with boldness will yield the greatest days yet in missions advance.

MISSIONARY SUPPORT

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. Total Southern Baptist foreign missionaries exceeded the 3,000 level by the end of 1979. This was made possible by a total of 332 appointments in all categories.

Net missionary personnel gain for 1979 was 102. At the end of associates, 215 journeymen, and 15 special project medical workers. The Bold Mission Thrust objective to increase the missionary staff to more than 5,000 by A.D. 2000 remains a challenge.

The board also assisted through various programs in arrangements for 3,793 persons to participate in volunteer projects overseas in 1979. Arrangements were made for 261 teams going overseas. Also, 57 in Mission Service Corps. assignments.

Southern Baptist foreign missionaries were assigned to 95 countries and territories by the end of 1979. One new field was entered during the year--Transkei--a new African homeland established from the territory of the Republic of South Africa.

CONTRIBUTIONS

In 1979 Southern Baptists' contributions for foreign missions totaled $74,976,749. For the calendar year Lottie Moon Christmas Offering gifts amounted to $36,217,473. The 1978 Lottie Moon Christmas Offering topped off as of May 31, 1979, at $35,919,605.40. The 1980 offering goal is $45,000,000.

Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. Still urgently needed on overseas fields are land, buildings, and equipment, amounting to several million dollars' worth. As the overall missionary personnel picture begins to express new boldness, the financing for world missions must also show a bold new thrust.

1980 REPORT TO THE ASSOCIATIONS

From
W. A. Poole, Executive Director
North Carolina Baptist Homes, INC.

Ministry to an older person is a ministry as unto Christ Himself, and it is people like **Mrs. Tillie Crabtree** who make it all worth it. Mrs. Crabtree a resident at Hayes Home who finds it very painful to walk, came recently all the way from her room to the office of the Executive Director, Bill Poole, to say, "Thank you" for all the blessings of the Baptist Homes to her as a resident and to give a personal gift of money to the Homes for her limited personal spending money, as an expression of her gratitude to the Lord and to North Carolina Baptists.

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry--Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, the Homes in Albemarle, Hamilton, Yanceyville, and Asheville. The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into a new Western Carolina Baptist Home in Asheville in March (1979) and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist Churches, though encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes through the Cooperative program, and through the new North Carolina Missions Offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependant on these love gifts form North Carolina Baptist Homes family are in the majority.

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within this year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

Each of our residents would have me thank you as North Carolina Baptist for all that you are, and for all that you do for them.

W.A. (Bill) Poole

1980 ANNUAL ASSOCIATIONAL REPORT
THE CHRISTIAN LIFE COMMISSION

The events of the last year have dramatically highlighted the moral challenges of our day. The taking of the American hostages in Iran, the Soviet invasion of Afghanistan, the resurgence of the Ku Klux Klan, recurring violence, worsening energy problems, the crisis in family life -- all these speak to the need for a fresh word from the Lord for our day. During the year the Christian Life Commission has been about the task of trying to help Southern Baptists proclaim that work with clarity and power.

There have been some expecially significant developments related to applied Christianity during the year. Executive Director Foy Valentine has been asked by the President of the United States to help define our national Priorities by serving on the President's Commission for National Agenda for the Eighties. Commission staff member, Harry N. Hollis, Jr., has had important opportunities to contribute to the development of strengthened family life in America through his role as a member of the National Advisory Committee for the White House Conference on Families. A national seminar was held in New York City which dealt with "Ethical Issues for the Eighties," and conference on "The Bible and Christian Ethics" were held at the summer assemblies at Ridgecrest and Glorieta. The Commission promoted the observance of World Hunger Day, Race Relations Sunday, and Christian Citizenship Sunday by the churches, and distributed hundreds of thousands of pieces of literature on current moral issues. Consultations were held dealing with the unresolved problem of television immorality and with the current crises in economics and energy. In addition, the Commission staff wrote articles for a large number of publications, preached sermons, led conferences, and gave speaches seeking to further righteousness in our land.

The Commission enlarged its efforts to deal with the difficult problem of world hunger by working with the Sunday School Board, the Foreign Mission Board, and the Home Mission Board to produce a packet of materials on world hunger which was distributed to every Southern Baptist pastor, minister of education, and director of missions. This packet of materials was designed to inform readers about hunger and to help churches plan for the 1980 World Hunger Day observances.

Christian citizenship activity among Southern Baptists received significent encouragement from the activation in 1980 of the Christian Citizenship Corps. The Corps is a group of Southern Baptists who are committed to active and responsible citizenship and who subscribe to the Commission's newsletter MORAL ALERT. MORAL ALERT informs Southern Baptists about legislation which will affect morality in our society, and it presents Christian ethical considerations of selected public issues.

Finally, the Commission has expanded the size, circulation, and frequency of publication of its periodical LIGHT. LIGHT is mailed without charge to interested Southern Baptists; and it contains timely articles about the most pressing moral issues of our day.

The Christian Life Commission is deeply concerned about the moral climate of our society, and seeks to work faithfully in the task of helping Southern Baptists in family life, race relations, economics and daily work, Christian citizenship development, and special moral concerns. The Christian Life Commission is grateful to God for the opportunity to work with Southern Baptists in this great responsibility of "helping changed people to change the world."

COOPERATIVE MINISTRIES WITH GENERAL BAPTISTS
Dr. Corbin L. Cooper, Director
August 1980

Baptist churches and associations in two state conventions in North Carolina have been challenged to experience their biggest project in history in 1982. The Joint Committee on Evangelism is working hard to lay the groundwork for an extensive statewide evangelistic effort during the year. Churches and associations are encouraged to plan interracial activities with their counterparts. Subcommittees are at work on eight basic thrusts adopted by both conventions. The theme of the revival crusade is "Here's Hope."

Pastors, moderators, and directors of associational missions have been invited to plan local activities. All Baptists are invited to attend a joint state convention in Greensboro, November 2-4, 1981.

SUMMER YOUTH PROGRAM--A total of 47 young people were appointed to serve in 21 locations throughout the state. They provided a variety of programs for 2,180 children and teenagers. Some new areas of work included the Berea Baptist Church, Pembroke; the Manson Rest Home, Raleigh; the Raleigh Housing Authority; and the Pilot Mountainn Association, Winston-Salem. Seventeen of the workers attended week of orientation at Wake Forest University.

CAMPUS MINISTRY--Some highlights of our programs with college students

1. Sponsored 20 students to a fall BSU Convention at Ridgecrest.

2. Sponsored 5 students to the National Black Christian Leadership Conference, Atlanta, Georgia.

3. Conducted a Cultural Awareness Conference for 20 students in Raleigh.

4. Helped sponsor a black student conference at Caraway for over 200 students.

5. Sponsored 98 students to the National Baptist Student Retreat in Memphis, Tennessee.

6. Conducted a Human Awareness Conference at Pembroke State University.

7. Provided financial support for the campus ministry at North Carolina Central University, Durham.

STUDENT AID FUND---A total of $13,050. was provided for scholarship assistance (including $2,600. in matching funds) to 31 students attending the following 10 schools: Shaw Divinity School, Shaw University, Southeastern Seminary, Howard University, Hood Theological Seminary, Winston-Salem State University, Drew University, Gardner-Webb College, Wingate College, and UNC, Chapel Hill.

VACATION BIBLE SCHOOL CLINICS---The department promoted and assisted with regional clinics again this year. In the future our efforts will focus on strengthening the annual clinics held by the General Baptist State Convention at the J.J. Johnson Baptist Assembly in Laurel Hill.

SEMINARY EXTENSION---Our second year with the rearranged Department of Seminary Extension with Shaw Divinity School resulted in 1,026 registrations for 45 classes in 16 centers. The first center to complete the new Certificate of Merit included 34 students in New Bern.

The total record of Seminary Extension courses held in General Baptist churches by the department from September, 1970, through July, 1980, is as follows:

No. of people enrolled	1,120
No. of registrations	2,655
No. of courses taught	111

A total of 78 centers in both state conventions continues to represent the largest statewide program of its kind in the United States.

RETIREMENT PROGRAM---Eight new members were added this year bringing the total to 33. The two conventions added $9,267.05 to membership dues as matching funds.

LITERATURE---The 6th edition of the **General Baptist Diary**-1980 was published as a joint venture with the General Baptist State Convention. The department distributed a new book entitled, **A Road To Reconciliation,** published by the Home Mission Board.

STAFF MEMBERS---Those associated with this department in addition to the director and five Regional Workers are Mrs Cecilia Davis, office secretary; Rev. Leo Williams, Jr.; Dr. J.Z. Alexander; and Mr. Michael Darby.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY REPORT

Growth and progress in every major area of life at Southwestern Baptist Theological Seminary were characteristics of the 1979-80 academic year, according to the institution's report to the Southern Baptist Convention.

The seminary enrolled a record 4,336 students during the year, including a record 1,449 first-time students. The cumulative enrollment was a 4 percent increase over the previous year and included 3,587 men and a record 749 women.

Southwestern continued to operate off campus centers in Houston and San Antonio, Texas, and Shawneee, Okla. A new doctor of education degree study center was started in Nashville, Tenn. Enrollment at these centers was 299, also a record.

Five additional faculty members were elected to accomodate the record enrollments, and two were elevated to the full time faculty. In addition, three new degree programs and seven new courses were added to the curricclum. The degree programs offer interdisciplinary study among the seminary's Schools of Theology, Religious Education and Church Music.

A World Missions/Church Growth Center was established and approved by the board of trustees. R. Cal Guy, Bottoms Professor of Missions, was named founding director of the center.

The seminary budget was a record $8.4 million. Endowment reached $13.9 million, and the seminary's total assets were more than $42 million at the close of the fiscal year.

The siminary continued to enlarge and renovate campus facilities to meet the growing demands of high enrollments. Construction began on 44 new apartments in the student housing village, with completion of the project expected in the summer, 1981.

Preliminary planning continues for the new library/resource center, with construction expected to begin during the 1980-81 academic year.

The seminary's board of trustees adopted during their fall meeting a revised long range plan for the first half of the decade. Objectives of the plan include and average student enrollment of 4,000 per year; and average of 750 graduates per year; a student-teacher ratio of 1 to 20; expansion of the continuing education for ministry division; establishment of a World Missions/ Church Growth Center; expansion of vocational planning and placement; construction of a new library/resource center; renovation of present library facilities for classrooms and offices; revision of the campus master plan;; financial resources for the future and a continuing planning process for present and future needs.

According to seminary officals, the objectives are designed to provide maximum contribution from Southwestern in the Bold Mission Thrust efforts of the Southern Baptist Convention.

CHRISTIAN SOCIAL MINISTERY

There has been a growing concern among many of our people about a means of helping our fellowmen over temporary crisis situations that may arise in their lives. As a result of this concern the Ashe Baptist Executive board appointed a committee of four pastors and lay persons to organize a Christian Social Ministry for Ashe County.

This committee began work in January 1980 and has asked each church in the association to contribute as the Lord leads them in order that we might better minister to those around us who have needs. Some of our churches have responded favorable and we have been able to reach out in love to minister to some with needs.

It is the desire of this committee to carry out the job you as a Baptist association has given us to do but we cannot do that without your help. We hope you will support the Ashe Christian Social Ministry in the coming year.

Respectfully Submitted,
Mrs. Lib West

BROTHERHOOD REPORT

Southern Baptists are demonstrating growing interest in becoming involved in missions ministries as their expression in Bold Mission Thrust. That increasing concern is reflected in the response of thousands of Baptist men to disaster relief opportunities created by Hurricanes David and Frederic. It can also be seen as thousands of other Baptist men travel across the United States to construct Southern Baptist Church Buildings where such mission ministries exist.

Mobilizing Baptist men is becoming one of the spearheads of Southern Baptists as they seek to make a reality the goal of sharing the Gospel with every person in the world by the year 2,000.

The third annual Bold Mission Leadership Conference at Glorieta, New Mexico, sponsored by the Commission and Woman's Missionary Union, attracted a record 2,050 Baptists.

Other marks of progress included the sponsorship of two national lay renewal conferences and a national Royal Ambassador Congress for 2,000 boys 12-17, production and distribution of 2,200,000 copies of six missions publications for Baptist Men and Boys and the coordination of World Mission Conferences in 25 states which involved 175 associations, 2,318 missionaries, and attracted 1,092,861 Southern Baptist.

To implement objective organizationally, the Commission restructured its staff into four divisions --Business, Baptist Men, Royal Ambassadors, and Communications--and Administration.

RESOLUTIONS COMMITTEE REPORT

Whereas, the churches of the Ashe Baptist Association, having had the pleasure and privilege of being the guest of the Pleasant Chapel Baptist Church on August 1, 1980, and the Landmark Baptist Church on August 2, 1980, for the purpose of conducting the ninety-fourth annual session - be it therefore resolved that:

1. We express our deepest appreciation to both the church families and to their most courteous pastors, Rev. Russell Wyatt and Rev. W. H. Caldwell, for the fine way in which they provided for all our needs and beyond.

2. We appreciate all the planning and preparation, and all those who had a part in making the program so business like, smoothly operational, and highly successful in all aspects. We are especially thankful for the sweet presence of the precious Holy Spirit which has been in evidence throughout both sessions.

3. We certainly express our appreciation to Rev. Herbert Parunak for the fine and efficient job which he did as moderator; to Healing Springs Baptist Church for "loaning" Herbert to us for this purpose.

4. That we give special praise to our Heavenly Father for our many blessings through the years and for His sending us Bill Ballou our dedicated Director of Missions, and for privileging us to have such men as Brother A. D. Goodman, and others, in our midst.

5. That we acknowledge with appreciation all the pastors, messengers, alternates and guests for their faithful attendance (even after dinner) and for the attitude and good spirit displayed.

6. That a letter of appreciation be sent to the Christian Action League for their stand against pornography and alcohol, and recommend that individual churches and members periodically notify our Legislators as to their approval or disapproval of their performance.

7. That we, as members of the Ashe Baptist Association, remember Article II, Sec. 1 of our Constitution (our purpose), and conduct ourselves accordingly.

Respectfully Submitted,
Rev. Jerry Burleson
